(aa) the board of county commissioners of Kingman county, for the purposes of paragraph (27) of subsection (b) of K.S.A. 12-187, and amendments thereto, may fix such rate at a percentage which is equal to the sum of the rate otherwise allowed pursuant to this section, plus .25%, .5%, .75%, or 1%; *and*

(bb) the board of county commissioners of Edwards county, for the purposes of paragraph (28) of subsection (b) of K.S.A. 12-187, and amendments thereto, may fix such rate at 1.375%.

Any county or city levying a retailers' sales tax is hereby prohibited from administering or collecting such tax locally, but shall utilize the

services of the state department of revenue to administer, enforce and collect such tax. Except as otherwise specifically provided in K.S.A. 12-189a, and amendments thereto, such tax shall be identical in its application, and exemptions therefrom, to the Kansas retailers' sales tax act and all laws and administrative rules and regulations of the state department of revenue relating to the Kansas retailers' sales tax shall apply to such local sales tax insofar as such laws and rules and regulations may be made applicable. The state director of taxation is hereby authorized to administer, enforce and collect such local sales taxes and to adopt such rules and regulations as may be necessary for the efficient and effective administration and enforcement thereof.

Upon receipt of a certified copy of an ordinance or resolution authorizing the levy of a local retailers' sales tax, the director of taxation shall cause such taxes to be collected within or without the boundaries of such taxing subdivision at the same time and in the same manner provided for the collection of the state retailers' sales tax. Such copy shall be submitted to the director of taxation within 30 days after adoption of any such ordinance or resolution. All moneys collected by the director of taxation under the provisions of this section shall be credited to a county and city retailers' sales tax fund which fund is hereby established in the state treasury, except that all moneys collected by the director of taxation pursuant to the authority granted in paragraph (22) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be credited to the Wilson county capital improvements fund. Any refund due on any county or city retailers' sales tax collected pursuant to this act shall be paid out of the sales tax refund fund and reimbursed by the director of taxation from collections of local retailers' sales tax revenue. Except for local retailers' sales tax revenue required to be deposited in the redevelopment bond fund established under K.S.A. 74-8927, and amendments thereto, all local retailers' sales tax revenue collected within any county or city pursuant to this act shall be apportioned and remitted at least quarterly by the state treasurer, on instruction from the director of taxation, to the treasurer of such county or city.

Revenue that is received from the imposition of a local retailers' sales tax which exceeds the amount of revenue required to pay the costs of a special project for which such revenue was pledged shall be credited to the city or county general fund, as the case requires.

The director of taxation shall provide, upon request by a city or county clerk or treasurer or finance officer of any city or county levying a local retailers' sales tax, monthly reports identifying each retailer doing business in such city or county or making taxable sales sourced to such city or county, setting forth the tax liability and the

amount of such tax remitted by each retailer during the preceding month and identifying each business location maintained by the retailer and such retailer's sales or use tax registration or account number. Such report shall be made available to the clerk or treasurer or finance officer of such city or county within a reasonable time after it has been requested from the director of taxation. The director of taxation shall be allowed to assess a reasonable fee for the issuance of such report. Information received by any city or county pursuant to this section shall be confidential, and it shall be unlawful for any officer or employee of such city or county to divulge any such information in any manner. Any violation of this paragraph by a city or county officer or employee is a class A misdemeanor, and such officer or employee shall be dismissed from office. Reports of violations of this paragraph shall be investigated by the attorney general. The district attorney or county attorney and the attorney general shall have authority to prosecute violations of this paragraph.

Sec. 3. K.S.A. 2010 Supp. 12-192 is hereby amended to read as follows: 12-192. (a) Except as otherwise provided by subsection (b), (d) or (h), all revenue received by the director of taxation from a countywide retailers' sales tax shall be apportioned among the county and each city located in such county in the following manner: (1) One-half of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year, and (2) 1/2 of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county. All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of .75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner: (A) The

revenue received from the first .5% rate of tax shall be apportioned in the manner prescribed by subsection (a) and (B) the revenue received from the rate of tax exceeding .5% shall be apportioned as follows: (i) One-fourth shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year and (ii) one-fourth shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county and (iii) one-half shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers' sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem property tax levy of any county or city district entity or subdivision shall be included within this term if the levy of any such district entity or subdivision is applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for

the purpose of providing fire protection service in such city shall be included within the term "total tangible property tax levies" for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to paragraphs (2), (3)(C), (3)(F), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25) ~~and~~ (27) and (28) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(2) Except as otherwise provided in paragraph (5) of subsection (b) of K.S.A. 12-187, and amendments thereto, all revenues received from a countywide retailers' sales tax imposed pursuant to paragraph (5) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(3) All revenue received from a countywide retailers' sales tax imposed pursuant to paragraph (26) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged unless the question of imposing a countywide retailers' sales tax authorized by paragraph (26) of subsection (b) of K.S.A. 12-187, and amendments thereto, includes the apportionment of revenue prescribed in subsection (a).

