Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) Endangerment is recklessly exposing another person to a danger of great bodily harm or death.

(b) Endangerment is a class A person misdemeanor.

(c) This section shall be part of and supplemental to the Kansas criminal code.

Sec. 2. K.S.A. 2011 Supp. 21-5109 is hereby amended to read as follows: 21-5109. (a) When the same conduct of a defendant may establish the commission of more than one crime under the laws of this state, the defendant may be prosecuted for each of such crimes. Each of such crimes may be alleged as a separate count in a single complaint, information or indictment.

(b) Upon prosecution for a crime, the defendant may be convicted of either the crime charged or a lesser included crime, but not both. A lesser included crime is:

(1) A lesser degree of the same crime;

(2) a crime where all elements of the lesser crime are identical to some of the elements of the crime charged;

(4) an attempt to commit a crime defined under paragraph (1) or (2).

(c) Whenever charges are filed against a person, accusing the person of a crime which includes another crime of which the person has been convicted, the conviction of the lesser included crime shall not bar prosecution or conviction of the crime charged if the crime charged was not consummated at the time of conviction of the lesser included crime, but the conviction of the lesser included crime shall be annulled upon the filing of such charges. Evidence of the person's plea or any admission or

statement made by the person in connection therewith in any of the proceedings which resulted in the person's conviction of the lesser included crime shall not be admissible at the trial of the crime charged. If the person is convicted of the crime charged, or of a lesser included crime, the person so convicted shall receive credit against any prison sentence imposed or fine to be paid for the period of confinement actually served or the amount of any fine actually paid under the sentence imposed for the annulled conviction.

(d) Unless otherwise provided by law, when crimes differ only in that one is defined to prohibit a designated kind of conduct generally and the other to prohibit a specific instance of such conduct, the defendant:

(1) May not be convicted of the two crimes based upon the same conduct; and

(2) shall be sentenced according to the terms of the more specific crime.

(e) *A defendant may not be convicted of identical offenses based upon the same conduct. The prosecution may choose which such offense to charge and, upon conviction, the defendant shall be sentenced according to the terms of that offense.*

No person may be convicted of a conspiracy unless an overt act in furtherance of such conspiracy is alleged and proved to have been committed by such person or by a co-conspirator.

(b) *It is immaterial to the criminal liability of a person charged with conspiracy that any other person with whom the defendant conspired lacked the actual intent to commit the underlying crime provided that the defendant believed the other person did have the actual intent to commit the underlying crime.*

~~(b)~~(c) It shall be a defense to a charge of conspiracy that the accused voluntarily and in good faith withdrew from the conspiracy, and communicated the fact of such withdrawal to one or more of the accused person's co-conspirators, before any overt act in furtherance of the conspiracy was committed by the accused or by a co-conspirator.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2011 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, im-

position of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes ~~or~~, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes *committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012*, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the ~~sentencing guideline~~ *sentencing guidelines* grid for drug crimes *committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012*, and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the ~~sentencing guideline~~ *sentencing guidelines* grid for drug crimes *committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012*, and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes ~~or~~, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes *committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012*, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendment thereto, or a com-

community intermediate sanction center. Pursuant to this ~~paragraph~~ *subsection* the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp's or a community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) ~~The court~~ In committing a defendant to the custody of the secretary of corrections, *the court* shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and

amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

(1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines grid for nondrug crimes ~~or~~, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes *committed prior to July 1, 2012, in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012*, or for an offense which is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes *committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012*, and such offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2011 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of K.S.A. 2011 Supp. 21-6805, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2011 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2011 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2011 Supp. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the ~~offender's~~ *defendant's* refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in K.S.A. 2011 Supp. 21-6805, and amendments thereto. For those offenders who are convicted on or after July 1, 2003, upon completion of the underlying prison sentence, the ~~defendant~~ *defendant-offender* shall not be subject to a period of postrelease supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(o) (1) Except as provided in paragraph (3), in addition to any other

penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2011 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator, of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are

imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" ~~means-mean~~ the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2011 Supp. 22-4616, and amendments thereto, the court shall require the defendant to undergo a domestic violence offender assessment and follow all recommendations unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence *offender* assessment and any other evaluation to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to \$5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such ~~recession~~-*rescission* or by an earlier date specified by the court. If

by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2011 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, the court shall order that the defendant be electronically monitored upon release from imprisonment for the duration of the defendant's natural life and that the defendant shall reimburse the state for all or part of the cost of such monitoring as determined by the prisoner review board.

Sec. 30. K.S.A. 2011 Supp. 21-6608 is hereby amended to read as follows: 21-6608. (a) The period of suspension of sentence, probation or assignment to community corrections fixed by the court shall not exceed two years in misdemeanor cases, subject to renewal and extension for additional fixed periods of two years. Probation, suspension of sentence or assignment to community corrections may be terminated by the court at any time and upon such termination or upon termination by expiration of the term of probation, suspension of sentence or assignment to community corrections, an order to this effect shall be entered by the court.

(b) The district court having jurisdiction of the offender may parole any misdemeanant sentenced to confinement in the county jail. The period of such parole shall be fixed by the court and shall not exceed two years and shall be terminated in the manner provided for termination of suspended sentence and probation.

(5) if the court finds and sets forth with particularity the reasons for finding that the safety of the members of the public will be jeopardized or that the welfare of the inmate will not be served by the length of the probation terms provided in subsections (c)(3) and (c)(4), the court may impose a longer period of probation. Such an increase shall not be considered a departure and shall not be subject to appeal;

(6) except as provided in subsections (c)(7) and (c)(8), the total period in all cases shall not exceed 60 months, or the maximum period of the prison sentence that could be imposed whichever is longer. Nonprison sentences may be terminated by the court at any time;

(7) if the defendant is convicted of nonsupport of a child, the period may be continued as long as the responsibility for support continues. If the defendant is ordered to pay full or partial restitution, the period may be continued as long as the amount of restitution ordered has not been paid; and

(8) the court may modify or extend the offender's period of supervision, pursuant to a modification hearing and a judicial finding of necessity. Such extensions may be made for a maximum period of five years or the maximum period of the prison sentence that could be imposed, whichever is longer, inclusive of the original supervision term.

(e) Notwithstanding any other law to the contrary, for any offender who is required to register as provided in the Kansas offender registration act, K.S.A. 22-4901 *et seq.*, and amendments thereto, there shall be no expungement of any conviction or any part of the offender's criminal record while the offender is required to register as provided in the Kansas offender registration act.

(f) (1) When a petition for expungement is filed, the court shall set a date for a hearing of such petition and shall cause notice of such hearing to be given to the prosecutor and the arresting law enforcement agency. The petition shall state the:

The charge established in this section shall be the only fee collected or moneys in the nature of a fee collected for the case. Such charge shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee.

The court may inquire into the background of the petitioner and shall have access to any reports or records relating to the petitioner that are on file with the secretary of corrections or the ~~Kansas parole~~ *prisoner review* board.

(g) At the hearing on the petition, the court shall order the petitioner's arrest record, conviction or diversion expunged if the court finds that:

The clerk of the court shall send a certified copy of the order of expungement to the Kansas bureau of investigation which shall notify the federal bureau of investigation, the secretary of corrections and any other criminal justice agency which may have a record of the arrest, conviction or diversion. After the order of expungement is entered, the petitioner shall be treated as not having been arrested, convicted or diverted of the crime, except that:

(1) Upon conviction for any subsequent crime, the conviction that was expunged may be considered as a prior conviction in determining the sentence to be imposed;

(2) the petitioner shall disclose that the arrest, conviction or diversion occurred if asked about previous arrests, convictions or diversions:

(A) In any application for licensure as a private detective, private detective agency, certification as a firearms trainer pursuant to K.S.A. 2011 Supp. 75-7b21, and amendments thereto, or employment as a detective with a private detective agency, as defined by K.S.A. 75-7b01, and amendments thereto; as security personnel with a private patrol operator, as defined by K.S.A. 75-7b01, and amendments thereto; or with an institution, as defined in K.S.A. 76-12a01, and amendments thereto, of the department of social and rehabilitation services;

(E) to aid in determining the petitioner's qualifications for the following under the Kansas expanded lottery act: (i) Lottery gaming facility manager or prospective manager, racetrack gaming facility manager or prospective manager, licensee or certificate holder; or (ii) an officer, director, employee, owner, agent or contractor thereof;

(F) upon application for a commercial driver's license under K.S.A. 8-2,125 through 8-2,142, and amendments thereto;

(G) to aid in determining the petitioner's qualifications to be an employee of the state gaming agency;

(H) to aid in determining the petitioner's qualifications to be an em-

ployee of a tribal gaming commission or to hold a license issued pursuant to a tribal-state gaming compact;

Presumptive Probation
Presumptive Imprisonment

(b) Sentences expressed in the sentencing guidelines grid for drug crimes in subsection (a) represent months of imprisonment.

(c) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure. The sentencing court shall not distinguish between the controlled substances cocaine base (9041L000) and cocaine hydrochloride (9041L005) when sentencing within the sentencing range of the grid block.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

(A) Prison sentence;

(B) maximum potential reduction to such sentence as a result of good time; and

(C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the prison sentence as well as the duration of the nonprison sanction at the sentencing hearing.

(d) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks ~~3-E, 3-F, 3-G, 3-H or 3-I~~ 4-E, 4-F, 4-G, 4-H, 4-I, 5-C or 5-D, the court may impose an optional nonprison sentence as provided in subsection (q) of K.S.A. 2011 Supp. 21-6804, and amendments thereto.

(e) The sentence for a second or subsequent conviction of K.S.A. 65-4159, prior to its repeal, ~~or~~ K.S.A. 2010 Supp. 21-36a03, *prior to its transfer*, or K.S.A. 2011 Supp. 21-5703, and amendments thereto, manufacture of any controlled substance or controlled substance analog, shall be a presumptive term of imprisonment of two times the maximum duration of the presumptive term of imprisonment. The court may impose an optional reduction in such sentence of not to exceed 50% of the mandatory increase provided by this subsection upon making a finding on the record that one or more of the mitigating factors as specified in K.S.A. 2011 Supp. 21-6815, and amendments thereto, justify such a reduction in sentence. Any decision made by the court regarding the reduction in such sentence shall not be considered a departure and shall not be subject to appeal.

(f) (1) The sentence for a third or subsequent felony conviction of

K.S.A. 65-4160 or 65-4162, prior to their repeal, ~~or~~ K.S.A. 2010 Supp. 21-36a06, *prior to its transfer, or K.S.A. 2011 Supp. 21-5706*, and amendments thereto, shall be a presumptive term of imprisonment and the defendant shall be sentenced to prison as provided by this section. The defendant's term of imprisonment shall be served in the custody of the secretary of corrections in a facility designated by the secretary. Subject to appropriations therefore, the defendant shall participate in an intensive substance abuse treatment program, of at least four months duration, selected by the secretary of corrections. If the secretary determines that substance abuse treatment resources are otherwise available, such term of imprisonment may be served in a facility designated by the secretary of corrections in the custody of the secretary of corrections to participate in an intensive substance abuse treatment program. The secretary's determination regarding the availability of treatment resources shall not be subject to review. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision.

(2) Such defendant's term of imprisonment shall not be subject to modification under paragraph (1) if:

(A) The defendant has previously completed a certified drug abuse treatment program, as provided in K.S.A. 2011 Supp. 75-52,144, and amendments thereto;

(B) has been discharged or refused to participate in a certified drug abuse treatment program, as provided in K.S.A. 2011 Supp. 75-52,144, and amendments thereto;

(C) has completed an intensive substance abuse treatment program under paragraph (1); or

(D) has been discharged or refused to participate in an intensive substance abuse treatment program under paragraph (1).

The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(g) (1) Except as provided further, if the trier of fact makes a finding that an offender carried a firearm to commit a drug felony, or in furtherance of a drug felony, possessed a firearm, in addition to the sentence imposed pursuant to K.S.A. 2011 Supp. 21-6801 through 21-6824, and amendments thereto, the offender shall be sentenced to:

(A) Except as provided in subsection (g)(1)(B), an additional 6 months' imprisonment; and

(B) if the trier of fact makes a finding that the firearm was discharged, an additional 18 months' imprisonment.

(2) The sentence imposed pursuant to subsection (g)(1) shall be pre-

sumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) The provisions of this subsection shall not apply to violations of K.S.A. 2011 Supp. 21-5706 or 21-5713, and amendments thereto.

Sec. 34. K.S.A. 2011 Supp. 21-6808 is hereby amended to read as follows: 21-6808. (a) The crime severity scale contained in the sentencing guidelines grid for drug offenses as provided in K.S.A. 2011 Supp. 21-6805, and amendments thereto, consists of 4 5 levels of crimes. Crimes listed within each level are considered to be relatively equal in severity. Level 1 crimes are the most severe crimes and level 4 5 crimes are the least severe crimes.

(b) The provisions of this section shall also be applicable to the presumptive sentences for anticipatory crimes as provided in K.S.A. 2011 Supp. 21-5301, 21-5302 and 21-5303, and amendments thereto.

Sec. 35. K.S.A. 2011 Supp. 21-6810 is hereby amended to read as follows: 21-6810. (a) Criminal history categories contained in the sentencing guidelines grids are based on the following types of prior convictions: Person felony adult convictions, nonperson felony adult convictions, person felony juvenile adjudications, nonperson felony juvenile adjudications, person misdemeanor adult convictions, nonperson class A misdemeanor adult convictions, person misdemeanor juvenile adjudications, nonperson class A misdemeanor juvenile adjudications, select class B nonperson misdemeanor adult convictions, select class B nonperson misdemeanor juvenile adjudications and convictions and adjudications for violations of municipal ordinances or county resolutions which are comparable to any crime classified under the state law of Kansas as a person misdemeanor, select nonperson class B misdemeanor or nonperson class A misdemeanor. A prior conviction is any conviction, other than another count in the current case which was brought in the same information or complaint or which was joined for trial with other counts in the current case pursuant to K.S.A. 22-3203, and amendments thereto, which occurred prior to sentencing in the current case regardless of whether the offense that led to the prior conviction occurred before or after the current offense or the conviction in the current case.

(b) A class B nonperson select misdemeanor is a special classification established for weapons violations. Such classification shall be considered and scored in determining an offender's criminal history classification.

(c) Except as otherwise provided, all convictions, whether sentenced consecutively or concurrently, shall be counted separately in the offender's criminal history.

(d) Except as provided in K.S.A. 2011 Supp. 21-6815, and amendments thereto, the following are applicable to determining an offender's criminal history classification:

(1) Only verified convictions will be considered and scored.

(2) All prior adult felony convictions, including expungements, will be considered and scored.

(3) There will be no decay factor applicable for:

(A) Adult convictions;

(B) a juvenile adjudication for an offense which would constitute a person felony if committed by an adult;

(C) a juvenile adjudication for an offense committed before July 1, 1993, which would have been a class A, B or C felony, if committed by an adult; or

(D) a juvenile adjudication for an offense committed on or after July 1, 1993, which would be an off-grid felony, a nondrug severity level 1, 2, 3, 4 or 5 felony, ~~or a drug severity level 1, 2 or 3 felony~~ *for an offense committed on or after July 1, 1993, but prior to July 1, 2012, or a drug severity level 1, 2, 3 or 4 felony for an offense committed on or after July 1, 2012*, if committed by an adult.

(4) Except as otherwise provided, a juvenile adjudication will decay if the current crime of conviction is committed after the offender reaches the age of 25, and the juvenile adjudication is for an offense:

(A) Committed before July 1, 1993, which would have been a class D or E felony if committed by an adult;

(B) committed on or after July 1, 1993, which would be a nondrug severity level 6, 7, 8, 9 or 10, ~~or drug level 4, nonperson felony~~ *a drug severity level 4 felony for an offense committed on or after July 1, 1993, but prior to July 1, 2012, or a drug severity level 5 felony for an offense committed on or after July 1, 2012* if committed by an adult; or

(C) which would be a misdemeanor if committed by an adult.

(5) All person misdemeanors, class A nonperson misdemeanors and class B select nonperson misdemeanors, and all municipal ordinance and county resolution violations comparable to such misdemeanors, shall be considered and scored.

(6) Unless otherwise provided by law, unclassified felonies and misdemeanors, shall be considered and scored as nonperson crimes for the purpose of determining criminal history.

(7) Prior convictions of a crime defined by a statute which has since been repealed shall be scored using the classification assigned at the time of such conviction.

(8) Prior convictions of a crime defined by a statute which has since been determined unconstitutional by an appellate court shall not be used for criminal history scoring purposes.

(9) Prior convictions of any crime shall not be counted in determining the criminal history category if they enhance the severity level, elevate the classification from misdemeanor to felony, or are elements of the present crime of conviction. Except as otherwise provided, all other prior convictions will be considered and scored.

Sec. 36. K.S.A. 2011 Supp. 21-6819 is hereby amended to read as follows: 21-6819. (a) The provisions of subsections (a), (b), (c), (d), (e) and (h) of K.S.A. 2011 Supp. 21-6606, and amendments thereto, regarding multiple sentences shall apply to the sentencing of offenders pursuant to the sentencing guidelines. The mandatory consecutive sentence requirements contained in subsections (c), (d) and (e) of K.S.A. 2011 Supp. 21-6606, and amendments thereto, shall not apply if such application would result in a manifest injustice.

(b) The sentencing judge shall otherwise have discretion to impose concurrent or consecutive sentences in multiple conviction cases. The sentencing judge *may consider the need to impose an overall sentence that is proportionate to the harm and culpability* and shall state on the record if the sentence is to be served concurrently or consecutively. In cases where consecutive sentences may be imposed by the sentencing judge, the following shall apply:

(1) When the sentencing judge imposes multiple sentences consecutively, the consecutive sentences shall consist of an imprisonment term which ~~is~~ *may not exceed* the sum of the consecutive imprisonment terms, and a supervision term. *The sentencing judge shall have the discretion to impose a consecutive term of imprisonment for a crime other than the primary crime of any term of months not to exceed the nonbase sentence as determined under subsection (b)(5).* The postrelease supervision term will be based on the longest supervision term imposed for any of the crimes.

(2) The sentencing judge shall establish a base sentence for the primary crime. The primary crime is the crime with the highest crime severity ranking. An off-grid crime shall not be used as the primary crime in determining the base sentence when imposing multiple sentences. If sentences for off-grid and on-grid convictions are ordered to run consecutively, the offender shall not begin to serve the on-grid sentence until paroled from the off-grid sentence, and the postrelease supervision term will be based on the off-grid crime. If more than one crime of conviction is classified in the same crime category, the sentencing judge shall designate which crime will serve as the primary crime. In the instance of sentencing with both the drug grid and the nondrug grid and simultaneously having a presumption of imprisonment and probation, the sentencing judge shall use the crime which presumes imprisonment as the primary crime. In the instance of sentencing with both the drug grid and the nondrug grid and simultaneously having a presumption of either both probation or both imprisonment, the sentencing judge shall use the crime with the longest sentence term as the primary crime.

(3) The base sentence is set using the total criminal history score assigned.

(4) The total prison sentence imposed in a case involving multiple convictions arising from multiple counts within an information, complaint

or indictment cannot exceed twice the base sentence. This limit shall apply only to the total sentence, and it shall not be necessary to reduce the duration of any of the nonbase sentences imposed to be served consecutively to the base sentence. The postrelease supervision term will reflect only the longest such term assigned to any of the crimes for which consecutive sentences are imposed. Supervision periods shall not be aggregated.

(5) Nonbase sentences shall not have criminal history scores applied, as calculated in the criminal history I column of the grid, but base sentences shall have the full criminal history score assigned. In the event a conviction designated as the primary crime in a multiple conviction case is reversed on appeal, the appellate court shall remand the multiple conviction case for resentencing. Upon resentencing, if the case remains a multiple conviction case the court shall follow all of the provisions of this section concerning the sentencing of multiple conviction cases.

(6) If the sentence for the primary crime is a prison term, the entire imprisonment term of the consecutive sentences will be served in prison.

(7) If the sentence for the consecutive sentences is a prison term, the postrelease supervision term is a term of postrelease supervision as established for the primary crime.

(8) If the sentence for the primary crime is a nonprison sentence, a nonprison term will be imposed for each crime conviction, but the nonprison terms shall not be aggregated or served consecutively even though the underlying prison sentences have been ordered to be served consecutively. Upon revocation of the nonprison sentence, the offender shall serve the prison sentences consecutively as provided in this section.

(c) The following shall apply for a departure from the presumptive sentence based on aggravating factors within the context of consecutive sentences:

(1) The court may depart from the presumptive limits for consecutive sentences only if the judge finds substantial and compelling reasons to impose a departure sentence for any of the individual crimes being sentenced consecutively.

(2) When a departure sentence is imposed for any of the individual crimes sentenced consecutively, the imprisonment term of that departure sentence shall not exceed twice the maximum presumptive imprisonment term that may be imposed for that crime.

(3) The total imprisonment term of the consecutive sentences, including the imprisonment term for the departure crime, shall not exceed twice the maximum presumptive imprisonment term of the departure sentence following aggravation.

Sec. 37. K.S.A. 2011 Supp. 21-6821 is hereby amended to read as follows: 21-6821. (a) The secretary of corrections is hereby authorized to adopt rules and regulations providing for a system of good time calcula-

tions. Such rules and regulations shall provide circumstances upon which an inmate may earn good time credits and for the forfeiture of earned credits. Such circumstances may include factors related to program and work participation and conduct and the inmate's willingness to examine and confront past behavioral patterns that resulted in the commission of the inmate's crimes.

(b) For purposes of determining release of an inmate, the following shall apply with regard to good time calculations:

Sec. 39. K.S.A. 2011 Supp. 22-2802 is hereby amended to read as follows: 22-2802. (1) Any person charged with a crime shall, at the person's first appearance before a magistrate, be ordered released pending preliminary examination or trial upon the execution of an appearance bond in an amount specified by the magistrate and sufficient to assure the appearance of such person before the magistrate when ordered and to assure the public safety. If the person is being bound over for a felony, the bond shall also be conditioned on the person's appearance in the district court or by way of a two-way electronic audio-video communication as provided in subsection (14) at the time required by the court to answer the charge against such person and at any time thereafter that the court requires. Unless the magistrate makes a specific finding otherwise, if the person is being bonded out for a person felony or a person misdemeanor, the bond shall be conditioned on the person being prohibited from having any contact with the alleged victim of such offense for a

period of at least 72 hours. The magistrate may impose such of the following additional conditions of release as will reasonably assure the appearance of the person for preliminary examination or trial:

(a) Place the person in the custody of a designated person or organization agreeing to supervise such person;

(b) place restrictions on the travel, association or place of abode of the person during the period of release;

(c) impose any other condition deemed reasonably necessary to assure appearance as required, including a condition requiring that the person return to custody during specified hours;

(d) place the person under a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto; or

The magistrate may also order the person to pay for all other costs associated with the supervision and conditions for compliance in addition to the \$15 per week.

(2) In addition to any conditions of release provided in subsection (1), for any person charged with a felony, the magistrate may order such person to submit to a drug and alcohol abuse examination and evaluation in a public or private treatment facility or state institution and, if determined by the head of such facility or institution that such person is a drug or alcohol abuser or is incapacitated by drugs or alcohol, to submit to treatment for such drug or alcohol abuse, as a condition of release.

(3) The appearance bond shall be executed with sufficient solvent sureties who are residents of the state of Kansas, unless the magistrate determines, in the exercise of such magistrate's discretion, that requiring sureties is not necessary to assure the appearance of the person at the time ordered.

(4) A deposit of cash in the amount of the bond may be made in lieu of the execution of the bond pursuant to subsection (3). Except as provided in subsection (5), such deposit shall be in the full amount of the bond and in no event shall a deposit of cash in less than the full amount of bond be permitted. Any person charged with a crime who is released on a cash bond shall be entitled to a refund of all moneys paid for the cash bond, after deduction of any outstanding restitution, costs, fines and fees, after the final disposition of the criminal case if the person complies with all requirements to appear in court. The court may not exclude the option of posting bond pursuant to subsection (3).

(5) Except as provided further, the amount of the appearance bond shall be the same whether executed as described in subsection (3) or posted with a deposit of cash as described in subsection (4). When the

appearance bond has been set at \$2,500 or less and the most serious charge against the person is a misdemeanor, a severity level 8, 9 or 10 nonperson felony, a drug severity level 4 felony *committed prior to July 1, 2012, a drug severity level 5 felony committed on or after July 1, 2012*, or a violation of K.S.A. 8-1567, and amendments thereto, the magistrate may allow the person to deposit cash with the clerk in the amount of 10% of the bond, provided the person meets at least the following qualifications:

(C) has no prior history of failure to appear for any court appearances;
(D) has no detainer or hold from any other jurisdiction;
(E) has not been extradited from, and is not awaiting extradition to, another state; and

(F) has not been detained for an alleged violation of probation.

(6) In the discretion of the court, a person charged with a crime may be released upon the person's own recognizance by guaranteeing payment of the amount of the bond for the person's failure to comply with all requirements to appear in court. The release of a person charged with a crime upon the person's own recognizance shall not require the deposit of any cash by the person.

(7) The court shall not impose any administrative fee.

(8) In determining which conditions of release will reasonably assure appearance and the public safety, the magistrate shall, on the basis of available information, take into account the nature and circumstances of the crime charged; the weight of the evidence against the defendant; whether the defendant is lawfully present in the United States; the defendant's family ties, employment, financial resources, character, mental condition, length of residence in the community, record of convictions, record of appearance or failure to appear at court proceedings or of flight to avoid prosecution; the likelihood or propensity of the defendant to commit crimes while on release, including whether the defendant will be likely to threaten, harass or cause injury to the victim of the crime or any witnesses thereto; and whether the defendant is on probation or parole from a previous offense at the time of the alleged commission of the subsequent offense.

(9) The appearance bond shall set forth all of the conditions of release.

(10) A person for whom conditions of release are imposed and who continues to be detained as a result of the person's inability to meet the conditions of release shall be entitled, upon application, to have the conditions reviewed without unnecessary delay by the magistrate who imposed them. If the magistrate who imposed conditions of release is not available, any other magistrate in the county may review such conditions.

(11) A magistrate ordering the release of a person on any conditions

specified in this section may at any time amend the order to impose additional or different conditions of release. If the imposition of additional or different conditions results in the detention of the person, the provisions of subsection (10) shall apply.

(12) Statements or information offered in determining the conditions of release need not conform to the rules of evidence. No statement or admission of the defendant made at such a proceeding shall be received as evidence in any subsequent proceeding against the defendant.

(13) The appearance bond and any security required as a condition of the defendant's release shall be deposited in the office of the magistrate or the clerk of the court where the release is ordered. If the defendant is bound to appear before a magistrate or court other than the one ordering the release, the order of release, together with the bond and security shall be transmitted to the magistrate or clerk of the court before whom the defendant is bound to appear.

(14) Proceedings before a magistrate as provided in this section to determine the release conditions of a person charged with a crime including release upon execution of an appearance bond may be conducted by two-way electronic audio-video communication between the defendant and the judge in lieu of personal presence of the defendant or defendant's counsel in the courtroom in the discretion of the court. The defendant may be accompanied by the defendant's counsel. The defendant shall be informed of the defendant's right to be personally present in the courtroom during such proceeding if the defendant so requests. Exercising the right to be present shall in no way prejudice the defendant.

(15) The magistrate may order the person to pay for any costs associated with the supervision of the conditions of release of the appearance bond in an amount not to exceed \$15 per week of such supervision. As a condition of sentencing under K.S.A. 2011 Supp. 21-6604, and amendments thereto, the court may impose the full amount of any such costs in addition to the \$15 per week, including, but not limited to, costs for treatment and evaluation under subsection (2).

Sec. 40. K.S.A. 2011 Supp. 22-2908 is hereby amended to read as follows: 22-2908. (a) In determining whether diversion of a defendant is in the interests of justice and of benefit to the defendant and the community, the county or district attorney shall consider at least the following factors among all factors considered:

(1) The nature of the crime charged and the circumstances surrounding it;

(2) any special characteristics or circumstances of the defendant;

(3) whether the defendant is a first-time offender and if the defendant has previously participated in diversion, according to the certification of the Kansas bureau of investigation or the division of vehicles of the department of revenue;

(8) recommendations, if any, of the victim;

(9) provisions for restitution; and

(10) any mitigating circumstances.

(b) A county or district attorney shall not enter into a diversion agreement in lieu of further criminal proceedings on a complaint if:

(1) The complaint alleges a violation of K.S.A. 8-1567, and amendments thereto, and the defendant: (A) Has previously participated in diversion upon a complaint alleging a violation of that statute or an ordinance of a city in this state which prohibits the acts prohibited by that statute; (B) has previously been convicted of or pleaded *nolo contendere* to a violation of that statute or a violation of a law of another state or of a political subdivision of this or any other state, which law prohibits the acts prohibited by that statute; or (C) during the time of the alleged violation was involved in a motor vehicle accident or collision resulting in personal injury or death;

(2) the complaint alleges that the defendant committed a class A or B felony or for crimes committed on or after July 1, 1993, an off-grid crime, a severity level 1, 2 or 3 felony for nondrug crimes ~~or~~, a drug severity level 1 or 2 felony for drug crimes *committed on or after July 1, 1993, but prior to July 1, 2012, or a drug severity level 1, 2 or 3 felony committed on or after July 1, 2012*; or

(3) the complaint alleges a domestic violence offense, as defined in K.S.A. 2011 Supp. 21-5111, and amendments thereto, and the defendant has participated in two or more diversions in the previous five year period upon complaints alleging a domestic violence offense.

(c) A county or district attorney may enter into a diversion agreement in lieu of further criminal proceedings on a complaint for violations of article 10 of chapter 32 of the Kansas Statutes Annotated, and amendments thereto, if such diversion carries the same penalties as the conviction for the corresponding violations. If the defendant has previously participated in one or more diversions for violations of article 10 of chapter 32 of the Kansas Statutes Annotated, and amendments thereto, then each subsequent diversion shall carry the same penalties as the conviction for the corresponding violations.

Sec. 41. K.S.A. 2011 Supp. 22-3412 is hereby amended to read as follows: 22-3412. (a) (1) For crimes committed before July 1, 1993, peremptory challenges shall be allowed as follows:

(A) Each defendant charged with a class A felony shall be allowed 12 peremptory challenges.

(B) Each defendant charged with a class B felony shall be allowed eight peremptory challenges.

(C) Each defendant charged with a felony other than class A or class B felony shall be allowed six peremptory challenges.

(D) Each defendant charged with a misdemeanor shall be allowed three peremptory challenges.

(E) Additional peremptory challenges shall not be allowed on account of separate counts charged in the complaint, information or indictment.

(F) The prosecution shall be allowed the same number of peremptory challenges as all the defendants.

(2) For crimes committed on or after July 1, 1993, peremptory challenges shall be allowed as follows:

(A) Each defendant charged with an off-grid felony ~~or~~, a nondrug ~~or drug~~ felony ranked at severity level 1, *or a drug felony ranked at severity level 1 or 2*, shall be allowed 12 peremptory challenges.

(C) Each defendant charged with an unclassified felony, a nondrug severity level 7, 8, 9 or 10, or a drug severity level ~~4~~ *5* felony, shall be allowed six peremptory challenges.

(D) Each defendant charged with a misdemeanor shall be allowed three peremptory challenges.

(E) The prosecution shall be allowed the same number of peremptory challenges as all defendants.

(F) The most serious penalty offense charged against each defendant furnishes the criterion for determining the allowed number of peremptory challenges for that defendant.

(G) Additional peremptory challenges shall not be allowed when separate counts are charged in the complaint, information or indictment.

(H) Except as otherwise provided in this subsection, the provisions of this section shall apply. In applying the provisions of this section, the trial court may determine the number of peremptory challenges to allow by reviewing the classification for the crime charged, or nearest comparable felony, as it was classified under the criminal law in effect prior to July 1, 1993. If the severity level of the most serious crime charged raises the potential penalty above that of another crime which was classified higher under the criminal law in effect prior to July 1, 1993, the defendant shall be allowed the number of peremptory challenges as for that higher classified crime under the prior system.

(I) The trial court shall resolve any conflicts with a liberal construction in favor of allowing the greater number of peremptory challenges.

(b) After the parties have interposed all of their challenges to jurors, or have waived further challenges, the jury shall be sworn to try the case.

(c) A trial judge may empanel one or more alternate or additional jurors whenever, in the judge's discretion, the judge believes it advisable to have such jurors available to replace jurors who, prior to the time the jury retires to consider its verdict, become or are found to be unable to perform their duties. Such jurors shall be selected in the same manner, have the same qualifications, and be subject to the same examination and challenges and take the same oath and have the same functions, powers and privileges as the regular jurors. Such jurors may be selected at the same time as the regular jurors or after the jury has been empaneled and sworn, in the judge's discretion. Each party shall be entitled to one peremptory challenge to such alternate jurors. Such alternate jurors shall be seated near the other jurors, with equal power and facilities for seeing and hearing the proceedings in the case, and they must attend at all times upon the trial of the cause in company with the other jurors. They shall obey the orders of and be bound by the admonition of the court upon each adjournment, but if the regular jurors are ordered to be kept in custody during the trial of the cause, such alternate jurors also shall be kept in confinement with the other jurors. Upon final submission of the case to the jury, the alternate jurors may be discharged or they may be retained separately and not discharged until the final decision of the jury. If the alternate jurors are not discharged on final submission of the case and if any regular juror shall be discharged from jury service in any such action prior to the jury reaching its verdict, the court shall draw the name of an alternate juror who shall replace the juror so discharged and be subject to the same rules and regulations as though such juror had been selected as one of the original jurors.

(D) (i) The sentencing judge shall impose the postrelease supervision period provided in subparagraph (d)(1)(A), (d)(1)(B) or (d)(1)(C), unless the judge finds substantial and compelling reasons to impose a departure based upon a finding that the current crime of conviction was sexually motivated. In that event, departure may be imposed to extend the post-release supervision to a period of up to 60 months.

(ii) If the sentencing judge departs from the presumptive postrelease supervision period, the judge shall state on the record at the time of sentencing the substantial and compelling reasons for the departure. Departures in this section are subject to appeal pursuant to K.S.A. 21-4721, prior to its repeal, or K.S.A. 2011 Supp. 21-6820, and amendments thereto.

(3) *As used in this subsection*, “sexually motivated” means that one of the purposes for which the defendant committed the crime was for the purpose of the defendant’s sexual gratification.

(e) If an inmate is sentenced to imprisonment for a crime committed while on parole or conditional release, the inmate shall be eligible for parole as provided by subsection (c), except that the prisoner review board may postpone the inmate’s parole eligibility date by assessing a penalty not exceeding the period of time which could have been assessed if the inmate’s parole or conditional release had been violated for reasons other than conviction of a crime.

(f) If a person is sentenced to prison for a crime committed on or after July 1, 1993, while on probation, parole, conditional release or in a community corrections program, for a crime committed prior to July 1, 1993, and the person is not eligible for retroactive application of the sentencing guidelines and amendments thereto pursuant to K.S.A. 21-4724, prior to its repeal, the new sentence shall not be aggregated with the old sentence, but shall begin when the person is paroled or reaches the conditional release date on the old sentence. If the offender was past the offender’s conditional release date at the time the new offense was committed, the new sentence shall not be aggregated with the old sentence but shall begin when the person is ordered released by the prisoner review board or reaches the maximum sentence expiration date on the old sentence, whichever is earlier. The new sentence shall then be served as otherwise provided by law. The period of postrelease supervision shall be based on the new sentence, except that those offenders whose old sentence is a term of imprisonment for life, imposed pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, or an indeterminate sentence with a maximum term of life imprisonment, for which there is no conditional release or maximum sentence expiration date, shall remain on postrelease supervision for life or until discharged from supervision by the prisoner review board.

(g) Subject to the provisions of this section, the prisoner review board may release on parole those persons confined in institutions who are eligible for parole when: (1) The board believes that the inmate should be released for hospitalization, ~~for~~ deportation or to answer the warrant or other process of a court and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate; or (2) the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement, and the board believes that the inmate is able and willing to fulfill the obligations of a law abiding citizen and is of the opinion that there is reasonable proba-

bility that the inmate can be released without detriment to the community or to the inmate. Parole shall not be granted as an award of clemency and shall not be considered a reduction of sentence or a pardon.

(h) The prisoner review board shall hold a parole hearing at least the month prior to the month an inmate will be eligible for parole under subsections (a), (b) and (c). At least ~~the one~~ month preceding the parole hearing, the county or district attorney of the county where the inmate was convicted shall give written notice of the time and place of the public comment sessions for the inmate to any victim of the inmate's crime who is alive and whose address is known to the county or district attorney or, if the victim is deceased, to the victim's family if the family's address is known to the county or district attorney. Except as otherwise provided, failure to notify pursuant to this section shall not be a reason to postpone a parole hearing. In the case of any inmate convicted of an off-grid felony or a class A felony, the secretary of corrections shall give written notice of the time and place of the public comment session for such inmate at least one month preceding the public comment session to any victim of such inmate's crime or the victim's family pursuant to K.S.A. 74-7338, and amendments thereto. If notification is not given to such victim or such victim's family in the case of any inmate convicted of an off-grid felony or a class A felony, the board shall postpone a decision on parole of the inmate to a time at least 30 days after notification is given as provided in this section. Nothing in this section shall create a cause of action against the state or an employee of the state acting within the scope of the employee's employment as a result of the failure to notify pursuant to this section. If granted parole, the inmate may be released on parole on the date specified by the board, but not earlier than the date the inmate is eligible for parole under subsections (a), (b) and (c). At each parole hearing and, if parole is not granted, at such intervals thereafter as it determines appropriate, the board shall consider: (1) Whether the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement; and (2) all pertinent information regarding such inmate, including, but not limited to, the circumstances of the offense of the inmate; the presentence report; the previous social history and criminal record of the inmate; the conduct, employment, and attitude of the inmate in prison; the reports of such physical and mental examinations as have been made, including, but not limited to, risk factors revealed by any risk assessment of the inmate; comments of the victim and the victim's family including in person comments, contemporaneous comments and prerecorded comments made by any technological means; comments of the public; official comments; any recommendation by the staff of the facility where the inmate is incarcerated; proportionality of the time the inmate has served to the sentence a person would receive

under the Kansas sentencing guidelines for the conduct that resulted in the inmate's incarceration; and capacity of state correctional institutions.

(i) In those cases involving inmates sentenced for a crime committed after July 1, 1993, the prisoner review board will review the inmates proposed release plan. The board may schedule a hearing if they desire. The board may impose any condition they deem necessary to insure public safety, aid in the reintegration of the inmate into the community, or items not completed under the agreement entered into under K.S.A. 75-5210a, and amendments thereto. The board may not advance or delay an inmate's release date. Every inmate while on postrelease supervision shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary.

(j) (1) Before ordering the parole of any inmate, the prisoner review board shall have the inmate appear either in person or via a video conferencing format and shall interview the inmate unless impractical because of the inmate's physical or mental condition or absence from the institution. Every inmate while on parole shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary. Whenever the board formally considers placing an inmate on parole and no agreement has been entered into with the inmate under K.S.A. 75-5210a, and amendments thereto, the board shall notify the inmate in writing of the reasons for not granting parole. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the inmate has not satisfactorily completed the programs specified in the agreement, or any revision of such agreement, the board shall notify the inmate in writing of the specific programs the inmate must satisfactorily complete before parole will be granted. If parole is not granted only because of a failure to satisfactorily complete such programs, the board shall grant parole upon the secretary's certification that the inmate has successfully completed such programs. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by such agreement, or any revision thereof, the board shall not require further program participation. However, if the board determines that other pertinent information regarding the inmate warrants the inmate's not being released on parole, the board shall state in writing the reasons for not granting the parole. If parole is denied for an inmate sentenced for a crime other than a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than one year after the denial unless the board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next three years or during the interim period of a deferral. In such case, the board may defer subsequent parole hearings for up to three years but any such deferral by the board shall require the board to state the basis for its findings. If parole is denied for an inmate

sentenced for a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than three years after the denial unless the board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next 10 years or during the interim period of a deferral. In such case, the board may defer subsequent parole hearings for up to 10 years but any such deferral shall require the board to state the basis for its findings.

(2) Inmates sentenced for a class A or class B felony who have not had a board hearing in the five years prior to July 1, 2010, shall have such inmates' cases reviewed by the board on or before July 1, 2012. Such review shall begin with the inmates with the oldest deferral date and progress to the most recent. Such review shall be done utilizing existing resources unless the board determines that such resources are insufficient. If the board determines that such resources are insufficient, then the provisions of this paragraph are subject to appropriations therefor.

(k) (1) Parolees and persons on postrelease supervision shall be assigned, upon release, to the appropriate level of supervision pursuant to the criteria established by the secretary of corrections.

(2) Parolees and persons on postrelease supervision are, and shall agree in writing to be, subject to search or seizure by a parole officer or a department of corrections enforcement, apprehension and investigation officer, at any time of the day or night, with or without a search warrant and with or without cause. Nothing in this subsection shall be construed to authorize such officers to conduct arbitrary or capricious searches or searches for the sole purpose of harassment.

(3) Parolees and persons on postrelease supervision are, and shall agree in writing to be, subject to search or seizure by any law enforcement officer based on reasonable suspicion of the person violating conditions of parole or postrelease supervision or reasonable suspicion of criminal activity. Any law enforcement officer who conducts such a search shall submit a written report to the appropriate parole officer no later than the close of the next business day after such search. The written report shall include the facts leading to such search, the scope of such search and any findings resulting from such search.

(l) The prisoner review board shall ~~adopt~~ *promulgate* rules and regulations in accordance with K.S.A. 77-415 *et seq.*, and amendments thereto, not inconsistent with the law and as it may deem proper or necessary, with respect to the conduct of parole hearings, postrelease supervision reviews, revocation hearings, orders of restitution, reimbursement of expenditures by the state board of indigents' defense services and other conditions to be imposed upon parolees or releasees. Whenever an order for parole or postrelease supervision is issued it shall recite the conditions thereof.

(m) Whenever the prisoner review board orders the parole of an in-

mate or establishes conditions for an inmate placed on postrelease supervision, the board:

(1) Unless it finds compelling circumstances which would render a plan of payment unworkable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision pay any transportation expenses resulting from returning the parolee or the person on postrelease supervision to this state to answer criminal charges or a warrant for a violation of a condition of probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision;

(2) to the extent practicable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision make progress towards or successfully complete the equivalent of a secondary education if the inmate has not previously completed such educational equivalent and is capable of doing so;

(3) may order that the parolee or person on postrelease supervision perform community or public service work for local governmental agencies, private corporations organized not-for-profit or charitable or social service organizations performing services for the community;

(4) may order the parolee or person on postrelease supervision to pay the administrative fee imposed pursuant to K.S.A. 22-4529, and amendments thereto, unless the board finds compelling circumstances which would render payment unworkable;

(5) unless it finds compelling circumstances which would render a plan of payment unworkable, shall order that the parolee or person on postrelease supervision reimburse the state for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the person. In determining the amount and method of payment of such sum, the prisoner review board shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose. Such amount shall not exceed the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less, minus any previous payments for such services;

(6) shall order that the parolee or person on postrelease supervision agree in writing to be subject to search or seizure by a parole officer or a department of corrections enforcement, apprehension and investigation officer, at any time of the day or night, with or without a search warrant and with or without cause. Nothing in this subsection shall be construed to authorize such officers to conduct arbitrary or capricious searches or searches for the sole purpose of harassment; and

(7) shall order that the parolee or person on postrelease supervision agree in writing to be subject to search or seizure by any law enforcement

officer based on reasonable suspicion of the person violating conditions of parole or postrelease supervision or reasonable suspicion of criminal activity.

(n) If the court which sentenced an inmate specified at the time of sentencing the amount and the recipient of any restitution ordered as a condition of parole or postrelease supervision, the prisoner review board shall order as a condition of parole or postrelease supervision that the inmate pay restitution in the amount and manner provided in the journal entry unless the board finds compelling circumstances which would render a plan of restitution unworkable.

(o) Whenever the prisoner review board grants the parole of an inmate, the board, within 14 days of the date of the decision to grant parole, shall give written notice of the decision to the county or district attorney of the county where the inmate was sentenced.

(p) When an inmate is to be released on postrelease supervision, the secretary, within 30 days prior to release, shall provide the county or district attorney of the county where the inmate was sentenced written notice of the release date.

(q) Inmates shall be released on postrelease supervision upon the termination of the prison portion of their sentence. Time served while on postrelease supervision will vest.

(r) An inmate who is allocated regular good time credits as provided in K.S.A. 22-3725, and amendments thereto, may receive meritorious good time credits in increments of not more than 90 days per meritorious act. These credits may be awarded by the secretary of corrections when an inmate has acted in a heroic or outstanding manner in coming to the assistance of another person in a life threatening situation, preventing injury or death to a person, preventing the destruction of property or taking actions which result in a financial savings to the state.

(s) The provisions of subsections (d)(1)(A), (d)(1)(B), (d)(1)(C) and (d)(1)(E) shall be applied retroactively as provided in subsection (t).

(t) For offenders sentenced prior to May 25, 2000, who are eligible for modification of their postrelease supervision obligation, the department of corrections shall modify the period of postrelease supervision as provided for by this section for offenders convicted of severity ~~level~~ *levels* 9 and 10 crimes on the sentencing guidelines grid for nondrug crimes and severity level 4 crimes on the sentencing guidelines grid for drug crimes on or before September 1, 2000; for offenders convicted of severity ~~level~~ *levels* 7 and 8 crimes on the sentencing guidelines grid for nondrug crimes on or before November 1, 2000; and for offenders convicted of severity ~~level~~ *levels* 5 and 6 crimes on the sentencing guidelines grid for nondrug crimes and severity level 3 crimes on the sentencing guidelines grid for drug crimes on or before January 1, 2001.

(u) An inmate sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2011 Supp. 21-6627, and amendments

thereto, for crimes committed on or after July 1, 2006, shall be placed on parole for life and shall not be discharged from supervision by the prisoner review board. When the board orders the parole of an inmate pursuant to this subsection, the board shall order as a condition of parole that the inmate be electronically monitored for the duration of the inmate's natural life.

(v) Whenever the prisoner review board ~~or the court~~ orders a person to be electronically monitored *pursuant to this section, or the court orders a person to be electronically monitored pursuant to subsection (r) of K.S.A. 2011 Supp. 21-6604, and amendments thereto*, the board ~~or court~~ shall order the person to reimburse the state for all or part of the cost of such monitoring. In determining the amount and method of payment of such sum, the board ~~or court~~ shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose.

(w)(1) On and after July 1, 2012, for any inmate who is a sex offender, as defined in K.S.A. 22-4902, and amendments thereto, whenever the prisoner review board orders the parole of such inmate or establishes conditions for such inmate placed on postrelease supervision, such inmate shall agree in writing to not possess pornographic materials.

The prisoner review board shall obtain the written agreement required by this subsection from such offenders as soon as practicable.

(1) A violation of K.S.A. 8-1567, and amendments thereto, and the juvenile: (A) Has previously participated in an immediate intervention program instead of prosecution of a complaint alleging a violation of that statute or an ordinance of a city in this state which prohibits the acts prohibited by that statute; (B) has previously been adjudicated of a violation of that statute or a violation of a law of another state or of a political subdivision of this or any other state, which law prohibits the acts prohibited by that statute; or (C) during the time of the alleged violation was involved in a motor vehicle accident or collision resulting in personal injury or death; or

(2) a violation of an off-grid crime, a severity level 1, 2 or 3 felony for nondrug crimes ~~or~~, a drug severity level 1 or 2 felony for drug crimes committed prior to July 1, 2012, or a drug severity level 1, 2 or 3 felony for drug crimes committed on or after July 1, 2012.

(c) An immediate intervention program may include a stipulation, agreed to by the juvenile, the juvenile's attorney and the attorney general or county or district attorney, of the facts upon which the charge is based and a provision that if the juvenile fails to fulfill the terms of the specific immediate intervention agreement and the immediate intervention proceedings are resumed, the proceedings, including any proceedings on appeal, shall be conducted on the record of the stipulation of facts.

(d) The county or district attorney may require the parent of a juvenile to be a part of the immediate intervention program.

(e) “Summons” means a written order issued by an intake and assessment worker or a law enforcement officer directing that a juvenile appear before a designated court at a stated time and place to answer a pending charge.

(f) The provisions of this section shall not be applicable in judicial districts that adopt district court rules pursuant to K.S.A. 20-342, and amendments thereto, for the administration of immediate intervention programs by the district court.

Sec. 46. K.S.A. 2011 Supp. 38-2347 is hereby amended to read as follows: 38-2347. (a) (1) Except as otherwise provided in this section, at any time after commencement of proceedings under this code against a juvenile and prior to the beginning of an evidentiary hearing at which the court may enter a sentence as provided in K.S.A. 2011 Supp. 38-2356, and amendments thereto, the county or district attorney or the county or district attorney’s designee may file a motion requesting that the court authorize prosecution of the juvenile as an adult under the applicable criminal statute. The juvenile shall be presumed to be a juvenile unless good cause is shown to prosecute the juvenile as an adult.

(2) The alleged juvenile offender shall be presumed to be an adult if the alleged juvenile offender was: (A) 14, 15, 16 or 17 years of age at the time of the offense or offenses alleged in the complaint, if any such offense: (i) If committed by an adult, would constitute an off-grid crime, a person felony, or a nondrug severity level 1 through 6 felony ~~or any~~; (ii) *committed prior to July 1, 2012, if committed by an adult prior to July 1, 2012, would constitute a drug severity level 1, 2 or 3 felony; (iii) committed on or after July 1, 2012, if committed by an adult on or after July 1, 2012, would constitute a drug severity level 1, 2, 3 or 4 felony; or* ~~(ii)~~ (iv) was committed while in possession of a firearm; or (B) charged with a felony or with more than one offense, one or more of which constitutes a felony, after having been adjudicated or convicted in a separate juvenile proceeding as having committed an offense which would constitute a felony if committed by an adult and the adjudications or convictions occurred prior to the date of the commission of the new act charged and prior to the beginning of an evidentiary hearing at which the court may enter a sentence as provided in K.S.A. 2011 Supp. 38-2356, and amendments thereto. If the juvenile is presumed to be an adult, the burden is on the juvenile to rebut the presumption by a preponderance of the evidence.

(3) At any time after commencement of proceedings under this code against a juvenile offender and prior to the beginning of an evidentiary hearing at which the court may enter a sentence as provided in K.S.A. 2011 Supp. 38-2356, and amendments thereto, the county or district at-

torney or the county or district attorney's designee may file a motion requesting that the court designate the proceedings as an extended jurisdiction juvenile prosecution.

(4) If the county or district attorney or the county or district attorney's designee files a motion to designate the proceedings as an extended jurisdiction juvenile prosecution and the juvenile was 14, 15, 16 or 17 years of age at the time of the offense or offenses alleged in the complaint and: (A) charged with an offense: (i) If committed by an adult, would constitute an off-grid crime, a person felony; or a nondrug severity level 1 through 6 felony ~~or any~~; (ii) *committed prior to July 1, 2012, if committed by an adult prior to July 1, 2012, would constitute a drug severity level 1, 2 or 3 felony*; (iii) *committed on or after July 1, 2012, if committed by an adult on or after July 1, 2012, would constitute a drug severity level 1, 2, 3 or 4 felony*; or ~~(iii)~~ (iv) was committed while in possession of a firearm; or (B) charged with a felony or with more than, one offense, one or more of which constitutes a felony, after having been adjudicated or convicted in a separate juvenile proceeding as having committed an act which would constitute a felony if committed by an adult and the adjudications or convictions occurred prior to the date of the commission of the new offense charged, the burden is on the juvenile to rebut the designation of an extended jurisdiction juvenile prosecution by a preponderance of the evidence. In all other motions requesting that the court designate the proceedings as an extended jurisdiction juvenile prosecution, the juvenile is presumed to be a juvenile. The burden of proof is on the prosecutor to prove the juvenile should be designated as an extended jurisdiction juvenile.

(b) The motion also may contain a statement that the prosecuting attorney will introduce evidence of the offenses alleged in the complaint and request that, on hearing the motion and authorizing prosecution as an adult or designating the proceedings as an extended jurisdiction juvenile prosecution under this code, the court may make the findings required in a preliminary examination provided for in K.S.A. 22-2902, and amendments thereto, and the finding that there is no necessity for further preliminary examination.

(c) (1) Upon receiving the motion, the court shall set a time and place for hearing. The court shall give notice of the hearing to the juvenile, each parent, if service is possible, and the attorney representing the juvenile. The motion shall be heard and determined prior to any further proceedings on the complaint.

(2) At the hearing, the court shall inform the juvenile of the following:

- (A) The nature of the charges in the complaint;
- (B) the right of the juvenile to be presumed innocent of each charge;
- (C) the right to trial without unnecessary delay and to confront and cross-examine witnesses appearing in support of the allegations of the complaint;

(D) the right to subpoena witnesses;
(E) the right of the juvenile to testify or to decline to testify; and
(F) the sentencing alternatives the court may select as the result of the juvenile being prosecuted under an extended jurisdiction juvenile prosecution.

(d) If the juvenile fails to appear for hearing on the motion after having been served with notice of the hearing, the court may hear and determine the motion in the absence of the juvenile. If the court is unable to obtain service of process and give notice of the hearing, the court may hear and determine the motion in the absence of the alleged juvenile offender after having given notice of the hearing at least once a week for two consecutive weeks in the official county newspaper of the county where the hearing will be held.

(e) In determining whether or not prosecution as an adult should be authorized or designating the proceeding as an extended jurisdiction juvenile prosecution, the court shall consider each of the following factors:

(1) The seriousness of the alleged offense and whether the protection of the community requires prosecution as an adult or designating the proceeding as an extended jurisdiction juvenile prosecution;

(2) whether the alleged offense was committed in an aggressive, violent, premeditated or willful manner;

(3) whether the offense was against a person or against property. Greater weight shall be given to offenses against persons, especially if personal injury resulted;

(4) the number of alleged offenses unadjudicated and pending against the juvenile;

(5) the previous history of the juvenile, including whether the juvenile had been adjudicated a juvenile offender under this code or the Kansas juvenile justice code and, if so, whether the offenses were against persons or property, and any other previous history of antisocial behavior or patterns of physical violence;

(6) the sophistication or maturity of the juvenile as determined by consideration of the juvenile's home, environment, emotional attitude, pattern of living or desire to be treated as an adult;

(7) whether there are facilities or programs available to the court which are likely to rehabilitate the juvenile prior to the expiration of the court's jurisdiction under this code; and

(8) whether the interests of the juvenile or of the community would be better served by criminal prosecution or extended jurisdiction juvenile prosecution.

The insufficiency of evidence pertaining to any one or more of the factors listed in this subsection, in and of itself, shall not be determinative of the issue. Subject to the provisions of K.S.A. 2011 Supp. 38-2354, and amendments thereto, written reports and other materials relating to the

juvenile's mental, physical, educational and social history may be considered by the court.

(f) (1) The court may authorize prosecution as an adult upon completion of the hearing if the court finds from a preponderance of the evidence that the alleged juvenile offender should be prosecuted as an adult for the offense charged. In that case, the court shall direct the alleged juvenile offender be prosecuted under the applicable criminal statute and that the proceedings filed under this code be dismissed.

(2) The court may designate the proceeding as an extended jurisdiction juvenile prosecution upon completion of the hearing if the juvenile has failed to rebut the presumption or the court finds from a preponderance of the evidence that the juvenile should be prosecuted under an extended jurisdiction juvenile prosecution.

(3) After a proceeding in which prosecution as an adult is requested pursuant to subsection (a)(2), and prosecution as an adult is not authorized, the court may designate the proceedings to be an extended jurisdiction juvenile prosecution.

(4) A juvenile who is the subject of an extended jurisdiction juvenile prosecution shall have the right to a trial by jury, to the effective assistance of counsel and to all other rights of a defendant pursuant to the Kansas code of criminal procedure. Each court shall adopt local rules to establish the basic procedures for extended jurisdiction juvenile prosecution in such court's jurisdiction.

(g) If the juvenile is present in court and the court also finds from the evidence that it appears a felony has been committed and that there is probable cause to believe the felony has been committed by the juvenile, the court may direct that there is no necessity for further preliminary examination on the charges as provided for in K.S.A. 22-2902, and amendments thereto. In that case, the court shall order the juvenile bound over to the district judge having jurisdiction to try the case.

(h) If the juvenile is convicted, the authorization for prosecution as an adult shall attach and apply to any future prosecutions of the juvenile which are or would be cognizable under this code. If the juvenile is not convicted, the authorization for prosecution as an adult shall not attach and shall not apply to future prosecutions of the juvenile which are or would be cognizable under this code.

(i) If the juvenile is prosecuted as an adult under subsection (a)(2) and is not convicted in adult court of an offense listed in subsection (a)(2) but is convicted or adjudicated of a lesser included offense, the juvenile shall be a juvenile offender and receive a sentence pursuant to K.S.A. 2011 Supp. 38-2361, and amendments thereto.

Nothing in this section shall create a cause of action against the state or county or an employee of the state or county acting within the scope of the employee's employment as a result of the failure to notify pursuant to this section.

(c) Upon receipt of the notice required by subsection (b), the court shall review the terms of the proposed conditional release and may recommend modifications or additions to the terms.

(d) If, during the conditional release, the juvenile offender is not returning to the county from which committed, the person in charge of the juvenile correctional facility shall also give notice to the court of the county in which the juvenile offender is to be residing.

(e) To assure compliance with conditional release from a juvenile correctional facility, the commissioner shall have the authority to prescribe the manner in which compliance with the conditions shall be supervised. When requested by the commissioner, the appropriate court may assist in supervising compliance with the conditions of release during the term of the conditional release. The commissioner may require the

parent of the juvenile offender to cooperate and participate with the conditional release.

(f) For acts committed before July 1, 1999, the juvenile justice authority shall notify at least 45 days prior to the discharge of the juvenile offender the county or district attorney of the county where the offender was adjudicated a juvenile offender of the release of such juvenile offender, if such juvenile offender's offense would have constituted a class A, B or C felony before July 1, 1993, or an off-grid crime, a nondrug crime ranked at severity level 1, 2, 3, 4 or 5 or a drug crime ranked at severity level 1, 2 or 3, on or after July 1, 1993, *or a drug crime ranked at severity level 4 on or after July 1, 2012*, if committed by an adult. The county or district attorney shall give written notice at least 30 days prior to the release of the juvenile offender to: (1) Any victim of the juvenile offender's crime who is alive and whose address is known to the court or, if the victim is deceased, to the victim's family if the family's address is known to the court; and (2) the local law enforcement agency. Failure to notify pursuant to this section shall not be a reason to postpone a release. Nothing in this section shall create a cause of action against the state or county or an employee of the state or county acting within the scope of the employee's employment as a result of the failure to notify pursuant to this section.

(g) Conditional release programs shall include, but not be limited to, the treatment options of aftercare services.

Sec. 49. K.S.A. 2011 Supp. 38-2376 is hereby amended to read as follows: 38-2376. (a) When a juvenile offender has reached the age of 23 years, has been convicted as an adult while serving a term of incarceration at a juvenile correctional facility, or has completed the prescribed terms of incarceration at a juvenile correctional facility, together with any conditional release following the program, the juvenile shall be discharged by the commissioner from any further obligation under the commitment unless the juvenile was sentenced pursuant to an extended jurisdiction juvenile prosecution upon court order and the commissioner transfers the juvenile to the custody of the secretary of corrections. The discharge shall operate as a full and complete release from any obligations imposed on the juvenile offender arising from the offense for which the juvenile offender was committed.

(b) At least 45 days prior to the discharge of the juvenile offender, the juvenile justice authority shall notify the court and the county or district attorney of the county where the offender was adjudicated a juvenile offender of the pending discharge of such juvenile offender, the offense would have constituted a class A, B or C felony before July 1, 1993, or an off-grid crime, a nondrug crime ranked at severity level 1, 2, 3, 4 or 5 or a drug crime ranked at severity level 1, 2 or 3, on or after July 1, 1993, *or a drug crime ranked at severity level 4 on or after July 1,*

shall happen as a result of the application or fault of the defendant; or a continuance shall be ordered by the court under subsection ~~(5)(e)~~.

~~(2)(b)~~ If any person charged with a crime and held to answer on an appearance bond shall not be brought to trial within 180 days after arraignment on the charge, such person shall be entitled to be discharged from further liability to be tried for the crime charged, unless the delay shall happen as a result of the application or fault of the defendant, or a continuance shall be ordered by the court under subsection ~~(5)(e)~~.

~~(3)(c)~~ If any trial scheduled within the time limitation prescribed by subsection ~~(1) or (2)(a) or (b)~~ is delayed by the application of or at the request of the defendant, the trial shall be rescheduled within 90 days of the original trial deadline.

~~(4)(d)~~ After any trial date has been set within the time limitation prescribed by subsection ~~(1) or (2)(a), (b) or (c)~~, if the defendant fails to appear for the trial or any pretrial hearing, and a bench warrant is ordered, the trial shall be rescheduled within 90 days after the defendant has ~~been surrendered~~ *appeared in court after apprehension or surrender* on such warrant. However, if the defendant was subject to the 180-day deadline prescribed by subsection ~~(2)(b)~~ and more than 90 days of the original time limitation remain, then the original time limitation remains in effect.

~~(5)(e)~~ For those situations not otherwise covered by subsection (a), (b) or (c), the time for trial may be extended ~~beyond the limitations of subsections (1) and (2)~~ for any of the following reasons:

~~(a)(1)~~ The defendant is incompetent to stand trial. If the defendant is subsequently found to be competent to stand trial, the trial shall be scheduled *as soon as practicable and in any event* within 90 days of such finding;

~~(b)(2)~~ A proceeding to determine the defendant's competency to stand trial is pending ~~and a determination thereof may not be completed within the time limitations fixed for trial by this section~~. If the defendant is subsequently found to be competent to stand trial, the trial shall be scheduled *as soon as practicable and in any event* within 90 days of such finding. *However, if the defendant was subject to the 180-day deadline prescribed by subsection (b) and more than 90 days of the original time limitation remain, then the original time limitation remains in effect. The time that a decision is pending on competency shall never be counted against the state;*

~~(c)(3)~~ There is material evidence which is unavailable; that reasonable efforts have been made to procure such evidence; and that there are reasonable grounds to believe that such evidence can be obtained and trial commenced within the next succeeding 90 days. Not more than one continuance may be granted the state on this ground, unless for good cause shown, where the original continuance was for less than 90 days, and the trial is commenced within 120 days from the original trial date;

~~(d)(4)~~ Because of other cases pending for trial, the court does not

have sufficient time to commence the trial of the case within the time fixed for trial by this section. Not more than one continuance of not more than 30 days may be ordered upon this ground.

~~(e)~~(f) In the event a mistrial is declared, *a motion for new trial is granted* or a conviction is reversed on appeal to the supreme court or court of appeals, the time limitations provided for herein shall commence to run from the date the mistrial is declared, *the date a new trial is ordered* or the date the mandate of the supreme court or court of appeals is filed in the district court.

(g) *If a defendant, or defendant's attorney in consultation with the defendant, requests a delay and such delay is granted, the delay shall be charged to the defendant regardless of the reasons for making the request, unless there is prosecutorial misconduct related to such delay. If a delay is initially attributed to the defendant, but is subsequently charged to the state for any reason, such delay shall not be considered against the state under subsection (a), (b) or (c) and shall not be used as a ground for dismissing a case or for reversing a conviction unless not considering such delay would result in a violation of the constitutional right to a speedy trial or there is prosecutorial misconduct related to such delay.*

(h) *When a scheduled trial is scheduled within the period allowed by subsection (a), (b) or (c) and is delayed because a party has made or filed a motion, or because the court raises a concern on its own, the time elapsing from the date of the making or filing of the motion, or the court's raising a concern, until the matter is resolved by court order shall not be considered when determining if a violation under subsection (a), (b) or (c) has occurred. If the resolution of such motion or concern by court order occurs at a time when less than 30 days remains under the provisions of subsection (a), (b) or (c), the time in which the defendant shall be brought to trial is extended 30 days from the date of the court order.*

(i) *If the state requests and is granted a delay for any reason provided in this statute, the time elapsing because of the order granting the delay shall not be subsequently counted against the state if an appellate court later determines that the district court erred by granting the state's request unless not considering such delay would result in a violation of the constitutional right to a speedy trial or there is prosecutorial misconduct related to such delay.*

Sec. 5. K.S.A. 22-3402 and K.S.A. 2011 Supp. 21-5107, 21-5109 and 21-5909 are hereby repealed.

On or before January 15, 2014, the state board of education shall prepare and submit a report to the legislature on the findings of such study and whether the state board of education intends to initiate implementing such requirements.

(b) For purposes of this section, the term “individual career plan of study” means a proposed individualized coherent sequence of classes focused on a career pathway that will enable seamless transition into a postsecondary program.

(c) The provisions of this section shall take effect and be in force from and after July 1, 2013.

New Sec. 2. (a) The state board of regents shall establish the career technical education incentive program.