(e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county imposing a countywide retailers' sales tax shall provide such information deemed necessary by the secretary of revenue to apportion and remit revenue to the counties and cities pursuant to this section.

(h) The provisions of subsections (a) and (b) for the apportionment of countywide retailers' sales tax shall not apply to any revenues received pursuant to a county or countywide retailers' sales tax levied or collected under K.S.A. 74-8929, and amendments thereto. All such revenue collected under K.S.A. 74-8929, and amendments thereto, shall be deposited into the redevelopment bond fund established by K.S.A. 74-8927, and amendments thereto, for the period of time set forth in K.S.A. 74-8927, and amendments thereto.

Sec. 4. On and after July 1, 2011, K.S.A. 2010 Supp. 79-1701a is hereby amended to read as follows: 79-1701a. Any taxpayer, the county appraiser or the county clerk shall, on their own motion, request the board of county commissioners to order the correction of the clerical errors in the appraisal, assessment or tax rolls as described in K.S.A. 79-1701, and amendments thereto. The board of county commissioners of the several counties are hereby authorized to order the correction of clerical errors, specified in K.S.A. 79-1701, and amendments thereto, in the appraisal, assessment or tax rolls for the current year and the immediately preceding two years during the period on and after November 1 of each year. If a county treasurer has collected and distributed the property taxes of a taxpayer and it shall thereafter be determined that the tax computed and paid was based on an erroneous assessment due to a clerical error which resulted in an overpayment of taxes by the taxpayer, and such error is corrected under the provisions hereof then the county commissioners may direct a refund in the amount of the overpayment plus interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, *plus two percentage points, per annum*, from the date of payment from tax moneys collected during the current year and approve a claim therefor. If all or any portion of the taxes on such property remain unpaid, the board of county commissioners shall cancel that portion of such unpaid taxes which were assessed on the basis of the error which is being corrected. In lieu of taking such a refund the taxpayer may, at the taxpayer's option, be allowed a credit on the current year's taxes in the amount of the overpayment plus interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, from the date of payment for the previous year. In the event the error results in an understatement of value or taxes as a result of a mathematical miscomputation on the part of the county, the board of county commissioners of the several counties are hereby authorized to correct such error and order an additional assessment or

tax bill, or both, to be issued, except that, in no such case shall the taxpayer be assessed interest or penalties on any tax which may be assessed. If such error applies to property which has been sold or otherwise transferred subsequent to the time the error was made, no such additional assessment or tax bill shall be issued.

Sec. 5. On and after July 1, 2011, K.S.A. 79-2968 is hereby amended to read as follows: 79-2968. Except as otherwise specifically provided by law, whenever interest is charged under any law of this state upon any delinquent or unpaid taxes levied or imposed by the state of Kansas or any taxing subdivision thereof, or whenever interest is allowed under any law of this state upon any overpayment of taxes levied or imposed by the state of Kansas or any taxing subdivision thereof, the rate thereof shall be: ~~(a) One and one-half percent per month for any period prior to January 1, 1995, 1% per month for the period commencing on January 1, 1995, and ending on December 31, 1997, and 1/12 of the annual rate prescribed in subsection (b) thereafter, if computed monthly; and (b) eighteen percent per annum for any period prior to January 1, 1995, 12% per annum for the period commencing on January 1, 1995, and ending on December 31, 1997, and for any period thereafter, the underpayment rate per annum prescribed and determined under paragraph (2) of subsection (a) of section 6621, without regard to subsection (c) thereof, of the federal internal revenue code, as in effect on September 1, 1996, and which rate is in effect thereunder on July 1 of the year immediately preceding the calendar year for which the rate is being annually fixed hereunder, plus one percentage point, if computed annually. *Beginning on January 1, 2012, the rate for property tax delinquencies or underpayments of \$10,000 or more shall be as provided for under this section or 10% per annum, whichever is greater.*~~

In the event the interest rate prescribed under this section cannot be determined by reference to section 6621 of the federal internal revenue code, as in effect on September 1, 1996, the rate at which interest shall be collected on underpayments shall be the rate prescribed by K.S.A. 16-204, and amendments thereto, for interest on judgments for the applicable period.