(b) (1) Each school year, to the extent there are sufficient moneys appropriated to the career technical education incentive program, the state board of regents shall make an award to those school districts who have at least one pupil who graduates from a high school in the school district having obtained an industry-recognized credential in an occupation that has been identified by the secretary of labor, in consultation with the state board of regents and the state board of education, as an occupation in highest need of additional skilled employees at the time the pupil entered the career technical education course or program in the school district. Such school districts shall receive an award in an amount equal to \$1,000 for each such pupil graduating from a high school in the school district. Such awards shall be paid at such times as established by the state board of regents. Such awards shall be expended for the expenses incurred by the board of education of the school district under subsection (b)(2), and any moneys remaining after distribution in accordance with subsection (b)(2) may be expended as determined by the board

of education of a school district towards operating the school from which the pupils graduated. Upon receipt of such award and application by a pupil who has not attained a high school diploma and is currently or was previously enrolled in a career technical education course or program in the school district, the board of education of each school district shall pay $\frac{1}{2}$ of the costs of the industry-recognized credential assessment specified in such application in an amount not to exceed \$1,000. Such industry-recognized credential assessment shall be related to the career technical education course or program which such pupil is currently or was previously enrolled as determined by the board of education. No board of education shall be required to pay $\frac{1}{2}$ of the cost of three or more industry-recognized credential assessments for the same or substantially the same industry-recognized credential for a pupil if such pupil fails to earn the industry-recognized credential within two attempts of taking the industry-recognized credential assessment.

(2) The state board of education shall certify to the state board of regents and the director of accounts and reports the amounts due to each school district pursuant to this subsection. Such certification, and the amount payable, shall be approved by the director of the budget. The director of accounts and reports shall draw warrants on the state treasurer payable to the district treasurer of each school district entitled to payment of such award amount, pursuant to vouchers approved by the state board of regents. The purpose of such award is to reimburse such community college, technical college or institute of technology for paying $\frac{1}{2}$ of the costs of an industry-recognized credential assessment in an occupation that has been identified by the secretary of labor, in consultation with the state board of regents and the state board of education, as an occupation in highest need of additional skilled employees at the time the secondary student was admitted into such career technical education course or program. Upon receipt of such award and application by a secondary student who is currently or was previously enrolled in a career technical education course or program in accordance with subsection (c) of K.S.A. 72-4417, and amendments thereto, and is regularly enrolled in and attending a private secondary school, the governing body of the community college, technical

college or the institute of technology which admitted such secondary student shall pay $\frac{1}{2}$ of the costs of the industry-recognized credential assessment specified in such application in an amount not to exceed \$1,000. Such industry-recognized credential assessment shall be related to the career technical education course or program in which such secondary student is currently or was previously enrolled as determined by such governing body of a community college, technical college or institute of technology. No governing body of a community college, technical college or institute of technology shall be required to pay $\frac{1}{2}$ of the cost of three or more industry-recognized credential assessments for the same or substantially the same industry-recognized credential for a secondary student if such secondary student fails to earn the industry-recognized credential within two attempts of taking the industry-recognized credential assessment.

(2) Each governing body of a community college, technical college or institute of technology shall certify to the state board of regents the amount of any payments such community college, technical college or institute of technology will pay based on applications submitted by students pursuant to paragraph (1). The certification shall be on a form prescribed and furnished by the state board of regents, shall contain such information as the state board of regents shall require and shall be filed at the time specified by the state board of regents.

(3) In each school year, each governing body of a community college, technical college or institute of technology is entitled to receive from appropriations for the career technical education incentive program an amount which is equal to the amount certified to the state board of regents in accordance with the provisions of paragraph (2). The state board of regents shall certify to the director of accounts and reports the amount due each governing body of a community college, technical college or institute of technology. The director of accounts and reports shall draw warrants on the state treasurer payable to the treasurer of each governing body of a community college, technical college or institute of technology entitled to payment under this subsection upon vouchers approved by the state board of regents.

(4) Moneys received by a state board of regents under this subsection shall be deposited in the postsecondary technical education fund of each community college and at Washburn university for the Washburn institute of technology or the general operating fund in the technical college in accordance with K.S.A. 2011 Supp. 71-1808, and amendments thereto, and shall be considered reimbursements to the community college, technical college or institute of technology.

(d) Each school year, at such time as agreed to by the secretary of labor, the president of the state board of regents and the commissioner of education, the secretary shall provide the state board of regents and the state board of education with a list of those occupations in highest

need of additional skilled employees. If the occupations identified in such list are not substantially the same as those occupations identified in the list from the prior year, reasonable notice of such changes shall be provided to school districts, community colleges, technical colleges and the institute of technology.

(e) The state board of regents and the state board of education, jointly, may adopt such rules and regulations necessary to implement and carry out the provisions of this section.

New Sec. 3. (a) Provided a particular career technical education program is not offered in a particular service area, the governing board of a community college, technical college or institute of technology located outside such service area, in coordination with one or more school districts located within such service area, may apply to the state board of regents for permission to establish such career technical education program to be taught at a location in such service area. An application for such permission shall be submitted in such form and manner as prescribed by the state board of regents. In reviewing any such application, the state board of regents shall consider the ability and willingness of any postsecondary educational institution located in such service area to offer such career technical education program. If no such career technical education program is offered in such service area and no postsecondary educational institution located in such service area intends to offer such career technical education program, then the board of regents may approve such application to establish such career technical education program. Upon approval of its application by the state board of regents, the governing board of a community college, technical college or institute of technology may purchase or otherwise acquire land or land and improvements in such service area for the purpose of providing such career technical educational program.

(b) The state board of regents may adopt such rules and regulations necessary to administer the provisions of this section.

(c) For purposes of this section:

(b) For the purposes of this section, the term “articulation agreement” means an agreement entered into to provide for the transferability of substantially equivalent courses of study or programs.

New Sec. 5. On or before January 15, 2014, the state board of education shall prepare a report to the legislature proposing a strategy and proposed plan for providing state aid to career technical education programs or courses in school districts. In preparing such report, the state board of education shall consider the funding scheme under the postsecondary tiered technical education state aid act. The report shall include, but not be limited to, recommendations for legislative changes and estimates of the cost to the state of implementing such changes.

New Sec. 6. (a) If a pupil submits an application for free meals under the national school lunch act on or before the date on which the enrollment of the school district is calculated and it is later determined by the school district or the department of education that the pupil should not have been eligible for free meals, the district or the department shall notify the state board of such determination. Except as provided in subsection (b), upon receipt of such notice, the state board shall recompute the adjusted enrollment of the district and the general fund budget of the district based on the adjusted enrollment of the district excluding the at-risk pupil weighting and high density at-risk pupil weighting, if any, assigned to such pupil.

(b) If a pupil becomes ineligible to receive free meals under the national school lunch act for failure to submit, in a timely manner, any documentation necessary for verification of eligibility as required by the national school lunch act, but subsequently submits such documentation, such pupil shall not be excluded from the calculation of the adjusted enrollment of the district if the district forwards a copy of such documentation to the state board no later than January 14 of the school year.

(c) This section shall be part of and supplemental to the school district finance and quality performance act. This section shall be applicable to school year 2012-2013 and each school year thereafter.

Any lease-purchase agreement entered into under authority of this subsection shall be subject to the conditions set forth in K.S.A. 10-1116c, and amendments thereto. The term of any lease entered into under authority of this subsection may be for not to exceed 10 years. Such lease may provide for annual or other payment of rent or rental fees and may obligate the community college to payment of maintenance or other expenses. Any lease or lease-purchase agreement

entered into under authority of this subsection shall be subject to change or termination at any time by the legislature. Any assignment of rights in any lease or lease-purchase made under this subsection shall contain a citation of this section and a recitation that the lease or lease-purchase agreement and assignment thereof are subject to change or termination by the legislature. The board of trustees may authorize the employee designated to maintain any petty cash fund to make a claim for replenishment of the fund to its original amount in advance of approval by the board of trustees if, at any time during the period between regular monthly meetings of the board of trustees, the balance remaining in the fund is insufficient to make needed expenditures for any purpose for which the petty cash fund is maintained. No petty cash fund may be replenished more than one time during each period between regular monthly meetings of the board of trustees. If a petty cash fund is replenished prior to the end of the fiscal year in accordance with the foregoing authorization, the employee authorized to maintain the petty cash fund shall keep an accurate record of all expenditures made therefrom, and the purpose therefor, and shall submit the record to the board of trustees at the next regular monthly meeting thereof. The petty cash fund shall be replenished by payment from the appropriate funds of the community college to the petty cash fund upon proper claim. The fund shall be kept separate from all other funds and shall be used only for authorized expenditures and itemized receipts shall be taken for each expenditure. If any increase in the valuation of a community college district results in an outstanding bonded indebtedness in excess of that provided in this subsection, such increase shall not constitute a violation of this subsection. No such bonds shall be issued until the question of their issuance shall have been submitted to a vote of the electors of the community college district at a regular election or at a special election called for that purpose and the majority of the electors voting on the proposition in such community college district shall have voted in favor of the issuance of the bonds. Such election shall be called, noticed and held and the bonds issued, sold, delivered and retired in accordance with the provisions of the general bond law except as herein otherwise expressly provided.

Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on

probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2011 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid

block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and ~~amendment~~ *amendments* thereto, or a community intermediate sanction center. Pursuant to this paragraph the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp's or a community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) The court in committing a defendant to the custody of the secretary of corrections shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person

may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

(1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, or for an offense which is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and such offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2011 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of K.S.A. 2011 Supp. 21-6805, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2011 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2011 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2011 Supp. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in K.S.A. 2011 Supp. 21-6805, and amendments thereto. For those offenders who are convicted on or after July 1, 2003, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of postrelease supervision. The amount of time spent participating

in such program shall not be credited as service on the underlying prison sentence.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2011 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator, of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a

valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" means the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2011 Supp. 22-4616, and amendments thereto, the court shall require the defendant to: (1) Undergo a domestic violence offender assessment ~~and conducted by a certified batterer intervention program;~~ and (2) follow all recommendations ~~made by such program,~~ unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence *offender* assessment ~~and any other evaluation~~ to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to \$5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become

due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2011 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, the court shall order that the defendant be electronically monitored upon release from imprisonment for the duration of the defendant's natural life and that the defendant shall reimburse the state for all or part of the cost of such monitoring as determined by the prisoner review board.

Sec. 17. K.S.A. 22-4616 is hereby amended to read as follows: 22-4616. (a) On and after July 1, 2011, in all criminal cases *filed in the district court*, if there is evidence that the defendant committed a domestic violence offense, the trier of fact shall determine whether the defendant committed a domestic violence offense. *On and after July 1, 2013, in all criminal cases filed in the municipal court, if there is evidence that the defendant committed a domestic violence offense, the trier of fact shall determine whether the defendant committed a domestic violence offense.*

(1) Except as provided further, if the trier of fact determines that the defendant committed a domestic violence offense, the court shall place a domestic violence designation on the criminal case and the defendant shall be subject to the provisions of subsection (p) of K.S.A. 2011 Supp. 21-6604, and amendments thereto.

(2) The court shall not place a domestic violence designation on the criminal case and the defendant shall not be subject to the provisions of subsection (p) of K.S.A. 2011 Supp. 21-6604, and amendments thereto, only if the court finds on the record that:

(A) The defendant has not previously committed a domestic violence offense or participated in a diversion upon a complaint alleging a domestic violence offense; and

Sec. 41. K.S.A. 2011 Supp. 23-2717 is hereby amended to read as follows: 23-2717. If a party fails to comply with a provision of a decree, temporary order or injunction issued under ~~K.S.A. 2011 Supp. 23-2701~~

~~through 23-2718, 23-2802, 23-2901 through 23-2905, 23-3001 through 23-3006, 23-3119, 23-3120, 23-3201 through 23-3222, 23-3301, 23-3402, 23-3403, 23-3510 and 28-179~~ articles 27 through 38 of chapter 23 of the *Kansas Statutes Annotated*, and amendments thereto, the obligation of the other party to make payments for support or maintenance or to permit visitation or parenting time is not suspended, but the other party may request by motion that the court grant an appropriate order.

Sec. 42. K.S.A. 2011 Supp. 23-2802 is hereby amended to read as follows: 23-2802. (a) ~~The decree~~ *A decree under section 24, and amendments thereto*, shall divide the real and personal property of the parties, including any retirement and pension plans, whether owned by either spouse prior to marriage, acquired by either spouse in the spouse's own right after marriage or acquired by the spouses' joint efforts, by: (1) A division of the property in kind; (2) awarding the property or part of the property to one of the spouses and requiring the other to pay a just and proper sum; or (3) ordering a sale of the property, under conditions prescribed by the court, and dividing the proceeds of the sale.

(b) Upon request, the trial court shall set a valuation date to be used for all assets at trial, which may be the date of separation, filing or trial as the facts and circumstances of the case may dictate. The trial court may consider evidence regarding changes in value of various assets before and after the valuation date in making the division of property. In dividing defined-contribution types of retirement and pension plans, the court shall allocate profits and losses on the nonparticipant's portion until date of distribution to that nonparticipant.

(c) In making the division of property the court shall consider: (1) The age of the parties; (2) the duration of the marriage; (3) the property owned by the parties; (4) their present and future earning capacities; (5) the time, source and manner of acquisition of property; (6) family ties and obligations; (7) the allowance of maintenance or lack thereof; (8) dissipation of assets; (9) the tax consequences of the property division upon the respective economic circumstances of the parties; and (10) such other factors as the court considers necessary to make a just and reasonable division of property.

(d) The decree shall provide for any changes in beneficiary designation on: (1) Any insurance or annuity policy that is owned by the parties, or in the case of group life insurance policies, under which either of the parties is a covered person; (2) any trust instrument under which one party is the grantor or holds a power of appointment over part or all of the trust assets, that may be exercised in favor of either party; or (3) any transfer on death or payable on death account under which one or both of the parties are owners or beneficiaries.

Nothing in this section shall relieve the parties of the obligation to effectuate any change in beneficiary designation by the filing of such

change with the insurer or issuer in accordance with the terms of such policy.

Sec. 43. K.S.A. 2011 Supp. 23-2902 is hereby amended to read as follows: 23-2902. (a) ~~Any decree of divorce or separate maintenance~~ *A decree under section 24, and amendments thereto*, may award to either party an allowance for future support denominated as maintenance, in an amount the court finds to be fair, just and equitable under all of the circumstances.

(b) Maintenance may be in a lump sum, in periodic payments, on a percentage of earnings or on any other basis.

(c) ~~The decree~~ *A decree under section 24, and amendments thereto*, may make the future payments modifiable or terminable under circumstances prescribed in the decree.

Sec. 44. K.S.A. 2011 Supp. 23-2905 is hereby amended to read as follows: 23-2905. (a) Except for good cause shown, every order requiring payment of maintenance under this ~~section~~ *article* shall require that the maintenance be paid through the central unit for collection and disbursement of support payments designated pursuant to K.S.A. 2011 Supp. 39-7,135, and amendments thereto. A written agreement between the parties to make direct maintenance payments to the obligee and not pay through the central unit shall constitute good cause.

(b) If child support and maintenance payments are both made to an obligee by the same obligor, and if the court has made a determination concerning the manner of payment of child support, then maintenance payments shall be paid in the same manner.

Sec. 45. K.S.A. 2011 Supp. 23-3001 is hereby amended to read as follows: 23-3001. (a) In any action ~~for divorce or separate maintenance under article 27 of chapter 23 of the Kansas Statutes Annotated, and amendments thereto~~, the court shall make provisions for the support and education of the minor children.

(b) Regardless of the type of custodial arrangement ordered by the court, the court may order the child support and education expenses to be paid by either or both parents for any child less than 18 years of age, at which age the support shall terminate unless:

(1) The parent or parents agree, by written agreement approved by the court, to pay support beyond the time the child reaches 18 years of age;

(2) the child reaches 18 years of age before completing the child's high school education in which case the support shall not terminate automatically, unless otherwise ordered by the court, until June 30 of the school year during which the child became 18 years of age if the child is still attending high school; or

(3) the child is still a *bona fide* high school student after June 30 of the school year during which the child became 18 years of age, in which

case the court, on motion, may order support to continue through the school year during which the child becomes 19 years of age so long as the child is a *bona fide* high school student and the parents jointly participated or knowingly acquiesced in the decision which delayed the child's completion of high school. The court, in extending support pursuant to subsection (b)(3), may impose such conditions as are appropriate and shall set the child support utilizing the guideline table category for 12-year through 18-year old children. For purposes of this section, "*bona fide* high school student" means a student who is enrolled in full accordance with the policy of the accredited high school in which the student is pursuing a high school diploma or a graduate equivalency diploma (GED).

(c) Provision for payment of support and educational expenses of a child after reaching 18 years of age if still attending high school shall apply to any child subject to the jurisdiction of the court, including those whose support was ordered prior to July 1, 1992. If an agreement approved by the court prior to July 1, 1992, provides for termination of support before the date provided by subsection (b)(3), the court may review and modify such agreement, and any order based on such agreement, to extend the date for termination of support to the date provided by subsection (b)(3).

Sec. 46. K.S.A. 2011 Supp. 23-3004 is hereby amended to read as follows: 23-3004. Except for good cause shown, every order requiring payment of child support under this ~~section~~ *article* shall require that the support be paid through the central unit for collection and disbursement of support payments designated pursuant to K.S.A. 2011 Supp. 39-7,135, and amendments thereto. A written agreement between the parties to make direct child support payments to the obligee and not pay through the central unit shall constitute good cause, unless the court finds the agreement is not in the best interest of the child or children. The obligor shall file such written agreement with the court. The obligor shall maintain written evidence of the payment of the support obligation and, at least annually, shall provide such evidence to the court and the obligee.

Sec. 47. K.S.A. 2011 Supp. 23-3005 is hereby amended to read as follows: 23-3005. (a) *Subject to the provisions of K.S.A. 23-36,207, and amendments thereto*, the court may modify or change any prior *child support* order, including any order issued in a title IV-D case, within three years of the date of the original order or a modification order, when a material change in circumstances is shown, irrespective of the present domicile of the child or the parents. If more than three years has passed since the date of the original order or modification order, a material change in circumstance need not be shown.

(b) The court may make a modification of child support retroactive to a date at least one month after the date that the motion to modify was

filed with the court. Any increase in support ordered effective prior to the date the court's judgment is filed shall not become a lien on real property pursuant to K.S.A. 60-2202, and amendments thereto.

Sec. 48. K.S.A. 2011 Supp. 23-3207 is hereby amended to read as follows: 23-3207. After making a determination of the legal custodial arrangements, the court shall determine the residency of the child from the following options, which arrangement the court must find to be in the best interest of the child. The parties shall submit to the court either an agreed parenting plan or, in the case of dispute, proposed parenting plans for the court's consideration. Such options are:

(a) *Residency*. The court may order a residential arrangement in which the child resides with one or both parents on a basis consistent with the best interests of the child.

(b) *Divided residency*. In an exceptional case, the court may order a residential arrangement in which one or more children reside with each parent and have parenting time with the other.

(c) *Nonparental residency*. If during the proceedings the court determines that there is probable cause to believe that the child is a child in need of care as defined by subsections (d)(1), (d)(2), (d)(3) or (d)(11) of K.S.A. 2011 Supp. 38-2202, and amendments thereto, or that neither parent is fit to have residency, the court may award temporary residency of the child to a grandparent, aunt, uncle or adult sibling, or, another person or agency if the court finds by written order that:

(1) (A) The child is likely to sustain harm if not immediately removed from the home;

(B) allowing the child to remain in the home is contrary to the welfare of the child; or

(C) immediate placement of the child is in the best interest of the child; and

(2) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety of the child. In making such a residency order, the court shall give preference, to the extent that the court finds it is in the best interests of the child, first to awarding such residency to a relative of the child by blood, marriage or adoption and second to awarding such residency to another person with whom the child has close emotional ties. The court may make temporary orders for care, support, education and visitation that it considers appropriate. Temporary residency orders are to be entered in lieu of temporary orders provided for in K.S.A. 2011 Supp. 38-2243 and 38-2244, and amendments thereto, and shall remain in effect until there is a final determination under the revised Kansas code for care of children. An award of temporary residency under this paragraph shall not terminate parental rights nor give the court the authority to consent to the adoption of the

child. When the court enters orders awarding temporary residency of the child to an agency or a person other than the parent, the court shall refer a transcript of the proceedings to the county or district attorney. The county or district attorney shall file a petition as provided in K.S.A. 2011 Supp. 38-2234, and amendments thereto, and may request termination of parental rights pursuant to K.S.A. 2011 Supp. 38-2266, and amendments thereto. The costs of the proceedings shall be paid from the general fund of the county. When a final determination is made that the child is not a child in need of care, the county or district attorney shall notify the court in writing and the court, after a hearing, shall enter appropriate custody orders pursuant to this ~~section~~ *article*. If the same judge presides over both proceedings, the notice is not required. Any ~~disposition order~~ pursuant to the revised Kansas code for care of children shall be ~~binding and shall supersede~~ *take precedence over* any order under this ~~section~~ *article*.

Sec. 49. K.S.A. 2011 Supp. 23-3208 is hereby amended to read as follows: 23-3208. (a) *Parents*. A parent is entitled to reasonable parenting time unless the court finds, after a hearing, that the exercise of parenting time would seriously endanger the child's physical, mental, moral or emotional health.

(b) *Enforcement of rights*. An order granting ~~visitation rights or~~ parenting time ~~pursuant to this section~~ *under this article* may be enforced in accordance with the uniform child custody jurisdiction and enforcement act, or K.S.A. 2011 Supp. 23-3401, and amendments thereto.

(c) *Court-ordered exchange or parenting time at a child exchange and visitation center*. The court may order exchange or ~~visitation~~ *parenting time* to take place at a child exchange and visitation center, as established in K.S.A. 75-720, and amendments thereto.

Sec. 50. K.S.A. 2011 Supp. 23-3215 is hereby amended to read as follows: 23-3215. (a) A parent entitled to legal custody of, or residency of, or parenting time with a child pursuant to K.S.A. 2011 Supp. ~~23-2712, 23-2715, 23-2716, 23-2802, 23-2902 through 23-2605, 23-3001 through 23-3006, 23-3201 through 23-3207, 23-3216~~ and 23-3218, and amendments thereto, shall give written notice to the other parent of one or more of the following events when such parent: (1) Is subject to the registration requirements of the Kansas offender registration act, K.S.A. 22-4901 *et seq.*, and amendments thereto, or any similar act in any other state, or under military or federal law; (2) has been convicted of abuse of a child, K.S.A. 21-3609, prior to its repeal, or K.S.A. 2011 Supp. 21-5602, and amendments thereto; (3) is residing with an individual who is known by the parent to be subject to the registration requirements of the Kansas offender registration act, K.S.A. 22-4901 *et seq.*, and amendments thereto, or any similar act in any other state, or under military or federal law; or (4) is residing with an individual who is known by the parent to

have been convicted of abuse of a child, K.S.A. 21-3609, prior to its repeal, or K.S.A. 2011 Supp. 21-5602, and amendments thereto. Such notice shall be sent by restricted mail, return receipt requested, to the last known address of the other parent within 14 days following such event.

(b) Failure to give notice as required by subsection (a) is an indirect civil contempt punishable as provided by law. In addition, the court may assess, against the parent required to give notice, reasonable attorney fees and any other expenses incurred by the other parent by reason of the failure to give notice.

(c) An event described in subsection (a) may be considered a material change of circumstances which justifies modification of a prior order of legal custody, residency, child support or parenting time.

Sec. 51. K.S.A. 2011 Supp. 23-3219 is hereby amended to read as follows: 23-3219. If the court finds that the allegations set forth in the motion or the accompanying affidavit fail to establish a *prima facie* case, the court shall deny the motion. If the court finds that the motion establishes a *prima facie* case, the matter may be tried on factual issues.

(b) In the event the court is asked to issue an *ex parte* order modifying a final child custody or residential placement order based on alleged emergency circumstances, the court shall:

(1) Attempt to have the nonmoving party's counsel, if any, present before taking up the matter.

(2) Set the matter for review hearing at the earliest possible court setting after issuance of the *ex parte* order, but in no case later than 15 days after issuance.

(3) Require personal service of the order and notice of review hearing on the nonmoving party.

No *ex parte* order modifying a final custody or residential placement order shall be entered without sworn testimony to support a showing of the alleged emergency.

(c) Any party may petition the court to modify an order granting ~~visitation rights or~~ parenting time to require that the exchange or transfer of children for ~~visitation or~~ parenting time take place at a child exchange and visitation center, as established in K.S.A. 75-720, and amendments thereto. ~~The court may modify an order granting visitation whenever modification would serve the best interests of the child.~~

- (2) participation by the child and the parent in available programs operated by an appropriate individual or agency; and
- (3) any special treatment or care which the child needs for the child's physical, mental or emotional health and safety.

(c) *Removal of a child from custody of a parent*. The court shall not enter the initial order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that:

- (1) (A) The child is likely to sustain harm if not immediately removed from the home;
- (B) allowing the child to remain in home is contrary to the welfare of the child; or
- (C) immediate placement of the child is in the best interest of the child; and

(2) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

The court shall not enter an order removing a child from the custody of a parent pursuant to this section based solely on the finding that the parent is homeless.

(d) *Custody of a child removed from the custody of a parent*. If the court has made the findings required by subsection (c), the court shall enter an order awarding custody to a relative of the child or to a person with whom the child has close emotional ties who shall not be required to be licensed under article 5 of chapter 65 of the Kansas Statutes Annotated, and amendments thereto, to any other suitable person, to a shel-

ter facility, to a youth residential facility or, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse, to the secretary. Custody awarded under this subsection shall continue until further order of the court.

(1) When custody is awarded to the secretary, the secretary shall consider any placement recommendation by the court and notify the court of the placement or proposed placement of the child within 10 days of the order awarding custody. After providing the parties or interested parties notice and opportunity to be heard, the court may determine whether the secretary's placement or proposed placement is contrary to the welfare or in the best interests of the child. In making that determination the court shall consider the health and safety needs of the child and the resources available to meet the needs of children in the custody of the secretary. If the court determines that the placement or proposed placement is contrary to the welfare or not in the best interests of the child, the court shall notify the secretary, who shall then make an alternative placement.

(2) The custodian designated under this subsection shall notify the court in writing at least 10 days prior to any planned placement with a parent. The written notice shall state the basis for the custodian's belief that placement with a parent is no longer contrary to the welfare or best interest of the child. Upon reviewing the notice, the court may allow the custodian to proceed with the planned placement or may set the date for a hearing to determine if the child shall be allowed to return home. If the court sets a hearing on the matter, the custodian shall not return the child home without written consent of the court.

(3) The court may grant any person reasonable rights to visit the child upon motion of the person and a finding that the visitation rights would be in the best interests of the child.

(4) The court may enter an order restraining any alleged perpetrator of physical, mental or emotional abuse or sexual abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child, other family member or witness; or attempting to visit, contact, harass or intimidate the child, other family member or witness. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2011 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(5) The court shall provide a copy of any orders entered within 10 days of entering the order to the custodian designated under this subsection.

(e) *Further determinations regarding a child removed from the home.* If custody has been awarded under subsection (d) to a person other than a parent, a permanency plan shall be provided or prepared pursuant to K.S.A. 2011 Supp. 38-2264, and amendments thereto. If a permanency

plan is provided at the dispositional hearing, the court may determine whether reintegration is a viable alternative or, if reintegration is not a viable alternative, whether the child should be placed for adoption or a permanent custodian appointed. In determining whether reintegration is a viable alternative, the court shall consider:

(1) Whether a parent has been found by a court to have committed one of the following crimes or to have violated the law of another state prohibiting such crimes or to have aided and abetted, attempted, conspired or solicited the commission of one of these crimes: (A) Murder in the first degree, K.S.A. 21-3401, prior to its repeal, or K.S.A. 2011 Supp. 21-5402, and amendments thereto; (B) murder in the second degree, K.S.A. 21-3402, prior to its repeal, or K.S.A. 2011 Supp. 21-5403, and amendments thereto; (C) capital murder, K.S.A. 21-3439, prior to its repeal, or K.S.A. 2011 Supp. 21-5401, and amendments thereto; (D) voluntary manslaughter, K.S.A. 21-3403, prior to its repeal, or K.S.A. 2011 Supp. 21-5404, and amendments thereto; or (E) a felony battery that resulted in bodily injury;

(2) whether a parent has subjected the child or another child to aggravated circumstances;

(3) whether a parent has previously been found to be an unfit parent in proceedings under this code or in comparable proceedings under the laws of another state or the federal government;

(4) whether the child has been in extended out of home placement;

(5) whether the parents have failed to work diligently toward reintegration;

(6) whether the secretary has provided the family with services necessary for the safe return of the child to the home; and

(7) whether it is reasonable to expect reintegration to occur within a time frame consistent with the child's developmental needs.

(f) *Proceedings if reintegration is not a viable alternative.* If the court determines that reintegration is not a viable alternative, proceedings to terminate parental rights and permit placement of the child for adoption or appointment of a permanent custodian shall be initiated unless the court finds that compelling reasons have been documented in the case plan why adoption or appointment of a permanent custodian would not be in the best interests of the child. If compelling reasons have not been documented, the county or district attorney shall file a motion within 30 days to terminate parental rights or a motion to appoint a permanent custodian within 30 days and the court shall hold a hearing on the motion within 90 days of its filing. No hearing is required when the parents voluntarily relinquish parental rights or consent to the appointment of a permanent custodian.

(g) *Additional Orders.* In addition to or in lieu of any other order authorized by this section:

(1) The court may order the child and the parents of any child who

has been adjudicated a child in need of care to attend counseling sessions as the court directs. The expense of the counseling may be assessed as an expense in the case. No mental health provider shall charge a greater fee for court-ordered counseling than the provider would have charged to the person receiving counseling if the person had requested counseling on the person's own initiative.

(2) If the court has reason to believe that a child is before the court due, in whole or in part, to the use or misuse of alcohol or a violation of K.S.A. 2011 Supp. 21-5701 through 21-5717, and amendments thereto, by the child, a parent of the child, or another person responsible for the care of the child, the court may order the child, parent of the child or other person responsible for the care of the child to submit to and complete an alcohol and drug evaluation by a qualified person or agency and comply with any recommendations. If the evaluation is performed by a community-based alcohol and drug safety program certified pursuant to K.S.A. 8-1008, and amendments thereto, the child, parent of the child or other person responsible for the care of the child shall pay a fee not to exceed the fee established by that statute. If the court finds that the child and those legally liable for the child's support are indigent, the fee may be waived. In no event shall the fee be assessed against the secretary.

(3) If child support has been requested and the parent or parents have a duty to support the child, the court may order one or both parents to pay child support and, when custody is awarded to the secretary, the court shall order one or both parents to pay child support. The court shall determine, for each parent separately, whether the parent is already subject to an order to pay support for the child. If the parent is not presently ordered to pay support for any child who is subject to the jurisdiction of the court and the court has personal jurisdiction over the parent, the court shall order the parent to pay child support in an amount determined under K.S.A. 2011 Supp. 38-2277, and amendments thereto. Except for good cause shown, the court shall issue an immediate income withholding order pursuant to ~~K.S.A. 23-4,105 et seq.~~ *K.S.A. 2011 Supp. 23-3101 et seq.*, and amendments thereto, for each parent ordered to pay support under this subsection, regardless of whether a payor has been identified for the parent. A parent ordered to pay child support under this subsection shall be notified, at the hearing or otherwise, that the child support order may be registered pursuant to K.S.A. 2011 Supp. 38-2279, and amendments thereto. The parent shall also be informed that, after registration, the income withholding order may be served on the parent's employer without further notice to the parent and the child support order may be enforced by any method allowed by law. Failure to provide this notice shall not affect the validity of the child support order.

Sec. 66. K.S.A. 2011 Supp. 38-2264 is hereby amended to read as follows: 38-2264. (a) A permanency hearing is a proceeding conducted

by the court or by a citizen review board for the purpose of determining progress toward accomplishment of a permanency plan as established by K.S.A. 2011 Supp. 38-2263, and amendments thereto.

(b) The court or a citizen review board shall hear and the court shall determine whether and, if applicable, when the child will be:

- (1) Reintegrated with the child's parents;
- (2) placed for adoption;
- (3) placed with a permanent custodian; or
- (4) if the secretary has documented compelling reasons why it would not be in the child's best interests for a placement in one of the placements pursuant to paragraphs (1), (2) or (3) placed in another planned permanent arrangement.

(c) The court shall enter a finding as to whether reasonable efforts have been made by appropriate public or private agencies to rehabilitate the family and achieve the permanency goal in place at the time of the hearing.

(d) A permanency hearing shall be held within 12 months of the date the court authorized the child's removal from the home and not less frequently than every 12 months thereafter.

(e) If the court determines at any time other than during a permanency hearing that reintegration may not be a viable alternative for the child, a permanency hearing shall be held no later than 30 days following that determination.

(f) When the court finds that reintegration continues to be a viable alternative, the court shall determine whether and, if applicable, when the child will be returned to the parent. The court may rescind any of its prior dispositional orders and enter any dispositional order authorized by this code or may order that a new plan for the reintegration be prepared and submitted to the court. If reintegration cannot be accomplished as approved by the court, the court shall be informed and shall schedule a hearing pursuant to this section. No such hearing is required when the parents voluntarily relinquish parental rights or consent to appointment of a permanent custodian.

(g) If the court finds reintegration is no longer a viable alternative, the court shall consider whether: (1) The child is in a stable placement with a relative; (2) services set out in the case plan necessary for the safe return of the child have been made available to the parent with whom reintegration is planned; or (3) compelling reasons are documented in the case plan to support a finding that neither adoption nor appointment of a permanent custodian are in the child's best interest. If reintegration is not a viable alternative and either adoption or appointment of a permanent custodian might be in the best interests of the child, the county or district attorney or the county or district attorney's designee shall file a motion to terminate parental rights or a motion to appoint a permanent

custodian within 30 days and the court shall set a hearing on such motion within 90 days of the filing of such motion.

(h) If the court enters an order terminating parental rights to a child, or an agency has accepted a relinquishment pursuant to K.S.A. 59-2124, and amendments thereto, the requirements for permanency hearings shall continue until an adoption or appointment of a permanent custodian has been accomplished. If the court determines that reasonable efforts or progress have not been made toward finding an adoptive placement or appointment of a permanent custodian or placement with a fit and willing relative, the court may rescind its prior orders and make others regarding custody and adoption that are appropriate under the circumstances. Reports of a proposed adoptive placement need not contain the identity of the proposed adoptive parents.

(i) If permanency with one parent has been achieved without the termination of the other parent's rights, the court may, prior to dismissing the case, enter child custody orders, including residency and parenting time that the court determines to be in the best interests of the child. The court shall complete a parenting plan pursuant to ~~K.S.A. 60-1625~~ *K.S.A. 2011 Supp. 23-3213*, and amendments thereto.

(1) Before entering a custody order under this subsection, the court shall inquire whether a custody order has been entered or is pending in a civil custody case by a court of competent jurisdiction within the state of Kansas.

(2) If a civil custody case has been filed or is pending, a certified copy of the custody, residency and parenting time orders shall be filed in the civil custody case. The court in the civil custody case may, after consultation with the court in the child in need of care case, enter an order declaring that the custody order in the child in need of care case shall become the custody order in the civil custody case.

(3) A district court, on its own motion or upon the motion of any party, may order the consolidation of the child in need of care case with any open civil custody case involving the child and both of the child's parents. Custody, residency and parenting time orders entered in consolidated child in need of care and civil custody cases take precedence over any previous orders affecting both parents and the child that were entered in the civil custody case regarding the same or related issues. Following entry of a custody order in a consolidated case, the court shall dismiss the child in need of care case and, if necessary, return the civil custody case to the original court having jurisdiction over it.

(4) If no civil custody case has been filed, the court may direct the parties to file a civil custody case and to file the custody orders from the child in need of care case in that case. Costs of the civil custody case may be assessed to the parties.

(5) Nothing in this subsection shall operate to expand access to information that is confidential under K.S.A. 38-2209, and amendments

thereto, and the confidentiality of such information shall be preserved in all filings in a civil custody case.

(j) When permanency has been achieved to the satisfaction of the court, the court shall enter an order closing the case.

Sec. 67. K.S.A. 2011 Supp. 38-2304 is hereby amended to read as follows: 38-2304. (a) Except as provided in K.S.A. 2011 Supp. 38-2347, and amendments thereto, proceedings concerning a juvenile shall be governed by the provisions of this code.

(b) The district court shall have original jurisdiction to receive and determine proceedings under this code.

(c) When a complaint is filed under this code, the juvenile shall be presumed to be subject to this code, unless the contrary is proved.

(d) Once jurisdiction is acquired by the district court over an alleged juvenile offender, except as otherwise provided in subsection (e), jurisdiction shall continue until one of the following occurs:

- (1) The complaint is dismissed;
- (2) the juvenile is adjudicated not guilty at trial;
- (3) the juvenile, after being adjudicated guilty and sentenced:
 - (i) Successfully completes the term of probation or order of assignment to community corrections;
 - (ii) is discharged by the commissioner pursuant to K.S.A. 2011 Supp. 38-2376, and amendments thereto;
 - (iii) reaches the juvenile's 21st birthday and no exceptions apply that extend jurisdiction beyond age 21;
- (4) the court terminates jurisdiction; or
- (5) the offender is convicted of a new felony while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2011 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony.

(e) Once jurisdiction is acquired by the district court over an alleged juvenile offender, it shall continue beyond the juvenile offender's 21st birthday but no later than the juvenile offender's 23rd birthday if either or both of the following conditions apply:

- (1) The juvenile offender is sentenced pursuant to K.S.A. 2011 Supp. 38-2369, and amendments thereto, and the term of the sentence including successful completion of aftercare extends beyond the juvenile offender's 21st birthday; or
- (2) the juvenile offender is sentenced pursuant to an extended jurisdiction juvenile prosecution and continues to successfully serve the sentence imposed pursuant to the revised Kansas juvenile justice code.

(f) Termination of jurisdiction pursuant to this section shall have no effect on the juvenile offender's continuing responsibility to pay restitution ordered.

(g) (1) If a juvenile offender, at the time of sentencing, is in an out of home placement in the custody of the secretary of social and rehabilitation services under the Kansas code for care of children, the sentencing court may order the continued placement of the juvenile offender as a child in need of care unless the offender was adjudicated for a felony or a second or subsequent misdemeanor. If the adjudication was for a felony or a second or subsequent misdemeanor, the continued placement cannot be ordered unless the court finds there are compelling circumstances which, in the best interest of the juvenile offender, require that the placement should be continued. In considering whether compelling circumstances exist, the court shall consider the reports and recommendations of the foster placement, the contract provider, the secretary of social and rehabilitation services, the presentence investigation and all other relevant factors. If the foster placement refuses to continue the juvenile in the foster placement the court shall not order continued placement as a child in need of care.

(2) If a placement with the secretary of social and rehabilitation services is continued after sentencing, the secretary shall not be responsible for any costs of sanctions imposed under this code.

(3) If the juvenile offender is placed in the custody of the juvenile justice authority, the secretary of social and rehabilitation services shall not be responsible for furnishing services ordered in the child in need of care proceeding during the time of the placement pursuant to the revised Kansas juvenile justice code. Nothing in this subsection shall preclude the juvenile offender from accessing other services provided by the department of social and rehabilitation services or any other state agency if the juvenile offender is otherwise eligible for the services.

(h) A court's order issued in a proceeding pursuant to this code, shall take precedence over such orders in a proceeding under ~~article 11 of chapter 38 of the Kansas Statutes Annotated, and amendments thereto (parentage act), a proceeding under article 16 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto (divorce), chapter 23 of the Kansas Statutes Annotated, and amendments thereto, the Kansas family law code, a proceeding under article 31 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto (, protection from abuse act), a proceeding under article 21 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto (, adoption and relinquishment act), a proceeding under article 30 of chapter 59 of the Kansas Statutes Annotated, and amendments thereto (, guardians and conservators), or a comparable case in another jurisdiction, except as provided by ~~K.S.A. 38-1336~~ *K.S.A. 2011 Supp. 23-37,101 et seq.*, and amendments thereto (, uniform child custody jurisdiction and enforcement act).~~

(2) a juvenile's fingerprints shall be taken, and photographs of a juvenile may be taken, immediately upon taking the juvenile into custody or upon first appearance or in any event before final sentencing, before the court for an offense which, if committed by an adult, would constitute the commission of a felony, a class A or B misdemeanor or assault, as defined in subsection (a) of K.S.A. 2011 Supp. 21-5412, and amendments thereto;

(3) fingerprints or photographs of a juvenile may be taken under K.S.A. 21-2501, and amendments thereto, if the juvenile has been: (A) Prosecuted as an adult pursuant to K.S.A. 2011 Supp. 38-2347, and amendments thereto; or (B) taken into custody for an offense described in subsection (n)(1) or (n)(2) of K.S.A. 2011 Supp. 38-2302, and amendments thereto;

(e) Any fingerprints or photographs of an alleged juvenile offender taken under the provisions of subsection (a)(2) of K.S.A. 38-1611, prior

to its repeal, may be sent to a state or federal repository on or before December 31, 2006.

(f) Any law enforcement agency that willfully fails to submit any fingerprints or photographs required by this section shall be liable to the state for the payment of a civil penalty, recoverable in an action brought by the attorney general, in an amount not exceeding \$500 for each report not made. Any civil penalty recovered under this subsection shall be paid into the state general fund.

(g) The director of the Kansas bureau of investigation shall adopt any rules and regulations necessary to implement, administer and enforce the provisions of this section, including time limits within which fingerprints shall be sent to a state or federal repository when required by this section.

(h) Nothing in this section shall preclude the custodian of a juvenile from authorizing photographs or fingerprints of the juvenile to be used in any action under the Kansas parentage act, *K.S.A. 2011 Supp. 23-2201 et seq., and amendments thereto*.

Sec. 69. K.S.A. 2011 Supp. 38-2318 is hereby amended to read as follows: 38-2318. When there is a dispute with respect to parentage, the court may stay child support proceedings, if any are pending in the case, until the dispute is resolved by a separate action under the Kansas parentage act, *K.S.A. 2011 Supp. 23-2201 et seq., and amendments thereto*. Nothing in this section shall be construed to limit the power of the court to carry out the purposes of the revised Kansas juvenile justice code.

Sec. 70. K.S.A. 2011 Supp. 38-2362 is hereby amended to read as follows: 38-2362. (a) When sentencing a juvenile offender, the court may order a juvenile offender's parent to participate in counseling, mediation sessions or an alcohol and drug evaluation and treatment program ordered as part of the juvenile offender's sentence under K.S.A. 2011 Supp. 38-2361, and amendments thereto, or to participate in parenting classes.

(1) Upon entering an order requiring a juvenile offender's parent to attend counseling sessions or mediation, the court shall give the parent notice of the order. The notice shall inform the parent of the parent's right to request a hearing within 14 days after entry of the order and the parent's right to employ an attorney to represent the parent at the hearing or, if the parent is financially unable to employ an attorney, the parent's right to request the court to appoint an attorney to represent the parent.

(2) If the parent does not request a hearing within 14 days after entry of the order, the order shall take effect at that time.

(3) If the parent requests a hearing, the court shall set the matter for hearing and, if requested, shall appoint an attorney to represent the parent. The expense and fees of the appointed attorney may be allowed and assessed as provided by K.S.A. 2011 Supp. 38-2306, and amendments thereto.

(b) In addition to any other orders provided for by this section, the

parent of a juvenile offender may be held responsible for the costs of sanctions or the support of the juvenile offender as follows:

(1) The board of county commissioners of a county may provide by resolution that the parent of any juvenile offender placed under a house arrest program pursuant to subsection (a)(9) of K.S.A. 2011 Supp. 38-2361, and amendments thereto, shall be required to pay to the county the cost of such house arrest program. The board of county commissioners shall prepare a sliding financial scale based on the ability of the parent to pay for such a program.

(2) If child support has been requested and a parent has a duty to support the juvenile offender, the court may order, and when custody is placed with the commissioner shall order, one or both parents to pay child support. The court shall determine, for each parent separately, whether the parent already is subject to an order to pay support for the juvenile. If the parent currently is not ordered to pay support for the juvenile and the court has personal jurisdiction over the parent, the court shall order the parent to pay child support in an amount determined under K.S.A. 2011 Supp. 38-2319, and amendments thereto. Except for good cause shown, the court shall issue an immediate income withholding order pursuant to ~~K.S.A. 23-4-105~~ K.S.A. 2011 Supp. 23-3101 *et seq.*, and amendments thereto, for each parent ordered to pay support under this subsection, regardless of whether a payor has been identified for the parent. Failure to provide this notice shall not affect the validity of the child support order.

(2) No contract shall include provisions allowing the contractor to be paid, in whole or in part, on the basis of an amount per phone call received by the center nor allowing the contractor to be paid an amount per check issued for checks that were issued in error by the center. Nothing in this paragraph shall be construed to prevent the secretary of social and rehabilitation services from compensating on the basis of an amount per phone call any contractor that does not process receipts or disbursements under this section.

(3) Any contract for processing receipts or disbursements under this section shall include penalty provisions for noncompliance with federal regulations relating to the timeliness of collections and disbursements and shall include a monetary penalty of \$100 for each erroneous transaction, whether related to collection or disbursement. Penalties shall be collected as and when assessed. Of the penalty, \$25 shall be allocated to the obligee and \$75 shall be allocated to the department of social and rehabilitation services.

(4) Designees of the secretary of social and rehabilitation services and designees of the office of judicial administration shall have full access to all data, subject to the provisions of title IV-D of the federal social security act, 42 U.S.C. § 651 *et seq.* Designees of the secretary of social and rehabilitation services, all district court clerks and court trustees shall have access to records of the Kansas payment center sufficient to allow them to assist in the process of matching support payments to the correct accounts.

(5) The Kansas payment center shall provide sufficient customer service staff during regular business hours. Obligor and obligees shall be provided 24-hour access to information about the status of receipts and disbursements, including, but not limited to, date of receipt by the center, date of processing by the center and date of disbursement to the obligee.

(b) The Kansas payment center shall have, by operation of law, a limited power of attorney to perform the specific act of endorsing and negotiating all drafts, checks, money orders or other negotiable instruments representing support payments received by the center. Nothing in this subsection shall be construed as affecting the property rights or interests of any person in such negotiable instruments. The provisions of this subsection shall apply to any negotiable instrument received by the center on or after October 1, 2000.

(c) The Kansas supreme court, by court rule, shall establish the procedure for the creation, maintenance and correction of official child support and maintenance records for use as official court records.

(d) The department shall collaborate with the Kansas supreme court to maintain the Kansas payment center, which shall include all support payments subject to the requirements of title IV-D of the federal social

(e) Any provision in any support order or income withholding order entered in this state which requires remittance of support payments to the clerk of the district court or district court trustee shall be deemed to require remittance of support payments to the Kansas payment center, regardless of the date the support or income withholding order was entered.

(f) (1) Except as otherwise provided in this subsection, payments received by the Kansas payment center which cannot be matched to any account nor returned to the payor shall be transferred to the state treasurer in accordance with the unclaimed property act.

(2) Except as otherwise provided in this subsection, disbursements which cannot be delivered to the payee after a good faith effort to locate the payee shall be transferred to the state treasurer in accordance with the unclaimed property act.

(3) To the extent that the secretary of social and rehabilitation services would be required to treat as federal program income any amount transferable to the state treasurer pursuant to this subsection or the unclaimed property act, such amount shall not be presumed abandoned but shall be held by the secretary until the amount may be delivered to the true owner. The secretary and the state treasurer shall collaborate on procedures for locating the true owner and confirming claims to amounts so held.

Sec. 72. K.S.A. 39-7,138 is hereby amended to read as follows: 39-7,138. The following definitions shall apply in any IV-D administrative proceeding related to K.S.A. 39-7,137 through 39-7,152, and amendments thereto, except where the context requires otherwise.

(e) Upon receiving the results of genetic testing, the secretary shall promptly send a copy of the results to the parties, together with notice of the time limits for requesting any additional genetic tests or for challenging the results pursuant to ~~K.S.A. 38-1118~~ *K.S.A. 2011 Supp. 23-*

2212, and amendments thereto, how to make such request or challenge, and any associated costs. The notice shall state the consequences pursuant to ~~K.S.A. 39-1118~~ K.S.A. 2011 Supp. 23-2212, and amendments thereto, of failing to act within the time allowed by the statute. Any additional genetic tests shall be at the expense of the person making the request for additional genetic tests. Failure of the person requesting additional tests to make advance payment as required by the secretary shall be deemed withdrawal of the request.

(f) Any person required to comply with an order issued pursuant to this section may request: (1) An administrative hearing pursuant to K.S.A. 75-3306, and amendments thereto, by complying with procedures established by the secretary within ten days after entry of the order; or (2) a *de novo* court review pursuant to K.S.A. 39-7,139, and amendments thereto. If the order is served on the person by mail, the time for requesting review shall be extended by three days. An order issued pursuant to this section shall be subject to defenses that would apply if the order had been issued by a court of this state. If the request for review is made within the time allowed, the effect of the order shall be stayed with respect to the person requesting review pending resolution of the review.

(g) An order issued pursuant to this section whose effect has not been stayed may be enforced pursuant to the civil enforcement provisions of the Kansas judicial review act, K.S.A. 77-601, *et seq.*, and amendments thereto, after the time for compliance with the order has expired.

Sec. 74. K.S.A. 39-7,147 is hereby amended to read as follows: 39-7,147. (a) Except as otherwise provided in ~~K.S.A. 23-4,107 or~~ K.S.A. 39-7,149 *or* K.S.A. 2011 Supp. 23-3103, and amendments thereto, if no income withholding order is in effect to enforce a support order in a title IV-D case, an income withholding order may be entered by the secretary. A notice of intent to initiate income withholding, as described in ~~K.S.A. 23-4,107~~ K.S.A. 2011 Supp. 23-3103, and amendments thereto, shall be served on the responsible parent at least seven days before the secretary issues the income withholding order. If the amount of arrearages is less than the amount of current support due for one month, the requirements of subsection (d) must be met. The income withholding order shall conform to the requirements of the income withholding act and amendments thereto and shall have the same force and effect as an income withholding order issued by a district court of this state.

(b) If an income withholding order is issued by the secretary to enforce a support order entered by a court of this state, the original document shall be delivered for filing to the clerk of the court that entered the support order. Thereafter, if the secretary is no longer providing title IV-D services in the case, the clerk of the district court shall use the income withholding order issued by the secretary in the same manner as an income withholding order issued by the court.

(c) If an income withholding order is issued by the secretary to enforce a support order entered by a tribunal of another state, the secretary shall transmit a copy of the income withholding order to the tribunal of the other state.

(d) If there are no arrearages or the amount of arrearages under the support order is less than the amount of current support due for one month, the secretary may initiate income withholding only if:

- (1) Any arrearages are owed;
- (2) a medical child support order exists;
- (3) the secretary determines that immediate issuance of the income withholding order was required by ~~K.S.A. 23-4,107~~ *K.S.A. 2011 Supp. 23-3103*, and amendments thereto, or by a similar law of another state, but no income withholding order was entered;
- (4) the responsible parent consents;
- (5) required payments have been received after the due date at least twice within the preceding 12 months, regardless of whether any arrearages are owed; or
- (6) the support order was entered by a tribunal of another state.

(e) If the support order was entered by or registered with a court of this state, the notice of intent to initiate income withholding shall be served on the responsible parent by only personal service or registered mail, return receipt requested. In all other cases, the notice of intent to initiate income withholding shall be served upon the responsible parent only by personal service or registered mail, return receipt requested.

Sec. 75. K.S.A. 44-514 is hereby amended to read as follows: 44-514. (a) Except as provided in subsection (b), ~~K.S.A. 23-4,146~~ or *and* the income withholding act, *K.S.A. 2011 Supp. 23-3101 et seq.*, and amendments thereto, no claim for compensation, or compensation agreed upon, awarded, adjudged, or paid, shall be assignable or subject to levy, execution, attachment, garnishment, or any other remedy or procedure for the recovery or collection of a debt, and this exemption cannot be waived.

(b) Claims for compensation, or compensation agreed upon, adjudged or paid, which are paid to a worker on a weekly basis or by lump sum shall be subject to enforcement of an order for support by means of voluntary or involuntary assignment of a portion of the compensation.

(1) Any involuntary assignment shall be obtained by motion filed within the case which is the basis of the existing order of support.

(A) Any motion seeking an involuntary assignment of compensation shall be served on the claimant and the claimant's counsel to the workers compensation claim, if known, the motion shall set forth:

- (i) The amount of the current support order to be enforced;
- (ii) the amount of any arrearage alleged to be owed under the support order;

(iii) the identity of the payer of the compensation to the claimant, if known; and

(iv) whether the assignment requested seeks to attach compensation for current support or arrearages or both.

(B) Motions for involuntary assignments of compensation shall be granted. The relief granted for:

(i) Current support shall be collectible from benefits paid on a weekly basis but shall not exceed 25% of the workers gross weekly compensation excluding any medical compensation and rehabilitation costs paid directly to providers.

(ii) Past due support shall be collectible from lump-sum settlements, judgments or awards but shall not exceed 40% of a lump sum, excluding any medical compensation and rehabilitation costs paid directly to providers.

(2) In any proceeding under this subsection, the court may also consider the modification of the existing support order upon proper notice to the other interested parties.

(3) Any order of involuntary assignment of compensation shall be served upon the payer of compensation and shall set forth the:

(A) Amount of the current support order;

(B) amount of the arrearage owed, if any;

(C) applicable percentage limitations;

(D) name and address of the payee to whom assigned sums shall be disbursed by the payer; and

(E) date the assignment is to take effect and the conditions for termination of the assignment.

(4) For the purposes of this section, “order for support” means any order of any Kansas court, authorized by law to issue such an order, which provides for the payment of funds for the support of a child or for maintenance of a spouse or ex-spouse, and includes such an order which provides for payment of an arrearage accrued under a previously existing order and reimbursement orders, including but not limited to, an order established pursuant to K.S.A. 39-718a ~~and amendments thereto, prior to its repeal~~; K.S.A. 39-718b, and amendments thereto; or an order established pursuant to the uniform interstate family support act, K.S.A. 2011 Supp. 23-36,101 *et seq.*, and amendments thereto.

(5) For all purposes under this section, each obligation to pay child support or order for child support shall be satisfied prior to satisfaction of any obligation to pay or order for maintenance of a spouse or ex-spouse.

Sec. 76. K.S.A. 2011 Supp. 59-2136 is hereby amended to read as follows: 59-2136. (a) The provisions of this section shall apply where a relinquishment or consent to an adoption has not been obtained from a parent and K.S.A. 59-2124 and 59-2129, and amendments thereto, state

that the necessity of a parent's relinquishment or consent can be determined under this section.

(b) Insofar as practicable, the provisions of this section applicable to the father also shall apply to the mother and those applicable to the mother also shall apply to the father.

(c) In stepparent adoptions under subsection (d), the court may appoint an attorney to represent any father who is unknown or whose whereabouts are unknown. In all other cases, the court shall appoint an attorney to represent any father who is unknown or whose whereabouts are unknown. If no person is identified as the father or a possible father, the court shall order publication notice of the hearing in such manner as the court deems appropriate.

(d) In a stepparent adoption, if a mother consents to the adoption of a child who has a presumed father under subsection (a)(1), (2) or (3) of ~~K.S.A. 38-1114~~ *K.S.A. 2011 Supp. 23-2208*, and amendments thereto, or who has a father as to whom the child is a legitimate child under prior law of this state or under the law of another jurisdiction, the consent of such father must be given to the adoption unless such father has failed or refused to assume the duties of a parent for two consecutive years next preceding the filing of the petition for adoption or is incapable of giving such consent. In determining whether a father's consent is required under this subsection, the court may disregard incidental visitations, contacts, communications or contributions. In determining whether the father has failed or refused to assume the duties of a parent for two consecutive years next preceding the filing of the petition for adoption, there shall be a rebuttable presumption that if the father, after having knowledge of the child's birth, has knowingly failed to provide a substantial portion of the child support as required by judicial decree, when financially able to do so, for a period of two years next preceding the filing of the petition for adoption, then such father has failed or refused to assume the duties of a parent. The court may consider the best interests of the child and the fitness of the nonconsenting parent in determining whether a stepparent adoption should be granted.

(e) Except as provided in subsection (d), if a mother desires to relinquish or consents to the adoption of such mother's child, a petition shall be filed in the district court to terminate the parental rights of the father, unless the father's relationship to the child has been previously terminated or determined not to exist by a court. The petition may be filed by the mother, the petitioner for adoption, the person or agency having custody of the child or the agency to which the child has been or is to be relinquished. Where appropriate, the request to terminate parental rights may be contained in a petition for adoption. If the request to terminate parental rights is not filed in connection with an adoption proceeding, venue shall be in the county in which the child, the mother or the presumed or alleged father resides or is found. In an effort to identify the

father, the court shall determine by deposition, affidavit or hearing, the following:

(1) Whether there is a presumed father under ~~K.S.A. 38-1114~~ *K.S.A. 2011 Supp. 23-2208*, and amendments thereto;

(2) whether there is a father whose relationship to the child has been determined by a court;

(3) whether there is a father as to whom the child is a legitimate child under prior law of this state or under the law of another jurisdiction;

(4) whether the mother was cohabitating with a man at the time of conception or birth of the child;

(5) whether the mother has received support payments or promises of support with respect to the child or in connection with such mother's pregnancy; and

(6) whether any man has formally or informally acknowledged or declared such man's possible paternity of the child.

If the father is identified to the satisfaction of the court, or if more than one man is identified as a possible father, each shall be given notice of the proceeding in accordance with subsection (f).

(f) Notice of the proceeding shall be given to every person identified as the father or a possible father by personal service, certified mail return receipt requested or in any other manner the court may direct. Proof of notice shall be filed with the court before the petition or request is heard.

(g) If, after the inquiry, the court is unable to identify the father or any possible father and no person has appeared claiming to be the father and claiming custodial rights, the court shall enter an order terminating the unknown father's parental rights with reference to the child without regard to subsection (h). If any person identified as the father or possible father of the child fails to appear or, if appearing, fails to claim custodial rights, such person's parental rights with reference to the child shall be terminated without regard to subsection (h).

(h) (1) When a father or alleged father appears and asserts parental rights, the court shall determine parentage, if necessary pursuant to the Kansas parentage act, *K.S.A. 2011 Supp. 23-2201 et seq.*, and amendments thereto. If a father desires but is financially unable to employ an attorney, the court shall appoint an attorney for the father. Thereafter, the court may order that parental rights be terminated, upon a finding by clear and convincing evidence, of any of the following:

(A) The father abandoned or neglected the child after having knowledge of the child's birth;

(B) the father is unfit as a parent or incapable of giving consent;

(C) the father has made no reasonable efforts to support or communicate with the child after having knowledge of the child's birth;

(D) the father, after having knowledge of the pregnancy, failed without reasonable cause to provide support for the mother during the six months prior to the child's birth;

(E) the father abandoned the mother after having knowledge of the pregnancy;

(F) the birth of the child was the result of rape of the mother; or

(G) the father has failed or refused to assume the duties of a parent for two consecutive years next preceding the filing of the petition.

(2) In making a finding whether parental rights shall be terminated under this subsection, the court may:

(A) Consider and weigh the best interest of the child; and

(B) disregard incidental visitations, contacts, communications or contributions.

(3) In determining whether the father has failed or refused to assume the duties of a parent for two consecutive years next preceding the filing of the petition for adoption, there shall be a rebuttable presumption that if the father, after having knowledge of the child's birth, has knowingly failed to provide a substantial portion of the child support as required by judicial decree, when financially able to do so, for a period of two years next preceding the filing of the petition for adoption, then such father has failed or refused to assume the duties of a parent.

(i) A termination of parental rights under this section shall not terminate the right of the child to inherit from or through the parent. Upon such termination, all the rights of birth parents to such child, including their right to inherit from or through such child, shall cease.

Sec. 77. K.S.A. 2011 Supp. 60-308 is hereby amended to read as follows: 60-308. (a) *Proof and effect.* (1) Service of process may be made on any party outside this state. or communication services may result in jurisdiction under this section; or

(L) having contact with this state which would support jurisdiction consistent with the constitutions of the United States and of this state.

(2) A person submits to the jurisdiction of the courts of this state for a claim for relief which did not arise in this state if substantial, continuous and systematic contact with this state is established which would support jurisdiction consistent with the constitutions of the United States and of this state.

(c) *Section not exclusive.* Nothing in this section affects the right to serve process in any other manner provided by law.

Sec. 78. K.S.A. 2011 Supp. 60-703 is hereby amended to read as follows: 60-703. The order of attachment shall be issued by a judge of the district court upon the filing of a petition stating the claim and the filing of an affidavit, or an affidavit and bond as required in this article, except that no order of attachment shall be issued before judgment on plaintiff's claim where the property of the defendant to be attached is in the possession of a third party and is in the form of earnings due and owing to the defendant. The filing of an affidavit stating one or more grounds of attachment is required in every case. A bond is required in every case except in actions instituted on behalf of the state of Kansas or a county of the state. The order of attachment may be issued and executed on Sunday, a legal holiday, or a day on which the office of the clerk of the court is not accessible if the affidavit states that the party seeking the attachment will lose the benefit thereof unless the writ be issued or served on such day. (a) Money received by any debtor as pensioner of the United States within three months next preceding the issuing of an execution, or attachment, or garnishment process, cannot be applied to the payment of the debts of such pensioner when it appears by the affidavit of the debtor or otherwise that such pension money is necessary for the maintenance of the debtor's support or a family support wholly or in part by the pension money. The filing of the affidavit by the debtor, or making proof as provided in this section, shall be *prima facie* evidence of the necessity of such pension money for such support. It shall be the duty of the court in which such proceeding is pending to release all moneys held by such attachment or garnishment process, immediately upon the filing of such affidavit, or the making of such proof.

(b) Except as provided in subsection (c), any money or other assets payable to a participant or beneficiary from, or any interest of any participant or beneficiary in, a retirement plan which is qualified under sections

401(a), 403(a), 403(b), 408, 408A or 409 of the federal internal revenue code of 1986, and amendments thereto, shall be exempt from any and all claims of creditors of the beneficiary or participant. Any such plan shall be conclusively presumed to be a spendthrift trust under these statutes and the common law of the state.

(c) Any plan or arrangement described in subsection (b) shall not be exempt from the claims of an alternate payee under a qualified domestic relations order. However, the interest of any and all alternate payees under a qualified domestic relations order shall be exempt from any and all claims of any creditor, other than the state department of social and rehabilitation services, of the alternate payee. As used in this subsection, the terms “alternate payee” and “qualified domestic relations order” have the meaning ascribed to them in section 414(p) of the federal internal revenue code of 1986, and amendments thereto.

(d) The provisions of subsections (b) and (c) shall apply to any proceeding which: (1) Is filed on or after July 1, 1986; or (2) was filed on or after January 1, 1986, and is pending or on appeal July 1, 1986.

(a) (1) Except as provided in subsection (b) or (d), if a renewal affidavit is not filed or if execution, including any garnishment proceeding, support enforcement proceeding or proceeding in aid of execution, is not issued, within five years from the date of the entry of any judgment in any court of record in this state, including judgments in favor of the state or any municipality in the state, or within five years from the date of any order reviving the judgment or, if five years have intervened between the date of the last renewal affidavit filed or execution proceedings undertaken on the judgment and the time of filing another renewal affidavit or undertaking execution proceedings on it, the judgment, including court costs and fees therein shall become dormant, and shall cease to operate as a lien on the real estate of the judgment debtor. When a judgment becomes and remains dormant for a period of two years, it shall be the duty of the judge to release the judgment of record when requested to do so.

(2) A “renewal affidavit” is a statement under oath, signed by the judgment creditor or the judgment creditor’s attorney, filed in the proceedings in which the judgment was entered and stating the remaining balance due and unpaid on the judgment.

(b) Except for those judgments which have become void as of July 1, 2007, no judgment for the support of a child shall be or become dormant for any purpose except as provided in this subsection. If a judgment would have become dormant under the conditions set forth in subsection (a), the judgment shall cease to operate as a lien on the real estate of the

judgment debtor as of the date the judgment would have become dormant, but the judgment shall not be released of record pursuant to subsection (a).

(c) The time within which action must be taken to prevent a judgment from becoming dormant does not run during any period in which the enforcement of the judgment by legal process is stayed or prohibited.

(d) If a renewal affidavit is not filed or if execution is not issued, within 10 years from the date of the entry of any judgment of restitution in any court of record in this state, the judgment, including court costs and fees therein shall become dormant, and shall cease to operate as a lien on the real estate of the judgment debtor. Except as provided in subsection (b), when a judgment becomes and remains dormant for a period of two years, it shall be the duty of the judge to release the judgment of record when requested to do so.

The right of a person to obtain relief under the protection from abuse act shall not be affected by the person's leaving the residence or household to avoid further abuse. Any petition under this act seeking orders regarding a custody determination, as defined in ~~K.S.A. 38-1337~~ K.S.A. 2011 Supp. 23-37,102, and amendments thereto, shall state that information required by ~~K.S.A. 38-1356~~ K.S.A. 2011 Supp.

(2) Granting possession of the residence or household to the plaintiff to the exclusion of the defendant, and further restraining the defendant from entering or remaining upon or in such residence or household, subject to the limitation of subsection (d). Sec. 6. On January 1, 2013, K.S.A. 2011 Supp. 75-3739 is hereby amended to read as follows: 75-3739. In the manner as provided in this act and rules and regulations established thereunder:

(a) All contracts for construction and repairs, and all purchases of and contracts for supplies, materials, equipment and contractual services to be acquired for state agencies shall be based on competitive bids, except that competitive bids need not be required in the following instances:

(1) For contractual services, supplies, materials, or equipment when, in the judgment of the director of purchases, no competition exists;

(2) when, in the judgment of the director of purchases, chemicals and other material or equipment for use in laboratories or experimental studies by state agencies are best purchased without competition, or where rates are fixed by law or ordinance;

(3) when, in the judgment of the director of purchases, an agency emergency requires immediate delivery of supplies, materials or equipment, or immediate performance of services;

(4) when any statute authorizes another procedure or provides an exemption from the provisions of this section;

(5) when compatibility with existing contractual services, supplies, materials or equipment is the overriding consideration;

(6) when a used item becomes available and is subject to immediate sale; or

(7) when, in the judgment of the director of purchases and the head of the acquiring state agency, not seeking competitive bids is in the best interest of the state.