Sec. 6. On and after July 1, 2011, K.S.A. 2010 Supp. 79-3609 is hereby amended to read as follows: 79-3609. (a) Every person engaged in the business of selling tangible personal property at retail or furnishing services taxable in this state, shall keep records and books of all such sales, together with invoices, bills of lading, sales records, copies of bills of sale and other pertinent papers and documents. Such books and records and other papers and documents shall, at all times during business hours of the day, be available for and subject to

inspection by the director, or the director's duly authorized agents and employees, for a period of three years from the last day of the calendar year or of the fiscal year of the retailer, whichever comes later, to which the records pertain. Such records shall be preserved during the entire period during which they are subject to inspection by the director, unless the director in writing previously authorizes their disposal. Any person selling tangible personal property or furnishing taxable services shall be prohibited from asserting that any sales are exempt from taxation unless the retailer has in the retailer's possession a properly executed exemption certificate provided by the consumer claiming the exemption, except as follows: (1) A retailer is relieved of liability for tax otherwise applicable if the retailer obtains a fully completed exemption certificate or captures the relevant data elements required by the director within 90 days subsequent to the date of the sale; or (2) if the retailer has not obtained an exemption certificate or all relevant data elements, the retailer, within 120 days subsequent to a request for substantiation by the director, either may obtain a fully completed exemption certificate from the purchaser, taken in good faith which meets the requirements specified in this subsection, or obtain other information establishing that the transaction was not subject to tax. Otherwise, the sales shall be deemed to be taxable sales under this act. The seller shall obtain an exemption certificate that claims an exemption that was authorized pursuant to Kansas law on the date of the transaction in the jurisdiction where the transaction is sourced pursuant to law, could be applicable to the item being purchased and is reasonable for the purchaser's type of business. If the seller obtains an exemption certificate or other information as described in this subsection, the seller is relieved of any liability for the tax on the transaction unless it is discovered through the audit process that the seller had knowledge or had reason to know at the time such information was provided that the information relating to the exemption claimed was materially false or the seller otherwise knowingly participated in activity intended to purposefully evade the tax that is properly due on the transaction, and it must be established that the seller had knowledge or had reason to know at the time the information was provided that the information was materially false.

(b) The amount of tax imposed by this act is to be assessed within three years after the return is filed, and no proceedings in court for the collection of such taxes shall ~~be begun~~ *begin* after the expiration of such period. In the case of a false or fraudulent return with intent to evade tax, the tax may be assessed or a proceeding in court for collection of such tax may ~~be begun~~ *begin* at any time, within two years from the discovery of such fraud. No assessment shall be made for any

period preceding the date of registration of the retailer by more than three years except in cases of fraud. For any refund or credit claim filed after ~~June 15, 2009~~ *July 1, 2011*, no refund or credit shall be allowed by the director after ~~one year~~ *three years* from the due date of the return for the reporting period as provided by K.S.A. 79-3607, and amendments thereto, unless before the expiration of such period a claim therefor is filed by the taxpayer, and, except as otherwise provided in K.S.A. 2010 Supp. 79-3694, and amendments thereto, no suit or action to recover on any claim for refund shall be commenced, until after the expiration of six months from the date of filing such claim satisfying the requirements specified by K.S.A. 2010 Supp. 79-3693, and amendments thereto, therefor with the director. A refund claim shall not be deemed filed unless such claim is complete as required by K.S.A. 2010 Supp. 79-3693, and amendments thereto. For all mailed returns, including refund claims, each return or refund claim shall be presumed to have been filed with the department on the postmark date of such return or refund claim or if such date is illegible, the date three days prior to the date such return or refund claim is received.

(c) Before the expiration of time prescribed in this section for the assessment of additional tax or the filing of a claim for refund, the director is hereby authorized to enter into an agreement in writing with the taxpayer consenting to the extension of the periods of limitations for the assessment of tax or for the filing of a claim for refund, at any time prior to the expiration of the period of limitations. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. In consideration of such agreement or agreements, interest due in excess of 48 months on any additional tax shall be waived.

(d) Interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, shall be allowed on any overpayment of tax computed from the filing date of the return claiming the refund, except that no interest shall be allowed on any such refund if the same is paid within 120 days after the filing date of the return claiming the refund or the date of payment, whichever is later, provided that such return or refund claim satisfies the requirements specified by K.S.A. 2010 Supp. 79-3693, and amendments thereto, at the time the return or refund claim is received.

(e) Notwithstanding any other provision of this section or the provisions of the Kansas compensating tax act:

(1) (A) Any claim for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by this act which is without dispute shall be allowed,

but, with respect to any claim exceeding \$10,000, the refund associated therewith shall not be paid until after 510 days from the date such claim was filed and shall not include interest from such date. As used in this subparagraph, a claim for refund without dispute shall not include any claim the basis for which is a judicial or quasi-judicial interpretation of such subsection occurring after the effective date of this act.

(B) Any refund of tax resulting from a final determination or adjudication with regard to any claim submitted or to be submitted for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by this act not described by subparagraph (A) shall, with respect to any refund exceeding \$50,000, be paid in equal annual installments over 10 years commencing with the year of such final determination or adjudication. Interest shall not accrue during the time period of such payment.

(2) No claim for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the application of the provisions of subsection (n) of K.S.A. 79-3606, *and amendments thereto*, pursuant to its interpretation by the court of appeals of the state of Kansas in its opinion filed on August 13, 1999, in the case entitled In re appeal of Water District No. 1 of Johnson County shall be allowed for tax paid prior to the effective date of this act. The provisions of this subsection shall not be applicable to water district no. 1 of Johnson county.