When the director of purchases approves a purchase of or contract for supplies, materials, equipment, or contractual services in any instance specified in this subsection, the director may delegate authority to make the purchase or enter the contract under conditions and procedures prescribed by the director. Except for purchases or contracts entered into without a competitive bid under subsection (a)(3), (a)(4), (a)(6) or subsection (h), no purchase or contract entered into without a competitive bid for an amount in excess of \$100,000 shall be entered into by the head of any state agency or approved by the director of purchases unless the director of purchases first posts an on-line notice of the proposed purchase or contract at least seven days before the purchase or contract is awarded. The director of purchases shall provide notice thereof to members of the legislature at the beginning of each calendar year that such information will be posted and the director of the division of purchases shall provide the uniform resource locator (URL) and the number of

times such information shall be available. In the event a written protest of the awarding of such a contract occurs during the seven-day notice period, the director of purchases shall request from the protestor the contact information, including name and mailing address, of the person or entity that has expressed an interest in supplying the goods or services and provide a copy of the specification to the person or entity that has expressed an interest in supplying the goods or services and verify that such person or entity is interested and capable of supplying such goods or services.

Upon satisfaction of the director of purchases regarding the validity of the protest and the existence of competition, the director of purchases shall proceed with a competitive procurement. A competitive procurement shall not be required when, in the judgment of the director of purchases, the validity of the protest cannot be determined or competition for such goods or services cannot be verified by the director of purchases.

The director of purchases shall prepare a detailed report at least once in each calendar quarter of all contracts over \$5,000 entered into without competitive bids under subsection (a)(1), (2), (3), (5), (6) or (7). The director shall submit the report to the legislative coordinating council, the chairperson of the committee on ways and means of the senate and the chairperson of the committee on appropriations of the house of representatives.

(b) (1) If the amount of the purchase is estimated to exceed \$50,000, sealed bids shall be solicited by notice published once in the Kansas register not less than 10 days before the date stated in the notice for the opening of the bids. The director of purchases may waive this publication of notice requirement when the director determines that a more timely procurement is in the best interest of the state. The director of purchases also may designate a trade journal for the publication. The director of purchases also shall solicit such bids by sending notices by mail to prospective bidders and by posting the notice on a public bulletin board for at least 10 business days before the date stated in the notice for the opening of the bids unless otherwise provided by law. All bids shall be sealed when received and shall be opened in public at the hour stated in the notice.

(2) The director of purchases shall prepare a detailed report at least once in each calendar quarter of all instances in which the director waived publication of the notice of bid solicitations in the Kansas register as provided in this subsection. The director shall submit the report to the legislative coordinating council, the chairperson of the committee on ways and means of the senate and the chairperson of the committee on appropriations of the house of representatives.

(c) All purchases estimated to exceed approximately \$25,000 but not

more than \$50,000, shall be made after receipt of sealed bids following at least three days' notice posted on a public bulletin board.

(d) All purchases estimated to be more than \$5,000, but less than \$25,000, may be made after the receipt of three or more bid solicitations by telephone, telephone facsimile or sealed bid, following at least three days' notice posted on a public bulletin board. Such bids shall be recorded as provided in subsection ~~(e)~~(f) of K.S.A. 75-3740, and amendments thereto. Any purchase that is estimated to be less than \$5,000 may be purchased under conditions and procedures prescribed by the director of purchases. Purchases made in compliance with such conditions and procedures shall be exempt from other provisions of this section.

(e) With the approval of the secretary of administration, the director of purchases may delegate authority to any state agency to make purchases of less than \$25,000 under certain prescribed conditions and procedures. The director of purchases shall prepare a report at least once in each calendar quarter of all current and existing delegations of authority to state agencies as provided in this subsection. The director shall submit the report to the legislative coordinating council, the chairperson of the committee on ways and means of the senate and the chairperson of the committee on appropriations of the house of representatives.

(f) Subject to the provisions of subsection (e), contracts and purchases shall be based on specifications approved by the director of purchases. When deemed applicable and feasible by the director of purchases, such specifications shall include either energy efficiency standards or appropriate life cycle cost formulas, or both, for all supplies, materials, equipment and contractual services to be purchased by the state. The director of purchases may reject a contract or purchase on the basis that a product is manufactured or assembled outside the United States. No such specifications shall be fixed in a manner to effectively exclude any responsible bidder offering comparable supplies, materials, equipment or contractual services.

(g) Notwithstanding anything herein to the contrary, all contracts with independent construction concerns for the construction, improvement, reconstruction and maintenance of the state highway system and the acquisition of rights-of-way for state highway purposes shall be advertised and let as now or hereafter provided by law.

(h) The director of purchases may authorize state agencies to contract for services and materials with other state agencies, or with federal agencies, political subdivisions of Kansas, agencies of other states or subdivisions thereof, or private nonprofit educational institutions, without competitive bids.

(i) The director of purchases may participate in, sponsor, conduct, or administer a cooperative purchasing agreement or consortium for purchases of supplies, materials, equipment, and contractual services with federal agencies or agencies of other states or local units of government.

Cooperative purchasing agreements entered into under this subsection shall not be subject to K.S.A. 75-3739 through 75-3740a, and amendments thereto.

(j) The director of purchases may delegate authority to any state agency to make purchases under certain prescribed conditions and procedures when the acquisition is funded, in whole or in part, from a grant. Except as otherwise provided in subsection (k) of this section, purchases made in compliance with such conditions and procedures shall be exempt from other provisions of this section. As used in this subsection the term “grant” means a disbursement made from federal or private funds, or a combination of these sources, to a state agency. Nothing in this subsection shall allow federal grant moneys to be handled differently from any other moneys of the state unless the requirements of the applicable federal grant specifically require such federal moneys to be handled differently.

(k) The director of purchases shall prepare a detailed report at least once each calendar quarter of all contracts over \$5,000 for services, supplies, materials or equipment entered into pursuant to subsection (h), (i) or (j) and submit it to the legislative coordinating council, the chairperson of the committee on ways and means of the senate and the chairperson of the committee on appropriations of the house of representatives.

(l) Except as otherwise specifically provided by law, no state agency shall enter into any lease of real property without the prior approval of the secretary of administration. A state agency shall submit to the secretary of administration such information relating to any proposed lease of real property as the secretary may require. The secretary of administration shall either approve, modify and approve or reject any such proposed lease.

(m) The director of purchases shall require all bidders on state contracts to disclose all substantial interests held by the bidder in the state.

(n) As used in article 37 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto, and other statutory provisions concerning state procurement, “sealed bids,” “bulletin boards” and “mail” shall include electronic bids, electronic bulletin boards and electronic mail when such items are utilized in accordance with procedures prescribed by the director of purchases.

Sec. 7. On January 1, 2013, K.S.A. 2011 Supp. 75-3740 is hereby amended to read as follows: 75-3740. (a) Except as provided by *subsection (b) and K.S.A. 75-3740b, and amendments thereto*, all contracts and purchases made by or under the supervision of the director of purchases or any state agency for which competitive bids are required shall be awarded to the lowest responsible bidder, taking into consideration conformity with the specifications, terms of delivery, and other conditions imposed in the call for bids.

(b) *A contract shall be awarded to a certified business which is also*

a responsible bidder, whose total bid cost is not more than 10% higher than the lowest competitive bid. Such contract shall contain a promise by the certified business that the percentage of employees that are individuals with disabilities will be maintained throughout the contract term and a condition that the certified business shall not subcontract for goods or services in an aggregate amount of more than 25% of the total bid cost.

~~(b)~~(c) The director of purchases shall have power to decide as to the lowest responsible bidder for all purchases, but if:

(1)(A) *A responsible bidder purchases from a qualified vendor goods or services on the list certified by the director of purchases pursuant to K.S.A. 75-3317 et seq., and amendments thereto, the dollar amount of such purchases made during the previous fiscal year shall be deducted from the original bid received from such bidder for the purpose of determining the lowest responsible bid, except that such deduction shall not exceed 10% of the original bid received from such bidder; or*

(B) *a responsible bidder purchases from a certified business the dollar amount of such purchases made during the previous fiscal year shall be deducted from the original bid received from such bidder for the purpose of determining the lowest responsible bid, except that such deduction shall not exceed 10% of the original bid received from such bidder;*

~~(1)~~(2) The dollar amount of the bid received from the lowest responsible bidder from within the state is identical to the dollar amount of the bid received from the lowest responsible bidder from without the state, the contract shall be awarded to the bidder from within the state; and

~~(2)~~(3) in the case of bids for paper products specified in K.S.A. 75-3740b, and amendments thereto, the dollar amounts of the bids received from two or more lowest responsible bidders are identical, the contract shall be awarded to the bidder whose bid is for those paper products containing the highest percentage of recycled materials.

~~(e)~~(d) Any or all bids may be rejected, and a bid shall be rejected if it contains any material alteration or erasure made after the bid is opened. The director of purchases may reject the bid of any bidder who is in arrears on taxes due the state, who is not properly registered to collect and remit taxes due the state or who has failed to perform satisfactorily on a previous contract with the state. The secretary of revenue is hereby authorized to exchange such information with the director of purchases as is necessary to effectuate the preceding sentence notwithstanding any other provision of law prohibiting disclosure of the contents of taxpayer records or information. Prior to determining the lowest responsible bidder on contracts for construction of buildings or for major repairs or improvements to buildings for state agencies, the director of purchases shall consider: (1) The criteria and information developed by the secretary of administration, with the advice of the state building advisory commission to rate contractors on the basis of their performance under similar contracts with the state, local governmental entities and private entities,

in addition to other criteria and information available, and (2) the recommendations of the project architect, or, if there is no project architect, the recommendations of the secretary of administration or the agency architect for the project as provided in K.S.A. 75-1254, and amendments thereto. In any case where competitive bids are required and where all bids are rejected, new bids shall be called for as in the first instance, unless otherwise expressly provided by law or the state agency elects not to proceed with the procurement.

~~(d)~~(e) Before the awarding of any contract for construction of a building or the making of repairs or improvements upon any building for a state agency, the director of purchases shall receive written approval from the state agency for which the building construction project has been approved, that the bids generally conform with the plans and specifications prepared by the project architect, by the secretary of administration or by the agency architect for the project, as the case may be, so as to avoid error and mistake on the part of the contractors. In all cases where material described in a contract can be obtained from any state institution, the director of purchases shall exclude the same from the contract.

~~(e)~~(f) All bids with the names of the bidders and the amounts thereof, together with all documents pertaining to the award of a contract, shall be made a part of a file or record and retained by the director of purchases for five years, unless reproduced as provided in K.S.A. 75-3737, and amendments thereto, and shall be open to public inspection at all reasonable times.

~~(f)~~ As used in this section and in K.S.A. 75-3741, and amendments thereto, “project architect” shall have the meaning ascribed thereto in K.S.A. 75-1251, and amendments thereto.

HOUSE BILL No. 2729

AN ACT concerning motor vehicles; relating to parks and recreation motor vehicle permits; amending K.S.A. 32-901 and K.S.A. 2011 Supp. 8-134 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2011 Supp. 8-134 is hereby amended to read as follows: 8-134. (a) Every vehicle registration under this act shall expire December 31 of each year, except passenger vehicles and vehicles provided for in K.S.A. 8-134a, and amendments thereto. The registration of vehicles to which K.S.A. 8-134a, and amendments thereto, applies shall expire in 1982 and thereafter in accordance with the provisions of subsections (b) and (c). Registration of vehicles shall be renewed annually upon application by the owner and by payment of the fees required by law. Except vehicles subject to K.S.A. 8-134a, and amendments thereto, and passenger vehicles, the renewal shall take effect on January 1 of each year but the owner of the vehicle shall have until and including the last day of February of each year within which to make application for such renewal. The division shall issue for such vehicles a February month decal to correspond with the statutory grace period. Criminal sanctions provided in K.S.A. 8-142, and amendments thereto, for failure to display any license plate or plates or any registration decal required to be affixed to any such license plate for the current registration year shall not be enforced until March 1 of each year. An owner who has made proper application for renewal of registration of a vehicle prior to January 1, but who has not received the license plate or registration card for the ensuing

year, shall be entitled to operate or permit the operation of such vehicle upon the highways upon displaying thereon the license plate issued for the preceding year for such time as the director of vehicles finds necessary for issuance of such new license plate.

(b) Every passenger vehicle required by this act to be registered, except as otherwise provided, shall be registered for a period of 12 consecutive months. The division of vehicles, in order to initiate a system of registering or reregistering passenger vehicles during any month of a calendar year, may register or reregister a passenger vehicle for less than a twelve-month period, prorating the annual registration fee, when in the director's opinion such proration tends to fulfill the purpose of the monthly registration system.

(c) Passenger vehicle registration, and the authority to legally operate, use, or tow such vehicle on the highway shall expire at ~~12:00 a.m.~~ 12 midnight on the last day of the last month of the twelve-month period for which such vehicle was registered, and the owner shall see that such vehicle is reregistered as required by this act. The director of vehicles shall designate the registration period for each passenger vehicle in order to as nearly as feasible equalize registration or reregistration within the 12 months of the year. Any vehicle after having once been registered shall upon reregistration, be registered for the same twelve-month period except when the certificate of title has been transferred as provided by law. In this case, the vehicle shall be registered by the division of vehicles in accordance with the system adopted.

(d) For the purpose of this act, hearses and electrically propelled vehicles shall be classified as passenger vehicles.

(e) Every owner who registers or reregisters a vehicle in a calendar year, and in any calendar year in which a license plate is not issued for the renewal of registration of such vehicle, shall be furnished by the division one decal for the license plate issued for such vehicle and required by K.S.A. 8-133, and amendments thereto, to be affixed to the rear of such vehicle. Such decal shall be affixed to the number plate affixed to the rear of such vehicle and shall contain the letters designating the county in which such vehicle is registered, as provided in K.S.A. 8-147, and amendments thereto, shall be numbered serially in each county and shall indicate the year in which such registration expires. The color of a decal shall be such that it contrasts with the color of the license plate to which it is to be affixed, and the director of vehicles shall change the color of such decals each year, without duplicating the same color in any five-year period or such extended period as the director designates under subsection (b) of K.S.A. 8-132, and amendments thereto. Such decals shall be so constructed that once a decal has been affixed to a license plate it cannot be removed without destroying the decal, and the surface of such decals shall be capable of reflecting light. Consistent with the foregoing, the director of vehicles shall prescribe the size of and material

to be used in the production of such decals, and the director of vehicles shall designate the location on a number plate where such decal shall be affixed.

(f) (1) *The owner of a vehicle may, at the time of such registration or reregistration, purchase a park and recreation motor vehicle permit. Such permit shall cost \$15 until such time as the amount for such permit is changed by rules and regulations of the secretary of wildlife, parks and tourism.*

(2) *Such permit shall be nontransferable and shall expire on the date of expiration of the vehicle registration.*

(3) *Except as provided in subsection (f)(4), the county treasurer shall remit all such moneys paid to the county treasurer to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury and shall be credited as provided in K.S.A. 32-991, and amendments thereto.*

(4) *The county treasurer may collect and retain a service charge fee of up to \$.50 for each park and recreation motor vehicle permit issued or sold by the county treasurer.*

Sec. 5. K.S.A. 2011 Supp. 22-3437 is hereby amended to read as follows: 22-3437. (a) (1) In any hearing or trial, a report concerning fo-

rensic examinations and certificate of forensic examination executed pursuant to this section shall be admissible in evidence if the report and certificate are prepared and attested by a criminalist or other employee of the Kansas bureau of investigation, Kansas highway patrol, Johnson County sheriff's laboratory, Sedgwick County regional forensic science center, or any laboratory of the federal bureau of investigation, federal postal inspection service, federal bureau of alcohol, tobacco and firearms or federal drug enforcement administration. If the examination involves a breath test for alcohol content, the report must also be admissible pursuant to K.S.A. 8-1001, and amendments thereto, and be conducted by a law enforcement officer or other person who is certified by the department of health and environment as a breath test operator as provided by K.S.A. 65-1,107 *et seq.*, and amendments thereto.

(2) Upon the request of any law enforcement agency, such person as provided in paragraph (1) performing the analysis shall prepare a certificate. Such person shall sign the certificate under oath and shall include in the certificate an attestation as to the result of the analysis. The presentation of this certificate to a court by any party to a proceeding shall be evidence that all of the requirements and provisions of this section have been complied with. This certificate shall be supported by a written declaration pursuant to K.S.A. 53-601, and amendments thereto, or shall be sworn to before a notary public or other person empowered by law to take oaths and shall contain a statement establishing the following: The type of analysis performed; the result achieved; any conclusions reached based upon that result; that the subscriber is the person who performed the analysis and made the conclusions; the subscriber's training or experience to perform the analysis; the nature and condition of the equipment used; and the certification and foundation requirements for admissibility of breath test results, when appropriate. When properly executed, the certificate shall, subject to the provisions of paragraph (3) and notwithstanding any other provision of law, be admissible evidence of the results of the forensic examination of the samples or evidence submitted for analysis and the court shall take judicial notice of the signature of the person performing the analysis and of the fact that such person is that person who performed the analysis.

(3) Whenever a party intends to proffer in a criminal or civil proceeding, a certificate executed pursuant to this section, notice of an intent to proffer that certificate and the reports relating to the analysis in question, including a copy of the certificate, shall be conveyed to the opposing party or parties at least ~~20~~-21 days before the beginning of a hearing where the proffer will be used. An opposing party who intends to object to the admission into evidence of a certificate shall give notice of objection and the grounds for the objection within ~~10~~-14 days upon receiving the adversary's notice of intent to proffer the certificate. Whenever a notice of objection is filed, admissibility of the certificate shall be determined

not later than two days before the beginning of the trial. A proffered certificate shall be admitted in evidence unless it appears from the notice of objection and grounds for that objection that the conclusions of the certificate, including the composition, quality or quantity of the substance submitted to the laboratory for analysis or the alcohol content of a blood or breath sample will be contested at trial. A failure to comply with the time limitations regarding the notice of objection required by this section shall constitute a waiver of any objections to the admission of the certificate. The time limitations set forth in this section may be extended upon a showing of good cause.

(b) (1) In any hearing or trial where there is a report concerning forensic examinations from a person as provided in paragraph (1) of subsection (a), district and municipal courts may, upon request of either party, use two-way interactive video technology, including internet-based videoconferencing, to take testimony from that person if the testimony is in relation to the report.

Sec. 7. K.S.A. 2011 Supp. 44-703 is hereby amended to read as follows: 44-703. As used in this act, unless the context clearly requires otherwise:

(a) (1) “Annual payroll” means the total amount of wages paid or payable by an employer during the calendar year.

(2) “Average annual payroll” means the average of the annual payrolls

of any employer for the last three calendar years immediately preceding the computation date as hereinafter defined if the employer has been continuously subject to contributions during those three calendar years and has paid some wages for employment during each of such years. In determining contribution rates for the calendar year, if an employer has not been continuously subject to contribution for the three calendar years immediately preceding the computation date but has paid wages subject to contributions during only the two calendar years immediately preceding the computation date, such employer's "average annual payroll" shall be the average of the payrolls for those two calendar years.

(3) "Total wages" means the total amount of wages paid or payable by an employer during the calendar year, including that part of remuneration in excess of the limitation prescribed as provided in subsection (o)(1) of this section.

(b) "Base period" means the first four of the last five completed calendar quarters immediately preceding the first day of an individual's benefit year, except that the base period in respect to combined wage claims means the base period as defined in the law of the paying state.

(1) (A) If an individual lacks sufficient base period wages in order to establish a benefit year in the matter set forth above and satisfies the requirements of subsection (g) of K.S.A. 44-705 and subsection (hh) of K.S.A. 44-703, and amendments thereto, the claimant shall have an alternative base period substituted for the current base period so as not to prevent establishment of a valid claim. For the purposes of this subsection, "alternative base period" means the last four completed quarters immediately preceding the date the qualifying injury occurred. In the event the wages in the alternative base period have been used on a prior claim, then they shall be excluded from the new alternative base period.

(B) If an individual lacks sufficient base period wages in order to establish a benefit year in the manner set forth above the claimant shall have an alternative base period substituted for the current base period. For the purposes of this subsection, "alternative base period" means eligibility shall be determined using a base period that consists of the four most recently completed calendar quarters preceding the start of the benefit year.

(2) For the purposes of this chapter, the term "base period" includes the alternative base period.

(c) (1) "Benefits" means the money payments payable to an individual, as provided in this act, with respect to such individual's unemployment.

(d) "Benefit year" with respect to any individual, means the period

beginning with the first day of the first week for which such individual files a valid claim for benefits, and such benefit year shall continue for one full year. In the case of a combined wage claim, the benefit year shall be the benefit year of the paying state. Following the termination of a benefit year, a subsequent benefit year shall commence on the first day of the first week with respect to which an individual next files a claim for benefits. When such filing occurs with respect to a week which overlaps the preceding benefit year, the subsequent benefit year shall commence on the first day immediately following the expiration date of the preceding benefit year. Any claim for benefits made in accordance with subsection (a) of K.S.A. 44-709, and amendments thereto, shall be deemed to be a “valid claim” for the purposes of this subsection if the individual has been paid wages for insured work as required under subsection (e) of K.S.A. 44-705, and amendments thereto. Whenever a week of unemployment overlaps two benefit years, such week shall, for the purpose of granting waiting-period credit or benefit payment with respect thereto, be deemed to be a week of unemployment within that benefit year in which the greater part of such week occurs.

(e) “Commissioner” or “secretary” means the secretary of labor.

(f) (1) “Contributions” means the money payments to the state employment security fund which are required to be made by employers on account of employment under K.S.A. 44-710, and amendments thereto, and voluntary payments made by employers pursuant to such statute.

(2) “Payments in lieu of contributions” means the money payments to the state employment security fund from employers which are required to make or which elect to make such payments under subsection (e) of K.S.A. 44-710, and amendments thereto.

(h) “Employer” means:

(3) Any employing unit for which service is employment as defined in subsection (i)(3)(E) of this section.

(4) (A) Any employing unit, whether or not it is an employing unit under subsection (g) of this section, which acquires or in any manner succeeds to (i) substantially all of the employing enterprises, organization, trade or business, or (ii) substantially all the assets, of another employing unit which at the time of such acquisition was an employer subject to this act;

(B) any employing unit which is controlled substantially, either directly or indirectly by legally enforceable means or otherwise, by the same interest or interests, whether or not such interest or interests are an employing unit under subsection (g) of this section, which acquires or in any manner succeeds to a portion of an employer's annual payroll, which is less than 100% of such employer's annual payroll, and which intends to continue the acquired portion as a going business.

(iii) the employer gave or sent written notice to the individual, at the individual's last known address, that future absence may or will result in discharge; and

(iv) the employee had knowledge of the employer's written absenteeism policy.

(B) For the purposes of this subsection, if an employee disputes being absent without good cause, the employee shall present evidence that a majority of the employee's absences were for good cause. If the employee alleges that the employee's repeated absences were the result of health related issues, such evidence shall include documentation from a licensed and practicing health care provider as defined in subsection (a)(1).

(4) An individual shall not be disqualified under this subsection if the individual is discharged under the following circumstances:

(A) The employer discharged the individual after learning the individual was seeking other work or when the individual gave notice of future intent to quit;

In determining whether or not any work is suitable for an individual, the secretary of labor, or a person or persons designated by the secretary, shall consider the degree of risk involved to health, safety and morals, physical fitness and prior training, experience and prior earnings, length of unemployment and prospects for securing local work in the individual's customary occupation or work for which the individual is reasonably fitted by training or experience, and the distance of the available work from the individual's residence. Notwithstanding any other provisions of this act, an otherwise eligible individual shall not be disqualified for refusing an offer of suitable employment, or failing to apply for suitable employment when notified by an employment office, or for leaving the individual's most recent work accepted during approved training, including training approved under section 236(a)(1) of the trade act of 1974, if the acceptance of or applying for suitable employment or continuing such work would require the individual to terminate approved training and no work shall be deemed suitable and benefits shall not be denied under this act to any otherwise eligible individual for refusing to accept new work under any of the following conditions: (1) If the position offered is vacant due directly to a strike, lockout or other labor dispute; (2) if the remuneration, hours or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality; (3) if as a condition of being employed, the individual would be required to join or to resign from or refrain from joining any labor organization; and (4) if the individual left employment as a result of domestic violence, and the position offered does not reasonably accommodate the individual's physical, psychological, safety, and/or legal needs relating to such domestic violence.

(d) For any week with respect to which the secretary of labor, or a person or persons designated by the secretary, finds that the individual's unemployment is due to a stoppage of work which exists because of a labor dispute or there would have been a work stoppage had normal operations not been maintained with other personnel previously and currently employed by the same employer at the factory, establishment or other premises at which the individual is or was last employed, except that this subsection (d) shall not apply if it is shown to the satisfaction of the secretary of labor, or a person or persons designated by the secretary, that: (1) The individual is not participating in or financing or directly interested in the labor dispute which caused the stoppage of work; and (2) the individual does not belong to a grade or class of workers of which,

immediately before the commencement of the stoppage, there were members employed at the premises at which the stoppage occurs any of whom are participating in or financing or directly interested in the dispute. If in any case separate branches of work which are commonly conducted as separate businesses in separate premises are conducted in separate departments of the same premises, each such department shall, for the purpose of this subsection be deemed to be a separate factory, establishment or other premises. For the purposes of this subsection, failure or refusal to cross a picket line or refusal for any reason during the continuance of such labor dispute to accept the individual's available and customary work at the factory, establishment or other premises where the individual is or was last employed shall be considered as participation and interest in the labor dispute.

(e) For any week with respect to which or a part of which the individual has received or is seeking unemployment benefits under the unemployment compensation law of any other state or of the United States, except that if the appropriate agency of such other state or the United States finally determines that the individual is not entitled to such unemployment benefits, this disqualification shall not apply.

Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits. In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to such individual are not payable

No reduction shall be made for payments made under the social security act or railroad retirement act of 1974.

The local governmental authority must agree to provide proper closure and postclosure maintenance of the disposal site as a condition of authorization.

- (1) A direct rollover to an eligible retirement plan; or
- (2) a lump-sum distribution.

(b) The board by official action may specify minimum account balances for purposes of allowing benefit payment options and rollovers in accordance with federal law.

New Sec. 11. (a) A member who is eligible for a benefit under subsection (a) or (b) of section 13, and amendments thereto, shall be entitled to a distribution of such member's annuity savings account. Such distribution shall be made using mortality rates and interest rates as provided in subsection (a) of section 13, and amendments thereto, and may be made in any of the annuity options described in subsection (c) of section 13, and amendments thereto. In lieu of an annuity, a member entitled to a benefit under subsection (a) of section 13, and amendments thereto, may elect to receive a lump-sum of such member's annuity savings account of any fixed dollar amount or percent, but in no event may the lump-sum option elected under this section and the lump-sum option elected under subsection (c) of section 13, and amendments thereto, exceed 30% of the total value of such member's annuity savings account and retirement annuity account.

(b) A member who is not eligible for a benefit under subsection (a) or (b) of section 13, and amendments thereto, but who terminates employment in any covered position under the system, may elect to take a distribution of such member's entire annuity savings account balance, but the member shall then forfeit the entire balance in the member's retirement annuity account.

(c) In the case of an active or inactive member:

- (1) Who is vested in the member's annuity savings account;
- (2) who has five or more years of service at death; and

(3) who dies before attaining normal retirement age, with such member's spouse at time of death designated as such member's sole primary beneficiary, the member's surviving spouse on and after the date the member would have attained normal retirement age had such member not died, shall receive an annuity based upon such member's contributions and interest credits in the annuity savings account, using factors established by the board by official action as of the beneficiary's annuity start date. The form of benefit shall be a single life annuity with 10-year certain.

New Sec. 12. (a) A member is vested, but subject to forfeiture, in the member's retirement annuity account upon completion of five years of service. A member's benefit is nonforfeitable upon the attainment of normal retirement age and the completion of at least five years of service, whichever is later.

(b) If a member who is not vested in the member's retirement annuity account at termination of employment, has not withdrawn such member's annuity savings account and returns to active employment and membership in the plan within five years of such member's termination, such member's prior years of service, employer credits and interest credits shall be restored upon such return to employment and membership.

New Sec. 13. (a) Except as provided in subsection (e), a member who has a nonforfeitable interest in the member's retirement annuity account, at any time after termination from service and the attainment of normal retirement age, shall receive an annuity based upon the balance in such member's retirement annuity account, using mortality rates established by the board by official action as of the member's annuity start date and interest rates established by the legislature as of the member's annuity start date, and such interest rate shall initially be 6%. The legislature may from time to time prospectively change the interest rate and the board may from time to time prospectively change the mortality rates, and the legislature expressly reserves such rights to do so.

(b) Except as provided in subsection (e), a member who has a vested interest in the member's retirement annuity account, who terminates after attainment of age 55 with the completion of at least 10 years of service, shall receive an annuity based upon employer credits and interest credits in such member's retirement annuity account, using mortality rates established by the board by official action as of the member's annuity start date and an interest rate established by the legislature as of the member's annuity start date, and such interest rate shall initially be 6%. The legislature may from time to time prospectively change the interest rate and the board may from time to time prospectively change the mortality rates, and the legislature expressly reserves such rights to do so.

(c) The form of benefit payable under subsections (a) and (b) shall be a single life annuity with 10-year certain. The member may elect any option described in K.S.A. 74-4918, and amendments thereto, except the partial lump-sum option, subject to actuarial factors established by the board from time to time. The benefit option selected may include a self-funded cost-of-living adjustment feature, in which the account value is converted to a benefit amount that increases by a fixed percentage over time. One or more fixed percentages shall be established by the board, which may be changed from time to time. In lieu of a part of an annuity, for a member entitled to a benefit under subsection (a), the member may elect to receive a lump-sum of such member's retirement annuity account

of any fixed dollar amount or percent, but in no event may the lump-sum option elected under this section and the lump-sum option elected under subsection (a) of section 11, and amendments thereto, exceed 30% of the total value of such member's annuity savings account and retirement annuity account.

(d) Except as provided in subsection (d), in the case of an active or inactive member:

- (1) Who is vested in the member's retirement annuity account;
- (2) who has five or more years of service at death; and
- (3) who dies before attaining normal retirement age, with such member's spouse at time of death designated as such member's sole primary beneficiary, the member's surviving spouse on and after the date the member would have attained normal retirement age had such member not died, shall receive an annuity based upon employer credits and interest credits in the retirement annuity account, using factors established by the board by official action as of the beneficiary's annuity start date. The form of benefit shall be a single life annuity with 10-year certain.

(e) If a member's vested retirement annuity account is less than \$1,000 upon separation from service, or the total of the member's vested retirement annuity account and annuity savings account balance is less than \$1,000, the account balance or balances shall be mandatorily distributed to the member in accordance with section 401(a)(31)(B) of the federal internal revenue code. If the member does not elect to have such distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly, then the board will pay the distribution to the member directly.

New Sec. 14. All benefit payments under the plan established pursuant to this act are subject to the requirements imposed under federal internal revenue code 401(a)(9).

New Sec. 15. A member's beneficiary shall be determined as provided in the pre-2014 plan. Upon filing a written application with the board after the death of a member receiving a benefit under subsection (a) of section 13, and amendments thereto, the member's beneficiary is entitled to a \$4,000 death benefit as provided in K.S.A. 74-4989, and amendments thereto.

New Sec. 16. (a) Members of the retirement system under the Kansas public employees retirement system act of 2015 shall be covered in the death and disability plan in accordance with K.S.A. 74-4927, and amendments thereto, but subject to the provisions of this section.

(b) (1) In the event that a member becomes eligible for and begins receiving a long-term disability benefit under the plan, such member shall be given participating service credit for the entire period of such disability. Such member's annuity savings account and retirement annuity account shall be credited with the amount of employee contributions and

employer credits and interest credits prescribed in this act for the entire period of such disability, but no later than the time prescribed by subsection (3).

(2) The salary upon which credits to such member's annuity savings account and retirement annuity account are based shall be the employee's salary at the time of disability, which shall be adjusted once each year on January 1, but only after five years of disability, by the lesser of: (A) The percentage increase in the consumer price index for all urban consumers as published by the bureau of labor statistics of the United States department of labor measured in the prior November, minus 1%; or (B) 4% *per annum*.

(3) All credits to the annuity savings account and the retirement annuity account shall cease upon the earliest of: (A) Death;

(B) attainment of normal retirement age; or

(C) the date the member is no longer entitled to receive disability benefits pursuant to law or the terms of the plan as established by the board.

New Sec. 17. The provisions of K.S.A. 74-49,122, 74-49,123 and 74-49,124, and amendments thereto, shall apply to this act. However, the definitions of "actuarial equivalent" or "actuarial computation" shall not apply to this act.

New Sec. 18. (a) All electronic and written account statements provided to the members, or accessible to the members through electronic account access, shall include:

(1) The anticipated monthly benefit from the account based on a retirement age of 65;

(2) the anticipated percentage of income replacement provided by the plan based upon a retirement age of 65; and

(3) the hypothetical or notional account balance.

(b) All electronic and written account statements provided to the members, or accessible to the members through electronic account access, shall clearly state that additional personal savings in programs like an internal revenue code section 403(b) plan or a 457 plan will likely be necessary to insure adequate retirement savings and to address cost-of-living increases.

(c) The board shall develop and make available to all members an electronic benefits estimate calculator for the plan established pursuant to this act.

Sec. 19. K.S.A. 2011 Supp. 74-4914d is hereby amended to read as follows: 74-4914d. Any additional cost resulting from the normal retirement date and retirement before such normal retirement date for security officers as provided in K.S.A. 74-4914c, and amendments thereto, and disability benefits as provided in K.S.A. 74-4914e, and amendments thereto, shall be added to the employer rate of contribution for the de-

partment of corrections as otherwise determined under K.S.A. 74-4920, and amendments thereto, except that the employer rate of contribution for the department of corrections including any such additional cost added to such employer rate of contribution pursuant to this section shall in no event exceed the employer rate of contribution for the department of corrections for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which security officers contribute during the period: (a) For the fiscal year commencing in calendar year 2006, an amount not to exceed more than 0.5% of the amount of the immediately preceding fiscal year; and (b) for the fiscal year commencing in calendar year 2007, and in each subsequent calendar year years 2010 through 2012, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (b) for the fiscal year commencing in calendar year 2013, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (c) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (d) for the fiscal year commencing in calendar year 2015, an amount not to exceed more than 1.1% of the amount of the immediately preceding fiscal year; and (e) for the fiscal year commencing in calendar year 2016, and in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year.

Sec. 20. K.S.A. 74-4915 is hereby amended to read as follows: 74-4915. (1) Any member who retires on or after such member's normal retirement date shall be entitled to receive an annual retirement benefit equal to the sum obtained by adding an amount for participating service and an amount for prior service determined as provided in this section. The amount for prior service shall be equal to 1% of the member's prior service annual salary multiplied by the number of years of prior service entitled to credit as provided in K.S.A. 74-4913, and amendments thereto, except that for members retiring on or after July 1, 1981, who were last employed by a participating employer which had affiliated with the system under K.S.A. 74-4910, 74-4912, 74-4929 or 74-4991, and amendments thereto, and for the period commencing January 1, 1986, for members retiring before July 1, 1981, who were last employed by a participating employer which had affiliated with the system under K.S.A. 74-4910, 74-4912, 74-4929 or 74-4991, and amendments thereto, except that any increase in benefits under this section shall be reduced by any postretirement benefit adjustments received by such member prior to July 2, 1985, the amount for prior service shall be calculated using final average salary in lieu of prior service annual salary and, in the case of any such member who became a member under subsection (3) of K.S.A. 74-4925, and amendments thereto, and for whom a final average salary cannot be oth-

erwise determined, such member's final average salary shall be based on all service for which such member received assistance in a plan under subsection (2) of K.S.A. 74-4925, and amendments thereto, as certified by such employer upon request of the board. For any member who retires on or after July 1, 1993, the amount for participating service shall be equal to the total of 1.75% of the member's final average salary multiplied by the number of years of participating service *earned prior to January 1, 2014, and, subject to any election made pursuant to the provisions of section 25, and amendments thereto, 1.4% or 1.85% of the member's final average salary multiplied by the number of years of participating service earned on and after January 1, 2014. If the federal internal revenue service fails to grant an approval or issues an adverse decision as described in section 25, and amendments thereto, the amount for participating service earned on and after January 1, 2014, shall be 1.85% of the member's final average salary multiplied by the number of years of participating service earned on and after January 1, 2014. Notwithstanding any provision of law to the contrary, service that is purchased under the provisions of K.S.A. 74-4919a et seq., and amendments thereto, shall be credited at a rate which equals 1.4% of the member's final average salary for members that elect the 1.4% multiplier pursuant to subsection (b)(2) of section 25, and amendments thereto, and 1.75% of the member's final average salary for members that elect the 1.85% multiplier pursuant to subsection (b)(1) of section 25, and amendments thereto.*

(2) (A) Any member who retires on or after July 1, 1993, but before the normal retirement date and has attained age 60 but has not attained age 62 with the completion of 10 years of credited service, shall receive an annual retirement benefit equal to the annual retirement benefit payable had the member retired on the normal retirement date but based upon the member's final average salary and years of participating and prior service credited to the date of actual retirement reduced by an amount equal to the product of (i) such annual retirement benefit payable had the member retired on the normal retirement date, multiplied by (ii) the product of .2% multiplied by the number of months' difference, to the nearest whole month, between the member's attained age at the time of retirement and age 62.

(B) Any member who retires on or after July 1, 1993, but before the normal retirement date and has attained age 55 but has not attained age 60 with the completion of 10 years of credited service, shall receive an annual retirement benefit equal to the annual retirement benefit payable had the member retired on the normal retirement date but based upon the member's final average salary and years of participating and prior service credited to the date of actual retirement reduced by an amount equal to the total of: (i) (a) The product of such annual retirement benefit payable had the member retired on the normal retirement date, multiplied by (b) the product of .6% multiplied by the number of months'

difference, to the nearest whole month, between the member's attained age at the time of retirement and age 60; and

(ii) on and after July 1, 1993, the product of such annual retirement benefit payable had the member retired on the normal retirement date, multiplied by 4.8%.

(3) Upon death of a retirant, there shall be paid to such retirant's beneficiary an amount equal to the excess, if any, of such retirant's accumulated contributions over the sum of all retirement benefit payments made.

(4) Such annual retirement benefits shall be paid in equal monthly installments, except; that the board may provide for the payment of retirement benefits which total less than \$240 a year on other than a monthly basis.

(5) In the event that an application in such form as may be prescribed by the board for any amount due under the provisions of this act, is not filed with the office of the retirement system by the person entitled to same within five years of the date such amount became due and payable, an amount equal to same shall be transferred to the retirement benefit accumulation reserve and such amount shall no longer be due and payable, except that if any such person shall present evidence satisfactory to the board that such person's failure to file such application within that time period was due to lack of knowledge or incapacity on such person's part, the amount equal to the amount originally due shall be transferred from the retirement benefit accumulation reserve to the reserve or reserves from which such transfer was initially made and the amount originally due shall be paid to such person.

(6) The participating employer, when an employee files an application for retirement, shall certify to the system all member contributions of such employee which have not been reported previously. In the event the amount certified results in an overpayment of retirement benefits, the employer shall be held responsible for the contribution amount previously certified from the time of commencement of the overpayment of retirement benefits until the time that such overpayment is discovered by the system. At the time that such overpayment of retirement benefits is discovered by the system, the system shall adjust the amount of retirement benefits paid to the employee to the correct amount based on the participating employer's certification of member contributions which had not been previously reported. The participating employer of the employee who has had such member's retirement benefits adjusted as provided in this subsection shall notify such employee of such overpayment and such adjustment of retirement benefits. If the contributions previously certified are lower than the actual amount reported, the employer shall be responsible for remitting the correct amount and the member's monthly benefit shall be recalculated based on the amount reported by the employer. When an employee in school employment files such an

application, the participating employer responsible for any such amounts as provided in this subsection shall be the employee's eligible employer as specified in subsection (1), (2) or (3) of K.S.A. 74-4931, and amendments thereto, and shall not be the state of Kansas. The provisions of law in effect on the retirement date of a member under the system shall govern the retirement benefit payable to the retirant, any joint annuitant and any beneficiary.

Sec. 21. K.S.A. 74-4919 is hereby amended to read as follows: 74-4919. (1) *Except as otherwise provided*, each participating employer, beginning with the first payroll for services performed after the entry date, shall deduct from the compensation of each member 4% of such member's compensation as employee contributions. *Subject to any election made pursuant to the provisions of section 25, and amendments thereto, each participating employer, for services performed by an employee first employed prior to July 1, 2009, shall deduct from the compensation of each member, the following amounts expressed as a percentage of compensation during the following periods: (a) Commencing January 1, 2014, for members who elected to receive an amount for participating service equal to the total of 1.4% of such member's final average salary, 4% of such member's compensation as employee contributions, and (b) commencing January 1, 2014, for members who elected to receive an amount for participating service equal to the total of 1.85% of such member's final average salary, who did not make an election pursuant to section 25, and amendments thereto, or if the federal internal revenue service fails to grant an approval or issues an adverse decision as described in section 25, and amendments thereto, 5% of such member's compensation as employee contributions, and commencing January 1, 2015, and in each subsequent calendar year, 6% of such member's compensation as employee contributions.* Such deductions shall be remitted quarterly, or as the board may otherwise provide, to the executive director for deposit in the Kansas public employees retirement fund. Such deductions shall be credited to the members' individual accounts and interest shall be added annually to such accounts.

(2) (a) Subject to the provisions of K.S.A. 74-49,123, and amendments thereto, each participating employer, pursuant to the provisions of section 414(h)(2) of the federal internal revenue code, shall pick up and pay the contributions which would otherwise be payable by members as prescribed in subsection (1) commencing with the third quarter of 1984. The contributions so picked up shall be treated as employer contributions for purposes of determining the amounts of federal income taxes to withhold from the member's compensation.

(b) Member contributions picked up by the employer shall be paid from the same source of funds used for the payment of compensation to a member. A deduction shall be made from each member's compensation

equal to the amount of the member's contributions picked up by the employer, provided that such deduction shall not reduce the member's compensation for purposes of computing benefits under the system.

(c) Member contributions picked up by the employer shall be remitted quarterly, or as the board may otherwise provide, to the executive director for credit to the Kansas public employees retirement fund. Such contributions shall be credited to a separate account within the member's individual account so that amounts contributed by the member commencing with the third quarter of 1984 may be distinguished from the member contributions picked up by the employer. Interest shall be added annually to members' individual accounts.

Sec. 22. K.S.A. 2011 Supp. 74-4920, as amended by section 2 of 2012

House Bill No. 2460, is hereby amended to read as follows: 74-4920. (1)

(a) Upon the basis of each annual actuarial valuation and appraisal as provided for in subsection (3)(a) of K.S.A. 74-4908, and amendments thereto, the board shall certify, on or before July 15 of each year, to the division of the budget in the case of the state and to the agent for each other participating employer an actuarially determined estimate of the rate of contribution which will be required, together with all accumulated contributions and other assets of the system, to be paid by each such participating employer to pay all liabilities which shall exist or accrue under the system, including amortization of the actuarial accrued liability as determined by the board. The board shall determine the actuarial cost method to be used in annual actuarial valuations, to determine the employer contribution rates that shall be certified by the board. Such certified rate of contribution, amortization methods and periods and actuarial cost method shall be based on the standards set forth in subsection (3)(a) of K.S.A. 74-4908, and amendments thereto, and shall not be based on any other purpose outside of the needs of the system.

(b) (i) For employers affiliating on and after January 1, 1999, upon the basis of an annual actuarial valuation and appraisal of the system conducted in the manner provided for in K.S.A. 74-4908, and amendments thereto, the board shall certify, on or before July 15 of each year to each such employer an actuarially determined estimate of the rate of contribution which shall be required to be paid by each such employer to pay all of the liabilities which shall accrue under the system from and after the entry date as determined by the board, upon recommendation of the actuary. Such rate shall be termed the employer's participating service contribution and shall be uniform for all participating employers. Such additional liability shall be amortized as determined by the board. For all participating employers described in this section, the board shall determine the actuarial cost method to be used in annual actuarial valuations to determine the employer contribution rates that shall be certified by the board.

(ii) The board shall determine for each such employer separately an amount sufficient to amortize all liabilities for prior service costs which shall have accrued at the time of entry into the system. On the basis of such determination the board shall annually certify to each such employer separately an actuarially determined estimate of the rate of contribution which shall be required to be paid by that employer to pay all of the liabilities for such prior service costs. Such rate shall be termed the employer's prior service contribution.

(2) The division of the budget and the governor shall include in the budget and in the budget request for appropriations for personal services the sum required to satisfy the state's obligation under this act as certified by the board and shall present the same to the legislature for allowance and appropriation.

(3) Each other participating employer shall appropriate and pay to the system a sum sufficient to satisfy the obligation under this act as certified by the board.

(4) Each participating employer is hereby authorized to pay the employer's contribution from the same fund that the compensation for which such contribution is made is paid from or from any other funds available to it for such purpose. Each political subdivision, other than an instrumentality of the state, which is by law authorized to levy taxes for other purposes, may levy annually at the time of its levy of taxes, a tax which may be in addition to all other taxes authorized by law for the purpose of making its contributions under this act and, in the case of cities and counties, to pay a portion of the principal and interest on bonds issued under the authority of K.S.A. 12-1774, and amendments thereto, by cities located in the county, which tax, together with any other fund available, shall be sufficient to enable it to make such contribution. In lieu of levying the tax authorized in this subsection, any taxing subdivision may pay such costs from any employee benefits contribution fund established pursuant to K.S.A. 12-16,102, and amendments thereto. Each participating employer which is not by law authorized to levy taxes as described above, but which prepares a budget for its expenses for the ensuing year and presents the same to a governing body which is authorized by law to levy taxes as described above, may include in its budget an amount sufficient to make its contributions under this act which may be in addition to all other taxes authorized by law. Such governing body to which the budget is submitted for approval, may levy a tax sufficient to allow the participating employer to make its contributions under this act, which tax, together with any other fund available, shall be sufficient to enable the participating employer to make the contributions required by this act.

(5) (a) The rate of contribution certified to a participating employer as provided in this section shall apply during the fiscal year of the participating employer which begins in the second calendar year following the year of the actuarial valuation.

(b) (i) Except as specifically provided in this section, for fiscal years commencing in calendar year 1996 and in each subsequent calendar year, the rate of contribution certified to the state of Kansas shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than 0.2% of the amount of compensation upon which members contribute during the period.

(ii) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to the state of Kansas and to the participating employers under K.S.A. 74-4931, and amendments thereto, shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar year 2005, an amount not to exceed more than 0.4% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2006, an amount not to exceed more than 0.5% of the amount of the immediately preceding fiscal year; and (C) for the fiscal year commencing in calendar year 2007 and in each subsequent calendar year years 2010 through 2012, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2013, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (C) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (D) for the fiscal year commencing in calendar year 2015, an amount not to exceed more than 1.1% of the amount of the immediately preceding fiscal year; and (E) for the fiscal year commencing in calendar year 2016, and in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year.

(iii) Except as specifically provided in this section, for fiscal years commencing in calendar year 1997 and in each subsequent calendar year, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed such participating employer's contribution rate for the immediately preceding fiscal year by more than 0.15% of the amount of compensation upon which members contribute during the period.

(iv) Except as specifically provided in this subsection, for the fiscal years commencing in the following calendar years, the rate of contribution certified to participating employers other than the state of Kansas shall in no event exceed the contribution rate for such employers for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which members contribute during the period: (A) For the fiscal year commencing in calendar year 2006, an amount not to exceed more than 0.4% of the amount of the

immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2007, an amount not to exceed more than 0.5% of the amount of the immediately preceding fiscal year; and (C) for the fiscal year commencing in calendar year 2008 and in each subsequent calendar year—years 2010 through 2013, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (B) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (C) for the fiscal year commencing in calendar year 2015, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (D) for the fiscal year commencing in calendar year 2016, an amount not to exceed more than 1.1% of the amount of the immediately preceding fiscal year; and (E) for the fiscal year commencing in calendar year 2017, and in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year.

(v) As part of the annual actuarial valuation, there shall be a separate employer rate of contribution calculated for the state of Kansas, a separate employer rate of contribution calculated for participating employers under K.S.A. 74-4931, and amendments thereto, a combined employer rate of contribution calculated for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, and a separate employer rate of contribution calculated for all other participating employers.

(vi) There shall be a combined employer rate of contribution certified to the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto. There shall be a separate employer rate of contribution certified to all other participating employers.

(vii) If the combined employer rate of contribution calculated for the state of Kansas and participating employers under K.S.A. 74-4931, and amendments thereto, is greater than the separate employer rate of contribution for the state of Kansas, the difference in the two rates applied to the actual payroll of the state of Kansas for the applicable fiscal year shall be calculated. This amount shall be certified by the board for deposit as additional employer contributions to the retirement benefit accumulation reserve for the participating employers under K.S.A. 74-4931, and amendments thereto.

(6) The actuarial cost of any legislation enacted in the 1994 session of the Kansas legislature will be included in the June 30, 1994, actuarial valuation in determining contribution rates for participating employers.

(7) The actuarial cost of the provisions of K.S.A. 74-4950i, and amendments thereto, will be included in the June 30, 1998, actuarial valuation in determining contribution rates for participating employers. The actuarial accrued liability incurred for the provisions of K.S.A. 74-4950i, and amendments thereto, shall be amortized over 15 years.

(8) Except as otherwise provided by law, the actuarial cost of any

legislation enacted by the Kansas legislature, except the actuarial cost of K.S.A. 74-49,114a, and amendments thereto, shall be in addition to the employer contribution rates certified for the employer contribution rate in the fiscal year immediately following such enactment. *Such actuarial cost shall be determined by the qualified actuary employed or retained by the system pursuant to K.S.A. 74-4908, and amendments thereto, and reported to the system and the joint committee on pensions, investments and benefits.*

(9) Notwithstanding the provisions of subsection (8), the actuarial cost of the provisions of K.S.A. 74-49,109 *et seq.*, and amendments thereto, shall be first reflected in employer contribution rates effective with the first day of the first payroll period for the fiscal year 2005. The actuarial accrued liability incurred for the provisions of K.S.A. 74-49,109 *et seq.*, and amendments thereto, shall be amortized over 10 years.

(10) The cost of the postretirement benefit payment provided pursuant to the provisions of K.S.A. 2011 Supp. 74-49,114b, and amendments thereto, for retirants other than local retirants as described in subsection (11) or insured disability benefit recipients shall be paid in the fiscal year commencing on July 1, 2007.

(11) The actuarial accrued liability incurred for the provisions of K.S.A. 2011 Supp. 74-49,114b, and amendments thereto, for the KPERS local group and retirants who were employees of local employers which affiliated with the Kansas police and firemen's retirement system shall be amortized over 10 years.

(12) The cost of the postretirement benefit payment provided pursuant to the provisions of K.S.A. 2011 Supp. 74-49,114c, and amendments thereto, for retirants other than local retirants as described in subsection (13) or insured disability benefit recipients shall be paid in the fiscal year commencing on July 1, 2008.

(13) The actuarial accrued liability incurred for the provisions of K.S.A. 2011 Supp. 74-49,114c, and amendments thereto, for the KPERS local group and retirants who were employees of local employers which affiliated with the Kansas police and firemen's retirement system shall be amortized over 10 years.

(14) The board with the advice of the actuary may fix the contribution rates for participating employers joining the system after one year from the first entry date or for employers who exercise the option contained in K.S.A. 74-4912, and amendments thereto, at rates different from the rate fixed for employers joining within one year of the first entry date.

(15) Employer contributions shall in no way be limited by any other act which now or in the future establishes or limits the compensation of any member.

(16) Notwithstanding any provision of law to the contrary, each participating employer shall remit quarterly, or as the board may otherwise provide, all employee deductions and required employer contributions to

the executive director for credit to the Kansas public employees retirement fund within three days after the end of the period covered by the remittance by electronic funds transfer. Remittances of such deductions and contributions received after such date are delinquent. Delinquent payments due under this subsection shall be subject to interest at the rate established for interest on judgments under subsection (a) of K.S.A. 16-204, and amendments thereto. At the request of the board, delinquent payments which are due or interest owed on such payments, or both, may be deducted from any other moneys payable to such employer by any department or agency of the state.

Sec. 23. K.S.A. 2011 Supp. 74-49,205 is hereby amended to read as follows: 74-49,205. For any member who is first employed by a participating employer on or after July 1, 2009, and who retires on or after such member's normal retirement date, *but prior to January 1, 2014* the amount for participating service shall be equal to the total of 1.75% of the member's final average salary, *and for any member who retires after such member's normal retirement date, and on and after January 1, 2014, the amount for participating service shall be equal to 1.85% of the member's final average salary*, multiplied by the number of years of participating service to be used in determining such member's annual retirement benefit.

New Sec. 24. (a) The provisions of this section and any related provisions shall not be implemented until the board of trustees of the Kansas public employees retirement system has obtained approval for the election and related provisions specified in this section from the federal internal revenue service. The board may implement the remainder of this act prior to implementation of this section. To that end, this section and provisions related thereto are severable from the remainder of this act and shall be repealed if the federal internal revenue service refuses to grant such approval or issues an adverse decision.

(b) Except as otherwise provided in this act, a member of the system under the provisions of K.S.A. 74-4901 *et seq.*, and amendments thereto, on July 1, 2013, may elect to: (1) Contribute, commencing January 1, 2014, 5% of such member's compensation as employee contributions, and commencing January 1, 2015, and in each subsequent calendar year, 6% of such member's compensation as employee contributions, and to receive an amount for participating service equal to the total of 1.85% of such member's final average salary; or (2) continue to contribute 4% of such member's compensation as employee contributions, and to receive an amount for participating service equal to the total of 1.4% of such member's final average salary. Members shall make such election within a 90-day period established by the board.

(c) (1) Elections made pursuant to this section shall be made on a form and in a manner prescribed by the board.

(2) A member failing to make an election pursuant to subsection (b) shall contribute 6% of such member's compensation as employee contributions, and shall receive an amount for participating service equal to the total of 1.85% of the member's final average salary.

(3) An election under this section, including the default election pursuant to subsection (d)(2), is a one-time irrevocable election.

Sec. 25. K.S.A. 2011 Supp. 74-4937 is hereby amended to read as follows: 74-4937. (1) The normal retirement date of a member of the system who is in school employment and who is subject to K.S.A. 74-4940, and amendments thereto, shall be the first day of the month coinciding with or following termination of employment not followed by employment with any participating employer within 60 days and the attainment of age 65 or, commencing July 1, 1986, age 65 or age 60 with the completion of 35 years of credited service or at any age with the completion of 40 years of credited service, or commencing July 1, 1993, any alternative normal retirement date already prescribed by law or age 62 with the completion of 10 years of credited service or the first day of the month coinciding with or following the date that the total of the number of years of credited service and the number of years of attained age of the member is equal to or more than 85. Each member upon giving prior notice to the appointing authority and the retirement system may retire on the normal retirement date or the first day of any month thereafter.

(2) Any member who is in school employment and who is subject to K.S.A. 74-4940, and amendments thereto, may retire before such member's normal retirement date on the first day of the month coinciding with or following termination of employment not followed by employment with any participating employer within 60 days and the attainment of age 55 with the completion of 10 years of credited service, upon the filing with the office of the retirement system of an application for retirement in such form and manner as the board shall prescribe.

(3) Commencing July 1, 2009, the provisions of subsection (5) of K.S.A. 74-4914, and amendments thereto, which relate to an earnings limitation which when met or exceeded requires that the retiree not receive a retirement benefit for any month for which such retiree serves in a position as described herein shall not apply to retirees who either retired under the provisions of subsection (1) of K.S.A. 74-4914, and amendments thereto, related to normal retirement, or, if they retired under the provisions of subsection (4) of K.S.A. 74-4914, and amendments thereto, related to early retirement, were retired more than 60 days prior to the effective date of this act, and are subsequently hired in a position that requires a license under K.S.A. 72-1388, and amendments thereto, or other provision of law. The provisions of this subsection do not apply to retirees who retired under subsection (4) of K.S.A. 74-4914,

and amendments thereto, which relates to early retirement prior to age 62. Except as otherwise provided, when a retirant is employed by the same school district or a different school district with which such retirant was employed during the final two years of such retirant's participation or employed by a third-party entity who contracts services with a school district to fill a position as described in this subsection, the participating employer of such retirant shall pay to the system the actuarially determined employer contribution based on the retirant's compensation during any such period of employment plus 8%. The provisions of this subsection shall not apply to retirants employed as substitute teachers. The provisions of subsection (5) of K.S.A. 74-4914, and amendments thereto, shall be applicable to retirants employed as described in this subsection, except as specifically provided in this subsection. Nothing in this subsection shall be construed to create any right, or to authorize the creation of any right, which is not subject to amendment or nullification by act of the legislature. The provisions of this subsection shall expire on July 1, ~~2012~~ 2015. After such date the Kansas public employees retirement system and its actuary shall report the experience to the joint committee on pensions, investments and benefits.

Sec. 26. K.S.A. 2011 Supp. 74-4927 is hereby amended to read as follows: 74-4927. (1) The board may establish a plan of death and long-term disability benefits to be paid to the members of the retirement system as provided by this section. The long-term disability benefit shall be payable in accordance with the terms of such plan as established by the board, except that for any member who is disabled prior to the effective date of this act, the annual disability benefit amount shall be an amount equal to 66 $\frac{2}{3}$ % of the member's annual rate of compensation on the date such disability commenced. Such plan shall provide that:

(A) For deaths occurring prior to January 1, 1987, the right to receive such death benefit shall cease upon the member's attainment of age 70 or date of retirement whichever first occurs. The right to receive such long-term disability benefit shall cease (i) for a member who becomes eligible for such benefit before attaining age 60, upon the date that such member attains age 65 or the date of such member's retirement, whichever first occurs, and (ii) for a member who becomes eligible for such benefit at or after attaining age 60, the date that such member has received such benefit for a period of five years, or upon the date of such member's retirement, whichever first occurs.

(B) Long-term disability benefit payments shall be in lieu of any accidental total disability benefit that a member may be eligible to receive under subsection (3) of K.S.A. 74-4916, and amendments thereto. The member must make an initial application for social security disability benefits and, if denied such benefits, the member must pursue and exhaust all administrative remedies of the social security administration which

include, but are not limited to, reconsideration and hearings. Such plan may provide that any amount which a member receives as a social security benefit or a disability benefit or compensation from any source by reason of any employment including, but not limited to, workers compensation benefits may be deducted from the amount of long-term disability benefit payments under such plan. However, in no event shall the amount of long-term disability benefit payments under such plan be reduced by any amounts a member receives as a supplemental disability benefit or compensation from any source by reason of the member's employment, provided such supplemental disability benefit or compensation is based solely upon the portion of the member's monthly compensation that exceeds the maximum monthly compensation taken into account under such plan. As used in this paragraph, "maximum monthly compensation" means the dollar amount that results from dividing the maximum monthly disability benefit payable under such plan by the percentage of compensation that is used to calculate disability benefit payments under such plan. During the period in which such member is pursuing such administrative remedies prior to a final decision of the social security administration, social security disability benefits may be estimated and may be deducted from the amount of long-term disability benefit payments under such plan. If the social security benefit, workers compensation benefit, other income or wages or other disability benefit by reason of employment other than a supplemental benefit based solely on compensation in excess of the maximum monthly compensation taken into account under such plan, or any part thereof, is paid in a lump-sum, the amount of the reduction shall be calculated on a monthly basis over the period of time for which the lump-sum is given. As used in this section, "workers compensation benefits" means the total award of disability benefit payments under the workers compensation act notwithstanding any payment of attorney fees from such benefits as provided in the workers compensation act.

(C) The plan may include other provisions relating to qualifications for benefits; schedules and graduation of benefits; limitations of eligibility for benefits by reason of termination of employment or membership; conversion privileges; limitations of eligibility for benefits by reason of leaves of absence, military service or other interruptions in service; limitations on the condition of long-term disability benefit payment by reason of improved health; requirements for medical examinations or reports; or any other reasonable provisions as established by rule and regulation of uniform application adopted by the board.

(D) Any visually impaired person who is in training at and employed by a sheltered workshop for the blind operated by the secretary of social and rehabilitation services and who would otherwise be eligible for the long-term disability benefit as described in this section shall not be eligible to receive such benefit due to visual impairment as such impairment shall be determined to be a preexisting condition.

(2) (A) In the event that a member becomes eligible for a long-term disability benefit under the plan authorized by this section such member shall be given participating service credit for the entire period of such disability. Such member's final average salary shall be computed in accordance with subsection (17) of K.S.A. 74-4902, and amendments thereto, except that the years of participating service used in such computation shall be the years of salaried participating service.

(B) In the event that a member eligible for a long-term disability benefit under the plan authorized by this section shall be disabled for a period of five years or more immediately preceding retirement, such member's final average salary shall be adjusted upon retirement by the actuarial salary assumption rates in existence during such period of disability. Effective July 1, 1993, such member's final average salary shall be adjusted upon retirement by 5% for each year of disability after July 1, 1993, but before July 1, 1998. Effective July 1, 1998, such member's final average salary shall be adjusted upon retirement by an amount equal to the lesser of: (i) The percentage increase in the consumer price index for all urban consumers as published by the bureau of labor statistics of the United States department of labor minus 1%; or (ii) four percent *per annum*, measured from the member's last day on the payroll to the month that is two months prior to the month of retirement, for each year of disability after July 1, 1998.

(C) In the event that a member eligible for a long-term disability benefit under the plan authorized by this section shall be disabled for a period of five years or more immediately preceding death, such member's current annual rate shall be adjusted by the actuarial salary assumption rates in existence during such period of disability. Effective July 1, 1993, such member's current annual rate shall be adjusted upon death by 5% for each year of disability after July 1, 1993, but before July 1, 1998. Effective July 1, 1998, such member's current annual rate shall be adjusted upon death by an amount equal to the lesser of: (i) The percentage increase in the consumer price index for all urban consumers published by the bureau of labor statistics of the United States department of labor minus 1%; or (ii) four percent *per annum*, measured from the member's last day on the payroll to the month that is two months prior to the month of death, for each year of disability after July 1, 1998.

(3) (A) To carry out the legislative intent to provide, within the funds made available therefor, the broadest possible coverage for members who are in active employment or involuntarily absent from such active employment, the plan of death and long-term disability benefits shall be subject to adjustment from time to time by the board within the limitations of this section. The plan may include terms and provisions which are consistent with the terms and provisions of group life and long-term disability policies usually issued to those employers who employ a large number of employees. The board shall have the authority to establish and

adjust from time to time the procedures for financing and administering the plan of death and long-term disability benefits authorized by this section. Either the insured death benefit or the insured disability benefit or both such benefits may be financed directly by the system or by one or more insurance companies authorized and licensed to transact group life and group accident and health insurance in this state.

(B) The board may contract with one or more insurance companies, which are authorized and licensed to transact group life and group accident and health insurance in Kansas, to underwrite or to administer or to both underwrite and administer either the insured death benefit or the long-term disability benefit or both such benefits. Each such contract with an insurance company under this subsection shall be entered into on the basis of competitive bids solicited and administered by the board. Such competitive bids shall be based on specifications prepared by the board.

(i) In the event the board purchases one or more policies of group insurance from such company or companies to provide either the insured death benefit or the long-term disability benefit or both such benefits, the board shall have the authority to subsequently cancel one or more of such policies and, notwithstanding any other provision of law, to release each company which issued any such canceled policy from any liability for future benefits under any such policy and to have the reserves established by such company under any such canceled policy returned to the system for deposit in the group insurance reserve of the fund.

(ii) In addition, the board shall have the authority to cancel any policy or policies of group life and long-term disability insurance in existence on the effective date of this act and, notwithstanding any other provision of law, to release each company which issued any such canceled policy from any liability for future benefits under any such policy and to have the reserves established by such company under any such canceled policy returned to the system for deposit in the group insurance reserve of the fund. Notwithstanding any other provision of law, no premium tax shall be due or payable by any such company or companies on any such policy or policies purchased by the board nor shall any brokerage fees or commissions be paid thereon.

(4) (A) There is hereby created in the state treasury the group insurance reserve fund. Investment income of the fund shall be added or credited to the fund as provided by law. The cost of the plan of death and long-term disability benefits shall be paid from the group insurance reserve fund, which shall be administered by the board. Except as otherwise provided by this subsection, for the period commencing July 1, 2005, and ending June 30, 2006, each participating employer shall appropriate and pay to the system in such manner as the board shall prescribe in addition to the employee and employer retirement contributions an amount equal to .8% of the amount of compensation on which the members' contributions to the Kansas public employees retirement sys-

tem are based for deposit in the group insurance reserve fund. For the period commencing July 1, 2006, and all periods thereafter, each participating employer shall appropriate and pay to the system in such manner as the board shall prescribe in addition to the employee and employer retirement contributions an amount equal to 1.0% of the amount of compensation on which the members' contributions to the Kansas public employees retirement system are based for deposit in the group insurance reserve fund. Notwithstanding the provisions of this subsection, no participating employer shall appropriate and pay to the system any amount provided for by this subsection for deposit in the group insurance reserve fund for the period commencing on ~~April 1, 2010, and ending on June 30, 2010, and the period commencing on April 1, 2011, and ending on June 30, 2011~~ *April 1, 2012, and ending on June 30, 2012.*

(B) The director of the budget and the governor shall include in the budget and in the budget request for appropriations for personal services a sum to pay the state's contribution to the group insurance reserve fund as provided by this section and shall present the same to the legislature for allowances and appropriation.

(C) The provisions of subsection (4) of K.S.A. 74-4920, and amendments thereto, shall apply for the purpose of providing the funds to make the contributions to be deposited to the group insurance reserve fund.

(D) Any dividend or retrospective rate credit allowed by an insurance company or companies shall be credited to the group insurance reserve fund and the board may take such amounts into consideration in determining the amounts of the benefits under the plan authorized by this section.

(5) The death benefit provided under the plan of death and long-term disability benefits authorized by this section shall be known and referred to as insured death benefit. The long-term disability benefit provided under the plan of death and long-term disability benefits authorized by this section shall be known and referred to as long-term disability benefit.

(6) The board is hereby authorized to establish an optional death benefit plan for employees and spouses and dependents of employees. Except as provided in subsection (7), such optional death benefit plan shall be made available to all employees who are covered or may hereafter become covered by the plan of death and long-term disability benefits authorized by this section. The cost of the optional death benefit plan shall be paid by the applicant either by means of a system of payroll deductions or direct payment to the board. The board shall have the authority and discretion to establish such terms, conditions, specifications and coverages as it may deem to be in the best interest of the state of Kansas and its employees which should include term death benefits for the person's period of active state employment regardless of age, but in no case, shall the maximum allowable coverage be less than \$200,000.

The cost of the optional death benefit plan shall not be established on such a basis as to unreasonably discriminate against any particular age group. The board shall have full administrative responsibility, discretion and authority to establish and continue such optional death benefit plan and the director of accounts and reports of the department of administration shall when requested by the board and from funds appropriated or available for such purpose establish a system to make periodic deductions from state payrolls to cover the cost of the optional death benefit plan coverage under the provisions of this subsection (6) and shall remit all deductions together with appropriate accounting reports to the system. There is hereby created in the state treasury the optional death benefit plan reserve fund. Investment income of the fund shall be added or credited to the fund as provided by law. All funds received by the board, whether in the form of direct payments, payroll deductions or otherwise, shall be accounted for separately from all other funds of the retirement system and shall be paid into the optional death benefit plan reserve fund, from which the board is authorized to make the appropriate payments and to pay the ongoing costs of administration of such optional death benefit plan as may be incurred in carrying out the provisions of this subsection (6).

(7) Any employer other than the state of Kansas which is currently a participating employer of the Kansas public employees retirement system or is in the process of affiliating with the Kansas public employees retirement system may also elect to affiliate for the purposes of subsection (6). All such employers shall make application for affiliation with such system, to be effective on January 1 or July 1 next following application.

(8) For purposes of the death benefit provided under the plan of death and long-term disability benefits authorized by this section and the optional death benefit plan authorized by subsection (6), commencing on the effective date of this act, in the case of medical or financial hardship of the member as determined by the executive director, or otherwise commencing January 1, 2005, the member may name a beneficiary or beneficiaries other than the beneficiary or beneficiaries named by the member to receive other benefits as provided by the provisions of K.S.A. 74-4901 *et seq.*, and amendments thereto.

Sec. 27. K.S.A. 2011 Supp. 74-4995 is hereby amended to read as follows: 74-4995. (a) Employer and employee contributions shall be governed by the provisions of K.S.A. 74-4919 and 74-4920, and amendments thereto. For purposes of contributions to and benefits under the Kansas public employees retirement system, compensation of a member of the legislature under this act shall be a monthly amount equal to: (1) The compensation to which the member was entitled for services as a member of the legislature during the ~~period January 15 to February 14, inclusive,~~ *first 30 calendar days* of the most recent session in which the member

has served; and (2) any amount to which the member makes an election pursuant to this subsection. *In addition to the provisions of subsection (a)(1) and any election made pursuant to this subsection, the compensation of a member shall include an additional five days of compensation to which such member was entitled for services as a member of the legislature of the most recent session in which the member has served beyond the days provided for in subsection (a)(1).* In addition to the provisions of subsection (a)(1), a member of the legislature may elect to participate with a rate of compensation that includes: (A) For service as a member after July 18, 1982, a monthly amount equal to $\frac{1}{12}$ of the annualized amount received for monthly allowance under subsection (c) of K.S.A. 46-137a, and amendments thereto; (B) a monthly amount equal to $\frac{1}{12}$ of the annualized amount received for expenses allowance under subsection (b) of K.S.A. 46-137a, and amendments thereto; or (C) an amount equal to the combined amounts provided for in subsections (2)(A) and (2)(B). A member of the legislature who has filed an election to become a member of the system pursuant to the provisions of K.S.A. 74-4992, and amendments thereto, prior to July 1, 2006, shall file an election with the system to include any amounts specified in subsection (2)(A), (2)(B) or (2)(C) prior to August 1, 2006, except that nothing contained in this act shall be construed to permit a member of the legislature who has made an election pursuant to this section prior to the effective date of this act to revoke any such election previously made by such member. In the event that any such member fails to file such election prior to August 1, 2006, it shall be presumed that such member has elected to not include any amounts specified in subsection (2)(A), (2)(B) or (2)(C), and participate at a rate of compensation that includes only the amount provided in subsection (a)(1). A member of the legislature who files an election to become a member of the system pursuant to the provisions of K.S.A. 74-4992, and amendments thereto, on and after July 1, 2006, shall file an election with the system to include any amounts specified in subsection (2)(A), (2)(B) or (2)(C) at the same time that such member files the election to become a member of the system. In the event that any such member fails to file such election, it shall be presumed that such member has elected to not include any amounts specified in subsection (2)(A), (2)(B) or (2)(C), and participate at a rate of compensation that includes only the amount provided in subsection (a)(1).

(b) The employee rate of contribution shall be applied to any amounts to which a member has elected pursuant to the provisions of subsection (a)(2). The employee and employer contributions shall be remitted to the system quarterly with a report of such contributions as may be required by the board. Any changes in a member's rate of compensation and contributions as a result of any election mandated by this section for a member of the legislature who had filed an election to become a member of the system prior to July 1, 2006, shall be effective on October 1, 2006.

All such elections pursuant to this section shall be in the form and manner prescribed by the board of trustees.

(c) Any member of the legislature making the election pursuant to subsection (a)(2) may not revoke such election while they remain a participating employee for service as a member of the legislature.

Sec. 28. K.S.A. 2011 Supp. 74-4918 is hereby amended to read as follows: 74-4918. (1) A member may elect to have such member's retirement benefit paid under one of the options provided in this section in lieu of having it paid in the form stated in K.S.A. 74-4915, and amendments thereto. Such election must be made before the date of actual retirement. A specific person must be designated as joint annuitant at the time of election of the joint and $\frac{1}{2}$ to joint annuitant survivor option, the joint and survivor option and the joint and $\frac{3}{4}$ to joint annuitant survivor option. ~~Under no circumstances may~~ *Except as specifically provided in this subsection, an option elected by a member as provided in this section shall not be changed or canceled nor shall the named joint annuitant be changed after the date of actual retirement of the member. If a retirant is divorced after the retirant's date of actual retirement, and the retirant has named the retirant's ex-spouse as a joint annuitant under subsection (3), the joint annuitant option may be canceled and retirant's benefit returned to the maximum amount of such retirant's retirement benefit commencing the first month following the date such cancellation is ordered by the district court of the county where the divorce action was filed. The retirant shall not receive a refund or interest of any amounts already paid to fund the original joint annuitant benefit. The retirant may not name a subsequent joint annuitant once the original joint annuitant option has been cancelled.*

(2) The amount of retirement benefit payable under an option shall be based on the age of the member and, if applicable, the age of the joint annuitant, and shall be such amount as to be the actuarial equivalent of the retirement benefit otherwise payable under K.S.A. 74-4915, and amendments thereto, as prescribed in subsection (3). In no case shall the total amount of retirement benefit paid under any option provided in this section be more than 100% of the retirement benefit which would have been otherwise payable if no option had been elected under this section.

(3) The following retirement options, which are subject to the provisions of K.S.A. 74-49,123, and amendments thereto, are available:

(A) *Joint and $\frac{1}{2}$ to joint annuitant survivor.* A reduced retirement benefit is payable to the retirant during the retirant's lifetime in a monthly amount equal to the product of (i) the monthly payment of the retirement benefit otherwise payable under K.S.A. 74-4915, and amendments thereto, and (ii) the percentage equal to 91% minus .4% for each year by which the age of the retirant's joint annuitant is less than the retirant's age, computed to the nearest whole year, or plus .4% for each year by

which the age of the retirant's joint annuitant is more than the retirant's age, computed to the nearest whole year, with $\frac{1}{2}$ of that monthly amount continued to the retirant's joint annuitant during such joint annuitant's remaining lifetime, if any, after the death of the retirant. In the event that the designated joint annuitant under this option predeceases the retirant, the amount of the retirement benefit otherwise payable to the retirant under this option shall be adjusted automatically to the retirement benefit which the retirant would have received if no option had been elected under this section.

(B) *Joint and survivor.* A reduced retirement benefit is payable to the retirant during the retirant's lifetime in a monthly amount equal to the product of (i) the monthly payment of the retirement benefit otherwise payable under K.S.A. 74-4915, and amendments thereto, and (ii) the percentage equal to 83% minus .6% for each year by which the age of the retirant's joint annuitant is less than the retirant's age, computed to the nearest whole year, or plus .6% for each year by which the age of the retirant's joint annuitant is more than the retirant's age, computed to the nearest whole year, with that amount continued to the joint annuitant during the joint annuitant's remaining lifetime, if any, after the death of the retirant. In the event that the designated joint annuitant under this option predeceases the retirant, the amount of the retirement benefit otherwise payable to the retirant under this option shall be adjusted automatically to the retirement benefit which the retirant would have received if no option had been elected under this section.

(C) *Joint and $\frac{3}{4}$ to joint annuitant survivor.* A reduced retirement benefit is payable to the retirant during the retirant's lifetime in a monthly amount equal to the product of (i) the monthly payment of the retirement benefit otherwise payable under K.S.A. 74-4915, and amendments thereto, and (ii) the percentage equal to 87% minus .5% for each year by which the age of the retirant's joint annuitant is less than the retirant's age, computed to the nearest whole year, or plus .5% for each year by which the age of the retirant's joint annuitant is more than the retirant's age, computed to the nearest whole year, with $\frac{3}{4}$ of that monthly amount continued to the retirant's joint annuitant during such joint annuitant's remaining lifetime, if any, after the death of the retirant. In the event that the designated joint annuitant under this option predeceases the retirant, the amount of the retirement benefit otherwise payable to the retirant under this option shall be adjusted automatically to the retirement benefit which the retirant would have received if no option had been elected under this section.

(G) *Lump sum payment at retirement.* (i) Pursuant to this option, the member must specify a lump sum amount to be paid to the member upon the member's retirement. The lump sum amount will be based on the actuarial present value of the benefit as provided in K.S.A. 74-4915, and amendments thereto. The lump sum amount designated by the member must be in 10% increments and shall not exceed $\frac{1}{2}$ of the actuarial present value of the benefit provided in K.S.A. 74-4915, and amendments thereto. If the member's spouse elects a lump sum payment as provided in this section pursuant to the provisions of subsection (4), the lump sum payment will be based on the present value of the retirement option selected by the spouse. The lump sum amount designated by the spouse must be in 10% increments and shall not exceed $\frac{1}{2}$ of the actuarial present value of the option selected in this section.

(ii) Pursuant to this option, the member must elect to have the remaining actuarial present value paid in a monthly amount under the provisions of K.S.A. 74-4915, and amendments thereto, or subsections (3)(A) through (3)(F) of this section.

(iii) In the event that the designated joint annuitant pursuant to subsection (3)(A), (3)(B) or (3)(C) under this option predeceases the retirant, the amount of the retirement benefit otherwise payable to the retirant under this option shall be adjusted automatically to the retirement benefit which the retirant would have received if no option had been elected under this section.

(iv) The provisions of this subsection shall be effective on and after July 1, 2001.

(4) If a member, who is eligible to retire in accordance with the pro-

(5) The benefits of subsection (4) shall be available in the case of death within the first six months after the entry date of the member's participating employer.

(6) On and after May 1, 2004, if a member with 10 or more years of credited service dies before attaining retirement age, the member's spouse, if the spouse is the sole beneficiary for the member's accumulated contributions, may elect to receive benefits under one of the options provided in this section in lieu of receiving the member's accumulated contributions. Payments under one of the options provided in this section to the member's spouse if so elected, shall commence on the date that the member would have been eligible for normal retirement pursuant to subsection (1) of K.S.A. 74-4914, and amendments thereto, or would have been eligible for early retirement pursuant to subsection (4) of K.S.A. 74-4914, and amendments thereto, if such early retirement date occurs earlier.

(7) Benefits payable to a joint annuitant shall accrue from the first day of the month following the death of a member or retirant and, in the case of the joint and $\frac{1}{2}$ to joint annuitant survivor option, the joint and survivor option and the joint and $\frac{3}{4}$ to joint annuitant survivor option, shall end on the last day of the month in which the joint annuitant dies.

(9) Upon the death of a joint annuitant who is receiving a retirement benefit under the provisions of this section, there shall be paid to such joint annuitant's beneficiary an amount equal to the excess, if any, of the accumulated contributions of the retirant over the sum of all retirement benefit payments made to such retirant and such joint annuitant. Such joint annuitant shall designate a beneficiary by filing in the office of the retirement system such designation at the time of death of the retirant. Nothing in this provision shall be construed as preventing any court from considering any convictions or diversions occurring during the person's lifetime in determining the sentence to be imposed within the limits provided for a first, second, third, fourth or subsequent offense;

(2) any convictions for a violation of the following sections which occurred during a person's lifetime shall be taken into account, but only convictions occurring when such person was 18 years of age or older: (A) This section; (B) driving a commercial motor vehicle under the influence, K.S.A. 8-2,144, and amendments thereto; (C) operating a vessel under the influence of alcohol or drugs, K.S.A. 32-1131, and amendments thereto; (D) involuntary manslaughter while driving under the influence of alcohol or drugs, K.S.A. 21-3442, prior to its repeal, or subsection (a)(3) of K.S.A. 2011 Supp. 21-5405, and amendments thereto; and (E) aggravated vehicular homicide, K.S.A. 21-3405a, prior to its repeal, or vehicular battery, K.S.A. 21-3405b, prior to its repeal, if the crime was committed while committing a violation of K.S.A. 8-1567, and amendments thereto;

(3) "conviction" includes: (A) Entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging a violation of a crime described in subsection (h)(2); (B) conviction of a violation of an ordinance of a city in this state, a resolution of a county in this state or any law of another state which would constitute a crime described in

(5) multiple convictions of any crime described in subsection (h)(1) or (h)(2) arising from the same arrest shall only be counted as one conviction;

(6) the prior conviction that is an element of the crime of refusing to submit to a test to determine the presence of alcohol or drugs shall not be used for the purpose of determining whether a conviction is a first, second, third or subsequent conviction in sentencing under this section and shall not be considered in determining the sentence to be imposed within the limits provided for a first, second, third or subsequent offense; and

(7) a person may enter into a diversion agreement in lieu of further criminal proceedings for a violation of this section, or an ordinance which prohibits the acts of this section, only once during the person's lifetime.

(4) Any such ordinance or resolution shall authorize the court to order that the convicted person pay restitution to any victim who suffered loss due to the violation for which the person was convicted.

(B) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(2) If the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony, the city attorney shall refer the violation to the appropriate county or district attorney for prosecution.

(1) No plea bargaining agreement shall be entered into nor shall any judge approve a plea bargaining agreement entered into for the purpose of permitting a person charged with a violation of this section, or a violation of any ordinance of a city or resolution of any county in this state which prohibits the acts prohibited by this section, to avoid the mandatory penalties established by this section or by the ordinance. For the purpose of this subsection, entering into a diversion agreement pursuant to K.S.A. 12-4413 *et seq.* or 22-2906 *et seq.*, and amendments thereto, shall not constitute plea bargaining.

(C) one year if, during any three-year period, the driver is convicted of a third or subsequent railroad-highway grade crossing violation in separate incidents.

(j) After suspending, revoking or canceling a commercial driver's license, the division shall update its records to reflect that action within 10 days. After suspending, revoking or canceling a nonresident commercial driver's privileges, the division shall notify the licensing authority of the state which issued the commercial driver's license or nonresident commercial driver's license within 10 days. (k) Upon receiving notification from the licensing authority of another state, that it has disqualified a commercial driver's license holder licensed by this state, or has suspended, revoked or canceled such commercial driver's license holder's commercial driver's license, the division shall record such notification and the information such notification provides on the driver's record.

(l) Upon suspension, revocation, cancellation or disqualification of a commercial driver's license under this act, the license shall be immediately surrendered to the division if still in the licensee's possession. If otherwise eligible, and upon payment of the required fees, the licensee may be issued a noncommercial driver's license for the period of suspension, revocation, cancellation or disqualification of the commercial driver's license under the same identifier number.

(m) As used in this section, "test refusal" means a person's refusal to submit to and complete a test requested pursuant to K.S.A. 8-2,145, and amendments thereto; "test failure" means a person's submission to and completion of a test which determines that the person's alcohol concentration is .04 or greater, pursuant to K.S.A. 8-2,145, and amendments thereto.

The five days' imprisonment mandated by this subsection may be served in a work release program only after such person has served 48 consecutive hours' imprisonment, provided such work release program requires such person to return to confinement at the end of each day in the work release program. The person convicted, if placed into a work release program, shall serve a minimum of 120 hours of confinement. Such 120 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender's work day. The court may place the person convicted under a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto, to serve the ~~remainder of the minimum sentence~~ *five days' imprisonment mandated by this subsection* only after such person has served 48 consecutive hours' imprisonment. The person convicted, if placed under house arrest, shall be monitored by an electronic monitoring device, which verifies the offender's location. The person convicted, if placed under house arrest, shall be monitored by an electronic monitoring device, which verifies the offender's location. The offender shall serve a minimum of ~~240-2,160~~ hours of confinement within the boundaries of the offender's residence. Any exceptions to remaining within the boundaries of the offender's residence provided for in the house arrest agreement shall not be counted as part of the ~~240-2,160~~ hours.

(2) *In addition, for any conviction pursuant to subsection (b)(1)(C), at the time of the filing of the judgment form or journal entry as required by K.S.A. 22-3426 or K.S.A. 2011 Supp. 21-6711, and amendments thereto, the court shall cause a certified copy to be sent to the officer having the offender in charge. The court shall determine whether the offender, upon release from imprisonment, shall be supervised by community correctional services or court services based upon the risk and needs of the offender. The risk and needs of the offender shall be determined by use of a risk assessment tool specified by the Kansas sentencing commission. The law enforcement agency maintaining custody and control of a defendant for imprisonment shall cause a certified copy of the judgment form or journal entry to be sent to the supervision office designated by the court and upon expiration of the term of imprisonment shall deliver the defendant to a location designated by the supervision office designated by the court. After the term of imprisonment imposed by the court, the person shall be placed on supervision to community correctional services or court services, as determined by the court, for a mandatory one-year period of supervision, which such period of supervision shall not be reduced. During such supervision, the person shall be required to participate in a multidisciplinary model of services for substance use disorders facilitated by a department of social and rehabilitation services designated care coordination agency to include assessment and, if appropriate, referral to a community based substance use disorder treatment including recovery management and mental health counseling as needed. The multidisciplinary team shall include the designated care coordination agency, the supervision officer, the social and rehabilitation services department designated treatment provider and the offender. Any violation of the conditions of such supervision may subject such person to revocation of supervision and imprisonment in jail for the remainder of the period of imprisonment, the remainder of the supervision period, or any combination or portion thereof.*

~~(2)~~(3) *In addition, prior to sentencing for any conviction pursuant to subsection (b)(1)(A) or (b)(1)(B), the court shall order the person to participate in an alcohol and drug evaluation conducted by a provider in accordance with K.S.A. 8-1008, and amendments thereto. The person*

(c) Any person convicted of a violation of this section, or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, who had one or more children under the age of 14 years in the vehicle at the time of the offense shall have such person's punishment enhanced by one month of imprisonment. This imprisonment shall be served consecutively to any other minimum mandatory penalty imposed for a violation of this section, or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section. Any enhanced penalty imposed shall not exceed the maximum sentence allowable by law. During the service of the enhanced penalty, the judge may order the person on house arrest, work release or other conditional release.

(d) If a person is charged with a violation of this section involving drugs, the fact that the person is or has been entitled to use the drug under the laws of this state shall not constitute a defense against the charge.

(e) The court may establish the terms and time for payment of any fines, fees, assessments and costs imposed pursuant to this section. Any assessment and costs shall be required to be paid not later than 90 days after imposed, and any remainder of the fine shall be paid prior to the final release of the defendant by the court.

(f) In lieu of payment of a fine imposed pursuant to this section, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to \$5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.

(g) Prior to filing a complaint alleging a violation of this section, a prosecutor shall request and shall receive from the: (1) Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and (2) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(h) The court shall electronically report every conviction of a violation of this section and every diversion agreement entered into in lieu of further criminal proceedings on a complaint alleging a violation of this section to the division. Prior to sentencing under the provisions of this section, the court shall request and shall receive from the: (1) Division a record of all prior convictions obtained against such person for any vio-

lation of any of the motor vehicle laws of this state; and (2) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(i) Upon conviction of a person of a violation of this section or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, the division, upon receiving a report of conviction, shall: (1) Disqualify the person from driving a commercial motor vehicle under K.S.A. 8-2,142, and amendments thereto; and (2) suspend, restrict or suspend and restrict the person's driving privileges as provided by K.S.A. 8-1014, and amendments thereto.

(j) (1) Nothing contained in this section shall be construed as preventing any city from enacting ordinances, or any county from adopting resolutions, declaring acts prohibited or made unlawful by this section as unlawful or prohibited in such city or county and prescribing penalties for violation thereof.

(2) The minimum penalty prescribed by any such ordinance or resolution shall not be less than the minimum penalty prescribed by this section for the same violation, and the maximum penalty in any such ordinance or resolution shall not exceed the maximum penalty prescribed for the same violation.

(3) Any such ordinance or resolution shall authorize the court to order that the convicted person pay restitution to any victim who suffered loss due to the violation for which the person was convicted.

(k) (1) Upon the filing of a complaint, citation or notice to appear alleging a person has violated a city ordinance prohibiting the acts prohibited by this section, and prior to conviction thereof, a city attorney shall request and shall receive from the: (A) Division of vehicles a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and (B) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(2) If the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony, the city attorney shall refer the violation to the appropriate county or district attorney for prosecution. The county or district attorney shall accept such referral and pursue a disposition of such violation, and shall not refer any such violation back to the city attorney.

(l) No plea bargaining agreement shall be entered into nor shall any judge approve a plea bargaining agreement entered into for the purpose of permitting a person charged with a violation of this section, or a violation of any ordinance of a city or resolution of any county in this state which prohibits the acts prohibited by this section, to avoid the mandatory penalties established by this section or by the ordinance or resolution.

(m) The alternatives set out in subsections (a)(1), (a)(2) and (a)(3) may be pleaded in the alternative, and the state, city or county may, but

shall not be required to, elect one or two of the three prior to submission of the case to the fact finder.

(n) For the purpose of determining whether a conviction is a first, second, third or subsequent conviction in sentencing under this section:

~~(1) “Conviction” includes being convicted of a violation of a law of another state or an ordinance of any city, or resolution of any county, which prohibits the acts that this section prohibits;~~

~~(2) any convictions occurring during a person’s lifetime shall be taken into account when determining the sentence to be imposed for a first, second, third or subsequent offender; and~~

~~(3) it is irrelevant whether an offense occurred before or after conviction for a previous offense.~~

(1) Convictions for a violation of K.S.A. 8-1567, and amendments thereto, or a violation of an ordinance of any city or resolution of any county which prohibits the acts that such section prohibits, or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging any such violations, shall be taken into account, but only convictions or diversions occurring on or after July 1, 2001. Nothing in this provision shall be construed as preventing any court from considering any convictions or diversions occurring during the person’s lifetime in determining the sentence to be imposed within the limits provided for a first, second, third, fourth or subsequent offense;

(2) any convictions for a violation of the following sections occurring during a person’s lifetime shall be taken into account: (A) This section; (B) refusing to submit to a test to determine the presence of alcohol or drugs, section 2, and amendments thereto; (C) operating a vessel under the influence of alcohol or drugs, K.S.A. 32-1131, and amendments thereto; (D) involuntary manslaughter while driving under the influence of alcohol or drugs, K.S.A. 21-3442, prior to its repeal, or subsection (a)(3) of K.S.A. 2011 Supp. 21-5405, and amendments thereto; and (E) aggravated vehicular homicide, K.S.A. 21-3405a, prior to its repeal, or vehicular battery, K.S.A. 21-3405b, prior to its repeal, if the crime was committed while committing a violation of K.S.A. 8-1567, and amendments thereto;

(3) “conviction” includes: (A) Entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging a violation of a crime described in subsection (n)(2); (B) conviction of a violation of an ordinance of a city in this state, a resolution of a county in this state or any law of another state which would constitute a crime described in subsection (n)(1) or (n)(2); and (C) receiving punishment under the uniform code of military justice or Kansas code of military justice for an act which was committed on a military reservation and which would constitute a crime described in subsection (n)(1) or (n)(2) if committed off a military reservation in this state;

(4) *it is irrelevant whether an offense occurred before or after conviction for a previous offense; and*

(5) *multiple convictions of any crime described in subsection (n)(1) or (n)(2) arising from the same arrest shall only be counted as one conviction.*

(o) For the purpose of this section:

(1) “Alcohol concentration” means the number of grams of alcohol per 100 milliliters of blood or per 210 liters of breath;

(2) “imprisonment” shall include any restrained environment in which the court and law enforcement agency intend to retain custody and control of a defendant and such environment has been approved by the board of county commissioners or the governing body of a city; and

(3) “drug” includes toxic vapors as such term is defined in K.S.A. 2011 Supp. 21-5712, and amendments thereto.

(p) On and after July 1, 2011, the amount of \$250 from each fine imposed pursuant to this section shall be remitted by the clerk of the district court to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of *each* such remittance, the state treasurer shall credit the entire amount to the community corrections supervision fund established by K.S.A. 2011 Supp. 75-52,113, and amendments thereto.

Sec. 12. K.S.A. 2011 Supp. 8-1001 is hereby amended to read as follows: 8-1001. (a) Any person who operates or attempts to operate a vehicle within this state is deemed to have given consent, subject to the provisions of this act, to submit to one or more tests of the person’s blood, breath, urine or other bodily substance to determine the presence of alcohol or drugs. The testing deemed consented to herein shall include all quantitative and qualitative tests for alcohol and drugs. A person who is dead or unconscious shall be deemed not to have withdrawn the person’s consent to such test or tests, which shall be administered in the manner provided by this section.

(b) A law enforcement officer shall request a person to submit to a test or tests deemed consented to under subsection (a): (1) If the officer has reasonable grounds to believe the person was operating or attempting to operate a vehicle while under the influence of alcohol or drugs, or both, or to believe that the person was driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person’s system, or was under the age of 21 years while having alcohol or other drugs in such person’s system; and one of the following conditions exists: (A) The person has been arrested or otherwise taken into custody for any offense involving operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both, or for a violation of K.S.A. 8-1567a, and amendments thereto, or involving driving a commercial motor vehicle, as defined in

K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, in violation of a state statute or a city ordinance; or (B) the person has been involved in a vehicle accident or collision resulting in property damage or personal injury other than serious injury; or (2) if the person was operating or attempting to operate a vehicle and such vehicle has been involved in an accident or collision resulting in serious injury or death of any person and the operator could be cited for any traffic offense, as defined in K.S.A. 8-2117, and amendments thereto. The traffic offense violation shall constitute probable cause for purposes of paragraph (2). The test or tests under paragraph (2) shall not be required if a law enforcement officer has reasonable grounds to believe the actions of the operator did not contribute to the accident or collision. The law enforcement officer directing administration of the test or tests may act on personal knowledge or on the basis of the collective information available to law enforcement officers involved in the accident investigation or arrest.

(c) If a law enforcement officer requests a person to submit to a test of blood under this section, the withdrawal of blood at the direction of the officer may be performed only by: (1) A person licensed to practice medicine and surgery, licensed as a physician's assistant, or a person acting under the direction of any such licensed person; (2) a registered nurse or a licensed practical nurse; (3) any qualified medical technician, including, but not limited to, an emergency medical technician-intermediate, mobile intensive care technician, an emergency medical technician-intermediate defibrillator, an advanced emergency medical technician or a paramedic, as those terms are defined in K.S.A. 65-6112, and amendments thereto, authorized by medical protocol; or (4) a phlebotomist.

(d) A law enforcement officer may direct a medical professional described in this section to draw a sample of blood from a person:

(1) If the person has given consent and meets the requirements of subsection (b);

(2) if medically unable to consent, if the person meets the requirements of paragraph (2) of subsection (b); or

(3) if the person refuses to submit to and complete a test, if the person meets the requirements of paragraph (2) of subsection (b).

(e) When so directed by a law enforcement officer through a written statement, the medical professional shall withdraw the sample as soon as practical and shall deliver the sample to the law enforcement officer or another law enforcement officer as directed by the requesting law enforcement officer as soon as practical, provided the collection of the sample does not jeopardize the person's life, cause serious injury to the person or seriously impede the person's medical assessment, care or treatment. The medical professional authorized herein to withdraw the blood and the medical care facility where the blood is drawn may act on good faith that the requirements have been met for directing the withdrawing of

blood once presented with the written statement provided for under this subsection. The medical professional shall not require the person to sign any additional consent or waiver form. In such a case, the person authorized to withdraw blood and the medical care facility shall not be liable in any action alleging lack of consent or lack of informed consent.

(f) Such sample or samples shall be an independent sample and not be a portion of a sample collected for medical purposes. The person collecting the blood sample shall complete the collection portion of a document provided by law enforcement.

(g) If a person must be restrained to collect the sample pursuant to this section, law enforcement shall be responsible for applying any such restraint utilizing acceptable law enforcement restraint practices. The restraint shall be effective in controlling the person in a manner not to jeopardize the person's safety or that of the medical professional or attending medical or health care staff during the drawing of the sample and without interfering with medical treatment.

(h) A law enforcement officer may request a urine sample upon meeting the requirements of paragraph (1) of subsection (b) and shall request a urine sample upon meeting the requirements of paragraph (2) of subsection (b).

(i) If a law enforcement officer requests a person to submit to a test of urine under this section, the collection of the urine sample shall be supervised by: (1) A person licensed to practice medicine and surgery, licensed as a physician's assistant, or a person acting under the direction of any such licensed person; (2) a registered nurse or a licensed practical nurse; or (3) a law enforcement officer of the same sex as the person being tested. The collection of the urine sample shall be conducted out of the view of any person other than the persons supervising the collection of the sample and the person being tested, unless the right to privacy is waived by the person being tested. When possible, the supervising person shall be a law enforcement officer. The results of qualitative testing for drug presence shall be admissible in evidence and questions of accuracy or reliability shall go to the weight rather than the admissibility of the evidence. If the person is medically unable to provide a urine sample in such manner due to the injuries or treatment of the injuries, the same authorization and procedure as used for the collection of blood in subsections (d) and (e) shall apply to the collection of a urine sample.

(j) No law enforcement officer who is acting in accordance with this section shall be liable in any civil or criminal proceeding involving the action.

(k) Before a test or tests are administered under this section, the person shall be given oral and written notice that: (1) Kansas law requires the person to submit to and complete one or more tests of breath, blood or urine to determine if the person is under the influence of alcohol or drugs, or both;

(2) the opportunity to consent to or refuse a test is not a constitutional right;

(3) there is no constitutional right to consult with an attorney regarding whether to submit to testing;

(4) *if the person refuses to submit to and complete any test of breath, blood or urine hereafter requested by a law enforcement officer, the person may be charged with a separate crime of refusing to submit to a test to determine the presence of alcohol or drugs, which carries criminal penalties that are greater than or equal to the criminal penalties for the crime of driving under the influence, if such person has:*

(A) *Any prior test refusal as defined in K.S.A. 8-1013, and amendments thereto, which occurred: (i) On or after July 1, 2001; and (ii) when such person was 18 years of age or older; or*

(B) *any prior conviction for a violation of K.S.A. 8-1567 or 8-2,144, and amendments thereto, or a violation of an ordinance of any city or resolution of any county which prohibits the acts that such section prohibits, or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging any such violations, which occurred: (i) On or after July 1, 2001; and (ii) when such person was 18 years of age or older;*

~~(4)~~(5) if the person refuses to submit to and complete any test of breath, blood or urine hereafter requested by a law enforcement officer, the person's driving privileges will be suspended for one year for the first or subsequent occurrence;

~~(5)~~(6) if the person submits to and completes the test or tests and the test results show:

(A) An alcohol concentration of .08 or greater, the person's driving privileges will be suspended for 30 days for the first occurrence and one year for the second or subsequent occurrence; or

(B) an alcohol concentration of .15 or greater, the person's driving privileges will be suspended for one year for the first or subsequent occurrence;

~~(6) if the person is less than 21 years of age at the time of the test request and submits to and completes the tests and the test results show an alcohol concentration of .08 or greater, the person's driving privileges will be suspended for one year;~~

(7) refusal to submit to testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both;

(8) the results of the testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both; and

(9) after the completion of the testing, the person has the right to consult with an attorney and may secure additional testing, which, if de-

sired, should be done as soon as possible and is customarily available from medical care facilities willing to conduct such testing.

(l) If a law enforcement officer has reasonable grounds to believe that the person has been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, the person shall also be provided the oral and written notice pursuant to K.S.A. 8-2,145, and amendments thereto. Any failure to give the notices required by K.S.A. 8-2,145, and amendments thereto, shall not invalidate any action taken as a result of the requirements of this section. If a law enforcement officer has reasonable grounds to believe that the person has been driving or attempting to drive a vehicle while having alcohol or other drugs in such person's system and such person was under 21 years of age, the person also shall be given the notices required by K.S.A. 8-1567a, and amendments thereto. Any failure to give the notices required by K.S.A. 8-1567a, and amendments thereto, shall not invalidate any action taken as a result of the requirements of this section.

(m) After giving the foregoing information, a law enforcement officer shall request the person to submit to testing. The selection of the test or tests shall be made by the officer. If the test results show a blood or breath alcohol concentration of .08 or greater, the person's driving privileges shall be subject to suspension, or suspension and restriction, as provided in K.S.A. 8-1002 and 8-1014, and amendments thereto.

(n) The person's refusal shall be admissible in evidence against the person at any trial on a charge arising out of the alleged operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both. *The person's refusal shall be admissible in evidence against the person at any trial on a charge arising out of the alleged violation of section 2, and amendments thereto.*

(o) If a law enforcement officer had reasonable grounds to believe the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, and the test results show a blood or breath alcohol concentration of .04 or greater, the person shall be disqualified from driving a commercial motor vehicle, pursuant to K.S.A. 8-2,142, and amendments thereto. If a law enforcement officer had reasonable grounds to believe the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, and the test results show a blood or breath alcohol concentration of .08 or greater, or the person refuses a test, the person's driving privileges shall be subject to suspension, or suspension and restriction, pursuant to this section, in addition to being disqualified from driving a commercial motor vehicle pursuant to K.S.A. 8-2,142, and amendments thereto.

(p) An officer shall have probable cause to believe that the person operated a vehicle while under the influence of alcohol or drugs, or both,

if the vehicle was operated by such person in such a manner as to have caused the death of or serious injury to a person. In such event, such test or tests may be made pursuant to a search warrant issued under the authority of K.S.A. 22-2502, and amendments thereto, or without a search warrant under the authority of K.S.A. 22-2501, and amendments thereto.

(q) Failure of a person to provide an adequate breath sample or samples as directed shall constitute a refusal unless the person shows that the failure was due to physical inability caused by a medical condition unrelated to any ingested alcohol or drugs.

(r) It shall not be a defense that the person did not understand the written or oral notice required by this section.

(s) No test results shall be suppressed because of technical irregularities in the consent or notice required pursuant to this act.

(t) Nothing in this section shall be construed to limit the admissibility at any trial of alcohol or drug concentration testing results obtained pursuant to a search warrant.

(u) Upon the request of any person submitting to testing under this section, a report of the results of the testing shall be made available to such person.

(v) This act is remedial law and shall be liberally construed to promote public health, safety and welfare.

(w) As used in this section, “serious injury” means a physical injury to a person, as determined by law enforcement, which has the effect of, prior to the request for testing:

(1) Disabling a person from the physical capacity to remove themselves from the scene;

(2) renders a person unconscious;

(3) the immediate loss of or absence of the normal use of at least one limb;

(4) an injury determined by a physician to require surgery; or

(5) otherwise indicates the person may die or be permanently disabled by the injury.

Sec. 13. K.S.A. 2011 Supp. 8-1008 is hereby amended to read as follows: 8-1008. (a) As used in this section, “provider” means: (1) A professional licensed by the behavioral sciences regulatory board to diagnose and treat mental or substance use disorders at the independent level who is compliant with the requirements set forth by the secretary of social and rehabilitation services as described in subsection (f); or (2) a professional licensed by the behavioral sciences regulatory board who is working in an alcohol and drug treatment facility licensed by the secretary of social and rehabilitation services as meeting the requirements described in subsection (f).

If the court finds that the grounds for action by the agency have been met, the court shall affirm the agency action.

(q) Upon review, the licensee shall have the burden to show that the decision of the agency should be set aside.

(r) Notwithstanding the requirement to issue a temporary license in K.S.A. 8-1002, and amendments thereto, and the requirements to extend the temporary license in this section, any such temporary driving privileges are subject to restriction, suspension, revocation or cancellation as provided in K.S.A. 8-1014, and amendments thereto, or for other cause.

~~(4) Any personal property in a vehicle impounded or immobilized pursuant to this subsection may be retrieved prior to or during the period of such impoundment or immobilization.~~

~~(5) As used in this subsection, the convicted person's motor vehicle or vehicles shall include any vehicle leased by such person. (2) impose the fine applicable to the offense and may impose the provisions of subsection (q);

(3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. In felony cases except for violations of K.S.A. 8-1567, 8-2,144 *and section 2*, and amendments thereto, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence and up to 60 days in a county jail upon each revocation of the probation sentence, or community corrections placement;

On a second or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program ~~must serve a total of 120 hours of confinement. Such 120 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender's work day. On a third or subsequent conviction of K.S.A. 8-~~

~~1567, and amendments thereto, an offender placed into a work release program must serve a total of 240 hours of confinement. Such 240 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender's work day shall serve the total number of hours of confinement mandated by that section;~~

(12) order the defendant to pay the full amount of unpaid costs associated with the conditions of release of the appearance bond under K.S.A. 22-2802, and amendments thereto;

(13) impose any appropriate combination of (1), (2), (3), (4), (5), (6), (7), (8), (9), (10), (11) and (12); or

(14) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime, unless the court finds compelling circumstances which would render a plan of restitution unworkable. In regard to a violation of K.S.A. 2011 Supp. 21-6107, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the court for payment of restitution, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 *et seq.*, and amendments thereto, the court shall assign an agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by subsection (d) of K.S.A. 2011 Supp. 21-6602, and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after

any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2011 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to the consecutive sentencing requirements of K.S.A. 2011

Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendments thereto, or a community intermediate sanction center. Pursuant to this paragraph the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp's or a community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) The court in committing a defendant to the custody of the secretary of corrections shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required

to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

(1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, or for an offense which is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and such offense does not meet the requirements of K.S.A. 2011 Supp. 21-6824, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2011 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pur-

suant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of K.S.A. 2011 Supp. 21-6805, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2011 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2011 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2011 Supp. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in K.S.A. 2011 Supp. 21-6805, and amendments thereto. For those offenders who are convicted on or after July 1, 2003, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of postrelease supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2011 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person's privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time

such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall require such person to surrender such person's driver's license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver's license which shall indicate on its face that conditions have been imposed on such person's privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator, of such person's state of residence. Such judge shall furnish to any person whose driver's license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver's license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person's privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person's driver's license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" means the same as in K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the domestic violence designation pursuant to K.S.A. 2011 Supp. 22-4616, and amendments thereto, the court shall require the defendant to undergo a domestic violence offender assessment and follow all recommendations unless otherwise ordered by the court or the department of corrections. The court may order a domestic violence offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court

shall provide the domestic violence assessment and any other evaluation to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to \$5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2011 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, the court shall order that the defendant be electronically monitored upon release from imprisonment for the duration of the defendant's natural life and that the defendant shall reimburse the state for all or part of the cost of such monitoring as determined by the prisoner review board.

Presumptive Imprisonment

(b) Sentences expressed in the sentencing guidelines grid for non-drug crimes represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

(A) Prison sentence;

(B) maximum potential reduction to such sentence as a result of good time; and

(C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:

(A) Prison sentence; and

(B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of subsection (d) of K.S.A. 2011 Supp. 21-5412, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(i) (1) The sentence for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 2011 Supp. 21-5414, subsections (b)(3) and (b)(4) of K.S.A. 2011 Supp. 21-5823, 21-6412 and 21-6416, and amendments thereto, shall be as provided by the specific mandatory sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 2011 Supp. 21-6807, and amendments thereto.

(2) If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 2011 Supp. 21-6807, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 2011 Supp. 21-5823, and amendments thereto.

(3) Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of *section 2*, K.S.A. 8-2,144, K.S.A. 8-1567, subsection (b)(3) of K.S.A. 2011 Supp. 21-5414, subsections (b)(3) and (b)(4) of K.S.A. 2011 Supp. 21-5823, 21-6412 and 21-6416, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of *section 2* or K.S.A. 8-2,144 or K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review. Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(A)(i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-

3717, and amendments thereto, in this state or comparable felony under the laws of another state, the federal government or a foreign government; or

(B) (i) has been convicted of rape, as defined in K.S.A. 21-3502, prior to its repeal, or K.S.A. 2011 Supp. 21-5503, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(B)(i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) (1) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(2) As used in this subsection, "criminal street gang" means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities:

(A) The commission of one or more person felonies; or

(B) the commission of felony violations of *article 57 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto*, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, ~~and amendments thereto prior to their transfer~~, or any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009; and

(C) its members have a common name or common identifying sign or symbol; and

(l) Except as provided in subsection (o), the sentence for a violation of subsection (a)(1) of K.S.A. 2011 Supp. 21-5807, and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2011 Supp. 21-5301 and 21-5302, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of subsection (a) or (b) of K.S.A. 21-3715, prior to its repeal, 21-3716, prior to its repeal, subsection (a)(1) or (a)(2) of K.S.A. 2011 Supp. 21-5807, or subsection (b) of K.S.A. 2011 Supp. 21-5807, and amendments

thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment.

(m) The sentence for a violation of K.S.A. 22-4903 or subsection (a)(2) of K.S.A. 2011 Supp. 21-5913, and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence as provided in subsection (q).

(n) The sentence for a violation of criminal deprivation of property, as defined in K.S.A. 2011 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, and when such person being sentenced has any combination of two or more prior convictions of subsection (b) of K.S.A. 21-3705, prior to its repeal, or of criminal deprivation of property, as defined in K.S.A. 2011 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(o) The sentence for a felony violation of theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary as defined in subsection (a) of K.S.A. 2011 Supp. 21-5807, and amendments thereto, when such person being sentenced has no prior convictions for a violation of K.S.A. 21-3701 or 21-3715, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary as defined in subsection (a) of K.S.A. 2011 Supp. 21-5807, and amendments thereto; or the sentence for a felony violation of theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, when such person being sentenced has one or two prior felony convictions for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2011 Supp. 21-5807, and amendments thereto; or the sentence for a felony violation of burglary as defined in subsection (a) of K.S.A. 2011 Supp. 21-5807, and amendments thereto, when such person being sentenced has one prior felony conviction for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2011 Supp. 21-5807, and amendments thereto, shall be the sentence as provided by this section, except that the court may order an optional nonprison sentence for a defendant to participate in a drug treatment program, including, but not limited to, an approved after-care plan, if the court makes the following findings on the record:

(1) Substance abuse was an underlying factor in the commission of the crime;

(2) substance abuse treatment in the community is likely to be more

effective than a prison term in reducing the risk of offender recidivism; and

(3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of subsection (f)(1) of K.S.A. 2011 Supp. 21-6824, and amendments thereto, shall apply to a defendant sentenced under this subsection. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2011 Supp. 21-5807, and amendments thereto; or the sentence for a violation of burglary as defined in subsection (a) of K.S.A. 2011 Supp. 21-5807, and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2011 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2011 Supp. 21-5807, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

(1) Substance abuse was an underlying factor in the commission of the crime;

(2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and

(3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision. The sentence under this sub-

section shall not be considered a departure and shall not be subject to appeal.

(q) As used in this section, an “optional nonprison sentence” is a sentence which the court may impose, in lieu of the presumptive sentence, upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

Sec. 31. K.S.A. 2011 Supp. 22-2802 is hereby amended to read as follows: 22-2802. (1) Any person charged with a crime shall, at the person's first appearance before a magistrate, be ordered released pending preliminary examination or trial upon the execution of an appearance bond in an amount specified by the magistrate and sufficient to assure the appearance of such person before the magistrate when ordered and to assure the public safety. If the person is being bound over for a felony, the bond shall also be conditioned on the person's appearance in the district court or by way of a two-way electronic audio-video communication as provided in subsection (14) at the time required by the court to answer the charge against such person and at any time thereafter that the court requires. Unless the magistrate makes a specific finding otherwise, if the person is being bonded out for a person felony or a person misdemeanor, the bond shall be conditioned on the person being prohibited from having any contact with the alleged victim of such offense for a period of at least 72 hours. The magistrate may impose such of the following additional conditions of release as will reasonably assure the appearance of the person for preliminary examination or trial:

(a) Place the person in the custody of a designated person or organization agreeing to supervise such person;

(b) place restrictions on the travel, association or place of abode of the person during the period of release;

(c) impose any other condition deemed reasonably necessary to assure appearance as required, including a condition requiring that the person return to custody during specified hours;

(d) place the person under a house arrest program pursuant to K.S.A. 2011 Supp. 21-6609, and amendments thereto; or

(e) place the person under the supervision of a court services officer responsible for monitoring the person's compliance with any conditions of release ordered by the magistrate. The magistrate may order the person to pay for any costs associated with the supervision provided by the court services department in an amount not to exceed \$15 per week of such supervision. The magistrate may also order the person to pay for all other costs associated with the supervision and conditions for compliance in addition to the \$15 per week.

(2) In addition to any conditions of release provided in subsection (1), for any person charged with a felony, the magistrate may order such person to submit to a drug and alcohol abuse examination and evaluation in a public or private treatment facility or state institution and, if determined by the head of such facility or institution that such person is a drug or alcohol abuser or is incapacitated by drugs or alcohol, to submit to treatment for such drug or alcohol abuse, as a condition of release.

(3) The appearance bond shall be executed with sufficient solvent sureties who are residents of the state of Kansas, unless the magistrate determines, in the exercise of such magistrate's discretion, that requiring sureties is not necessary to assure the appearance of the person at the time ordered.

(4) A deposit of cash in the amount of the bond may be made in lieu of the execution of the bond pursuant to subsection (3). Except as provided in subsection (5), such deposit shall be in the full amount of the bond and in no event shall a deposit of cash in less than the full amount of bond be permitted. Any person charged with a crime who is released on a cash bond shall be entitled to a refund of all moneys paid for the cash bond, after deduction of any outstanding restitution, costs, fines and fees, after the final disposition of the criminal case if the person complies with all requirements to appear in court. The court may not exclude the option of posting bond pursuant to subsection (3).

(5) Except as provided further, the amount of the appearance bond shall be the same whether executed as described in subsection (3) or posted with a deposit of cash as described in subsection (4). When the appearance bond has been set at \$2,500 or less and the most serious charge against the person is a misdemeanor, a severity level 8, 9 or 10 nonperson felony, a drug severity level 4 felony or a violation of K.S.A. 8-1567 or section 2, and amendments thereto, the magistrate may allow the person to deposit cash with the clerk in the amount of 10% of the bond, provided the person meets at least the following qualifications:

- (A) Is a resident of the state of Kansas;
- (B) has a criminal history score category of G, H or I;
- (C) has no prior history of failure to appear for any court appearances;
- (D) has no detainer or hold from any other jurisdiction;
- (E) has not been extradited from, and is not awaiting extradition to, another state; and
- (F) has not been detained for an alleged violation of probation.

(6) In the discretion of the court, a person charged with a crime may be released upon the person's own recognizance by guaranteeing payment of the amount of the bond for the person's failure to comply with all requirements to appear in court. The release of a person charged with a crime upon the person's own recognizance shall not require the deposit of any cash by the person.

(7) The court shall not impose any administrative fee.

(8) In determining which conditions of release will reasonably assure appearance and the public safety, the magistrate shall, on the basis of available information, take into account the nature and circumstances of the crime charged; the weight of the evidence against the defendant; whether the defendant is lawfully present in the United States; the defendant's family ties, employment, financial resources, character, mental condition, length of residence in the community, record of convictions,

record of appearance or failure to appear at court proceedings or of flight to avoid prosecution; the likelihood or propensity of the defendant to commit crimes while on release, including whether the defendant will be likely to threaten, harass or cause injury to the victim of the crime or any witnesses thereto; and whether the defendant is on probation or parole from a previous offense at the time of the alleged commission of the subsequent offense.

(9) The appearance bond shall set forth all of the conditions of release.

(10) A person for whom conditions of release are imposed and who continues to be detained as a result of the person's inability to meet the conditions of release shall be entitled, upon application, to have the conditions reviewed without unnecessary delay by the magistrate who imposed them. If the magistrate who imposed conditions of release is not available, any other magistrate in the county may review such conditions.

(11) A magistrate ordering the release of a person on any conditions specified in this section may at any time amend the order to impose additional or different conditions of release. If the imposition of additional or different conditions results in the detention of the person, the provisions of subsection (10) shall apply.

(12) Statements or information offered in determining the conditions of release need not conform to the rules of evidence. No statement or admission of the defendant made at such a proceeding shall be received as evidence in any subsequent proceeding against the defendant.

(13) The appearance bond and any security required as a condition of the defendant's release shall be deposited in the office of the magistrate or the clerk of the court where the release is ordered. If the defendant is bound to appear before a magistrate or court other than the one ordering the release, the order of release, together with the bond and security shall be transmitted to the magistrate or clerk of the court before whom the defendant is bound to appear.

(14) Proceedings before a magistrate as provided in this section to determine the release conditions of a person charged with a crime including release upon execution of an appearance bond may be conducted by two-way electronic audio-video communication between the defendant and the judge in lieu of personal presence of the defendant or defendant's counsel in the courtroom in the discretion of the court. The defendant may be accompanied by the defendant's counsel. The defendant shall be informed of the defendant's right to be personally present in the courtroom during such proceeding if the defendant so requests. Exercising the right to be present shall in no way prejudice the defendant.

(15) The magistrate may order the person to pay for any costs associated with the supervision of the conditions of release of the appearance bond in an amount not to exceed \$15 per week of such supervision. As a condition of sentencing under K.S.A. 2011 Supp. 21-6604, and amend-

ments thereto, the court may impose the full amount of any such costs in addition to the \$15 per week, including, but not limited to, costs for treatment and evaluation under subsection (2).

If the defendant

declines to accept diversion, the district court shall resume the criminal proceedings on the complaint.

(3) prepare a schedule of dollar amounts using the amount of the median AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal \$1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts and shall range downward in equal \$1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the lowest AVPP of all school districts;

Except as provided by K.S.A. 2011 Supp. 72-8814b, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district, except that the state aid percentage factor of a school district shall not exceed 100%. The state aid computation percentage is 25%;

(5) determine the amount levied by each school district pursuant to K.S.A. 72-8801 *et seq.*, and amendments thereto;

(3) prepare a schedule of dollar amounts using the amount of the

median AVPP of all school districts as the point of beginning. MESSAGES FROM THE GOVERNOR

HOUSE BILL No. 2624

AN ACT concerning counties; relating to oil and gas valuation depletion; distribution of trust fund moneys; administrative fee; amending K.S.A. 2011 Supp. 19-101a and 79-4231 and repealing the existing sections.

Message to the House of Representatives of the State of Kansas:

While the policy expressed in HB 2624 has merit, it needs to be considered in the context of a comprehensive pro-growth tax and budget package. Therefore, pursuant to Article 2, Section 14(a) of the Constitution of the State of Kansas, I hereby veto HB 2624.

SAM BROWNBACK, *Governor*

Dated: March 23, 2012.

SENATE BILL No. 353

AN ACT concerning barbers; relating to the powers of the board; fees; licensure; amending K.S.A. 65-1819 and 65-1820a and K.S.A. 2011 Supp. 65-1817 and 65-1824 and repealing the existing sections.

Message to the Senate of the State of Kansas:

Recent indicators show the economic recovery in Kansas is underway, yet remains fragile. As I set forth in my Roadmap for Kansas, now is the time for government to get out of the way by reducing spending, cutting taxes, and returning to its core functions. Only when the state's economic role is limited to maintaining a fair and safe playing field for all can the resourcefulness, ingenuity, and hard work of Kansans in every field of labor be fully realized. Now is not the time to add layer after layer of regulatory fees, burdensome certification requirements, barriers to entry, and bureaucracy to our economy.

While SB353 deals only with one business, it is a clear example of the steady growth of state power over economic activity. By vetoing SB353, I intend not only to prevent this small increase of government interference in the marketplace, but also to send the clear message that Kansas will not accept unnecessary government burdens on the free market. It is time to take the parking brake off of the dynamic economic engine that is the Kansas spirit, which if unleashed, will generate growth and prosperity for all.

Therefore, pursuant to Article 2, Section 14(a) of the Constitution of the State of Kansas, I hereby veto SB 353.

AN ACT enacting the Kansas appraisal management company registration act.

HOUSE BILL No. 2505

AN ACT concerning limitations on loans and borrowing; relating to derivative transactions; amending K.S.A. 9-1104 and 9-2111 and repealing the existing sections.

Message to the Senate and House of Representatives of the State of Kansas:

The passage and signing of the Dodd-Frank Act was an unprecedented expansion of federal power over the nation's economy and the states by the Obama Administration. While serving as a United States Senator, I vigorously opposed and voted against the Dodd-Frank Act.

Today the consequences of this wayward legislation are being felt here in Kansas. We are being coerced by unelected federal bureaucrats to enact bills such as SB 345 and HB 2505 that set up new regulatory frameworks not desired by Kansas voters. These federal officials are threatening to do harm to our state's economy if we do not acquiesce in passing state laws dictated from Washington.

Because we have little choice but to let these bills go into effect, I will allow them to become law without my signature. By not affixing my signature to these bills, however, I want to send a clear message that I have serious concerns about their constitutionality. Because of this, I have requested that Attorney General Derek Schmidt conduct an immediate review of Dodd-Frank in order to begin the process of defending Kansas from this unconstitutional incursion of federal authority over the states.

Pursuant to Article 2 Sec. 14 of the Kansas Constitution and KSA 45-305 SB 345 and HB 2505 have been deliver to the Secretary of State without my signature.

SAM BROWNBACK, *Governor*

Dated: April 9, 2012.

House Substitute for SENATE BILL No. 315

AN ACT concerning the state bank commissioner, powers; amending K.S.A. 9-1722 and 9-1801 and K.S.A. 2011 Supp. 9-508, 9-509, 9-510, 9-511, 9-512, 9-513, 9-513a, 9-513c, 75-2935b, 75-3135 and 75-3135a and repealing the existing sections.

Message to the Senate of the State of Kansas:

The provisions of Senate Bill 315 as introduced, and which are now contained in Sections 11 through 13 of House Substitute for Senate Bill 315, unnecessarily impair the prerogatives of the executive branch and take away an important tool for the efficient and uniform management of the executive branch of state government. The remaining provisions of House Substitute for Senate Bill 315 represent good policy and should become law.

Therefore, pursuant to Article 2 Section 14 of the Kansas Constitution, I hereby veto House Substitute for Senate Bill 315 and urge the Legislature to return the bill to me modified as set forth above before final adjournment.

SAM BROWNBACK, *Governor*

Dated: April 12, 2012.

House Substitute for SENATE BILL No. 294

AN ACT making and concerning appropriations for fiscal years ending June 30, 2012, June 30, 2013, June 30, 2014, June 30, 2015, and June 30, 2016, for state agencies; authorizing and directing payment of certain claims against the state; authorizing certain transfers, capital improvement projects and fees imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2011 Supp. 2-223, 12-5256, 55-193, 72-8814, 74-50,107, 74-99b34, 75-2319, 76-775, 76-783, 76-7,107, 79-2964, 79-2978, 79-2979, 79-3425i, as amended by section 10 of 2012 House Bill No. 2557, 79-34,156, 79-34,171, 79-4227 and 82a-953a and repealing the existing sections.

Message to the Senate of the State of Kansas:

I want to thank all Kansas legislators and particularly, the members of the House Appropriations Committee and the Senate Ways and Means Committee, for producing a budget that for the first time in many years meets the statutory requirement of maintaining a 7.5% ending balance. Our state has gone through an incredible transition in just two years: from a projected \$500 million deficit to putting nearly half a billion dollars in the bank. A \$1 billion swing can only occur when we commit ourselves

to shrinking the footprint of state government and pursuing policies that grow the economy. I look forward to continuing this prosperous path in the fiscal years to come.

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return House Substitute for Senate Bill No. 294 with my signature approving the bill, except for the items enumerated below.

Behavioral Sciences Regulatory Board

Limitation on Expenditures

That portion of Section 12(a) that reads as follows has been line-item vetoed:

“Provided, however, That expenditures from the behavioral sciences regulatory board fee fund for the fiscal year ending June 30, 2012, for leased office space shall not exceed \$14.00 per square foot.”

That portion of Section 12(b) that reads as follows has been line-item vetoed:

“Provided, however, That expenditures from the behavioral sciences regulatory board fee fund for the fiscal year ending June 30, 2013, for leased office space shall not exceed \$14.00 per square foot.”

Oversight of leased office space is the domain of the Department of Administration. To the extent that we can centrally manage leased space, we can manage our operating costs. These provisions would arbitrarily provide an exception not afforded other agencies and supersede the management function properly placed in the executive branch so I find it necessary to veto them both.

Department of Health & Environment–Environment

Local Environmental Protection Programs

That portion of Section 84(c) that reads as follows has been line-item vetoed:

“Local environmental protection program \$800,000

Provided, That any unencumbered balance in the local environmental protection program account in excess of \$100 as of June 30, 2012, is hereby reappropriated for fiscal year 2013.”

The appropriation of \$800,000 from the State Water Plan Fund (SWPF) for the Local Environmental Protection Programs would increase funding beyond my budget recommendations for FY 2013. Funding for this program was not recommended by the Kansas Water Authority nor the Department of Health and Environment, and was not included in my budget. The program was started in the early 1990s for

the purpose of providing local governments with technical assistance and grant funds in order to establish environmental programs specifically suited for local priorities. Once the programs were established, the intent was to discontinue the state funding. The addition of \$800,000 in expenditures from the SWPF for FY 2013 would result in a negative balance of approximately \$565,000 in this state fund. Therefore, I hereby line-item veto this provision.

Department of Education

Uniform Accounting Act for Schools

That portion of Section 42(a) that reads as follows has been line-item vetoed:

“Operating expenditures (including official hospitality) \$50,000”

The 2011 Legislature enacted the Uniform Financial Accounting and Reporting Act for school districts to report expenditures to the Department of Education. This funding was not originally included in my FY 2012 budget recommendations and I believe the agency can develop and maintain this system which is similar to current procedures within current resources. I find it necessary to veto this appropriation.

Department of Revenue

Fee Sweeps

Sections 75(h) and 75(i) have been line-item vetoed in their entirety.

At the direction of the Legislature, the Department of Revenue is now more heavily dependent on fee income for its operations and two of the three fee sweeps included in the appropriations bill are insupportable. For these two, the cash on hand on the date specified will not be sufficient to make such sizable transfers and the agency would not be left with enough funds to function. I am leaving one of the sweeps the agency can manage. The other two sweeps go too far, and I therefore must veto them.

Department of Education

Mentor Teacher Bonuses

That portion of Section 88(a) that reads as follows has been line-item vetoed:

“Mentor teacher program grants \$484,337”

I proposed educator quality and mentoring reforms as part of my over-all education policy reform for consideration this session, however, the Legislature did not adopt most of these initiatives. For a mentoring bonus program to work properly, it must be done in concert with education reform policy. Without those reforms we fail our educators and their students. Therefore I find it necessary to veto this appropriation and look

forward to discussing with the Legislature next session how we can improve teacher performance through mentoring.

Kansas Water Office

Water Resource Education

That portion of Section 114(c) that reads as follows has been line-item vetoed:

“Water resource education \$40,000
Provided, That any unencumbered balance in the water resource education account in excess of \$100 as of June 30, 2012, is hereby reappropriated for fiscal year 2013.”

The appropriation of \$40,000 from the State Water Plan Fund for the Water Resource Education program would increase funding beyond my budget recommendations for FY 2013 and would also contribute to a negative balance of approximately \$565,000 in the State Water Plan Fund. Funding for this program was not recommended in my budget. Therefore, I hereby line-item veto this provision.

Wichita Aquifer Storage

Section 114(d) has been line-item vetoed in its entirety.

The additional appropriation of \$500,000 from the Expanded Lottery Act Revenues Fund (ELARF) for the Wichita Aquifer Recharge Project would increase funding beyond my budget recommendations for FY 2013. My FY 2013 budget recommendations included a \$500,000 appropriation from the State Water Plan Fund for the project that demonstrates an effective method to provide for long-term planning related to future water supplies. Furthermore, the use of the ELARF will have to be leveraged as part of a specific debt reduction and budget balancing strategy. Therefore, I hereby line-item veto this provision.

State Fair Board

Enhanced Marketing

Section 113(c) has been line-item vetoed in its entirety.

I included funds in the Department of Commerce budget for a study to examine the feasibility of changing the dates when our State Fair is held. Rather than finance this study, the money was shifted to the Fair for promotion. With the projected negative balance in the Economic Development Initiatives Fund and this change in plan, I veto the funds. While it does not bring the EDIF into the black, it will be much closer.

**Department of Social & Rehabilitation Services and
Department on Aging**

FMS Fee for HCBS Providers

Section 35(b) has been line-item vetoed in its entirety.

That portion of Section 35(l) that reads as follows has been line-item vetoed:

“Mental health and retardation services aid and assistance \$91,429”

That portion of Section 36(a) that reads as follows has been line-item vetoed:

“LTC – medicaid assistance – HCBS/FE \$99,634”

Section 122 has been line-item vetoed in its entirety.

The Financial Management System for Medicaid Home and Community Based Services providers was implemented in FY 2012 as required by the Center for Medicare & Medicaid Services. The system pays a \$115 per consumer per month fee to providers for administrative services. The 2012 Legislature appropriated a total of \$385,878 from the State General Fund in the above referenced sections to increase the fee to \$125 for the months from November 2012 to June 2012. This would require retro-active payments that would strain agency resources. No additional funding was approved to continue the increased rate in FY 2013. The agencies set the \$115 fee using a range derived from a study performed by an impartial contractor and by using comparisons with rates paid by other states. The rate is well above the national average and in my opinion is fair payment for services provided. I therefore find it necessary to veto these supplemental appropriations for FY 2012.

Motor Vehicles

Limitations on Acquisitions

Section 119 is vetoed in its entirety.

Agencies purchase vehicles for a variety of reasons and we have a process in place to ensure new purchases are not made unnecessarily. To ensure that agencies have the resources they need to get their work done, I veto this section of the bill.

Kansas Bioscience Authority

Timing of Transfers from the State General Fund

That portion of Section 156(d)(1) that reads as follows has been line-item vetoed:

“During the fiscal years ending June 30, 2013, and June 30, 2014, the state treasurer shall make payments to the bioscience authority on July 15, October 15, January 15 and April 15 in equal install-

ments, subject to the limitations established in subsection (h). If on such dates, during fiscal years 2013 and 2014, such payments can not be made in equal amounts, the state treasurer shall make the payment in the amount of moneys that is available on such date and upon the next payment date, the state treasurer shall make the payment in an amount equal to the amount that is to be paid on that date plus any additional amount that is owed from a previous date. During the fiscal years ending June 30, 2015, and following fiscal years thereafter, the state treasurer shall make payments to the bioscience authority on July 15, October 15, January 15 and April 15 based on the certification provided by the secretary of revenue.”

In recent years the state has had to delay its quarterly transfers to the Kansas Bioscience Authority from time to time, particularly the November amount, when the State General Fund was low on cash. This was done in cooperation with staff at the Bioscience Authority and was not done in a manner that was intended as punitive or harmful. Because we need to maintain our flexibility in managing the State General Fund cash-flow, I veto this provision to require transfers on certain dates. This has the effect of leaving processes as they have been handled up to this point.

Moving Forward

The needs are great, and the people of Kansas, particularly our children, depend on us to put our state on a path of economic growth and prosperity. We took a giant step in the right direction this year. I look forward to continuing to work with the Kansas Legislature to review areas where we can reduce the reach of state government, streamline agencies and programs and focus funding on the state’s core responsibilities.

Again, I commend the Legislature for its work during the 2012 session, and I look forward to working with all of you in the coming months and years as we get our state’s budget and economy back on track.

SAM BROWNBACK, *Governor*
